## FOREWORD

The 64th Church of God General Assembly, which convened in the Superdome, New Orleans, Louisiana, reaffirmed the Church of God's commitment to world evangelization, pastoral care, and the involvement of the laity in ministry.

Some 15,000 people from around the world came together for worship, business, and Christian fellowship during this Assembly.

A significant change from previous Assembly schedules, the first worship service was on Monday evening, the first day of the Assembly. Giving priority to worship set the tone for Assembly activities for the rest of the week.

Two years ago, at the 1990 General Assembly, the ministry theme of the Church of God (**Into the Harvest—A Commitment for the '90s**) was adopted for the decade of the 1990s. Continuing under this decade-long theme, the focus for this Assembly period (1992-94) is **Laborers for the Harvest**.

Speakers for the worship services brought messages on various aspects of **Laborers for the Harvest**—the laborer's call, vision, character, passion, and reward. These sermons challenged all present to be faithful laborers for Christ, so as to reap a bountiful harvest of souls in this last decade of the 20th century.

This book of *Minutes of the General Assembly* is prepared to serve our churches. It contains a **Journal** of the worship services and business sessions of the 1992 General Assembly, including the two addresses of the general overseer. It also contains a **Supplement** describing the teachings and government of the Church of God; a **Directory** of church leaders and ministers, local clerks, and churches; and, finally, a **Statistical and Financial Report** for the Church of God worldwide.

Many have contributed to the gathering and preparation of the information in this book of *Minutes*, so that it might be accessible to the church at large in a handy and permanent form. This 1992 book of *Minutes* is presented with the sincere hope and prayer it will effectively serve this purpose, for the glory of Christ and the edification of the church.

## PREFACE

Since the first Church of God General Assembly, held in 1906 and attended by 21 people, the published *Minutes of the General Assembly* has been the most accessible record of the activities and decisions of each Assembly.

This record of the 64th General Assembly of the Church of God documents the fact that the Church of God is still a Pentecostal church—Pentecostal in belief and experience, still committed to holy, Christlike living, and still committed to reaching people near and far with the gospel of Jesus Christ.

This Assembly was characterized by heartfelt spiritual worship, Holy Spirit-anointed singing and preaching, sincere prayers of personal consecration to Christ, and business conducted with respect for one another and reverence for God and His Word.

The 15,000 Church of God people at this gathering—people young and old and in-between, and from dozens of nations around the world—worshiped together with a keen sense of belonging to each other in Christ and of the shared commission to reap the growing harvest of souls

The church's commitment to its evangelistic mission and pastoral ministry was reaffirmed by the unanimous approval of major recommendations and resolutions aimed at reaching the world's major cities with the gospel, providing better training for the church's ministers, involving the laity in evangelism, and giving greater moral support and spiritual guidance to families.

If you did not attend the 1992 General Assembly, I urge you to read the **Journal** account of the worship services and business meetings in this book of *Minutes*. This will make you aware of what was said and done in this Assembly and also give you a feeling for the spiritual atmosphere and Christian fellowship which prevailed.

If you did attend the 1992 Assembly, reading the **Journal** of the worship services and business sessions will refresh your recollection of what was said and done. It will also give you new insights into the happenings at this Assembly.

The publication of this edition of the *Minutes of the General Assembly* marks another milestone along the road of spiritual pilgrimage God has given to us as a church. By the grace of Christ and equipped for service by the Holy Spirit, we are progressing steadily toward the future God has for us. The best is yet to come.

**GENERAL ASSEMBLY WORSHIP SERVICE**  
**Monday, August 10, 1992, 7 p.m.**  
**(Official Opening of the 64th General Assembly)**

Prior to the worship service, a video welcome was viewed by the General Assembly delegates informing them of announcements through the media (TV, radio, and newspapers) inviting the people of New Orleans to the General Assembly worship services, letting them know who the Church of God is and the purpose of the General Assembly in their city. The video also reminded the delegates of the attitude and deportment they should have toward the people of New Orleans. The admonition was "May God help us each one to live by the Golden Rule of our Lord Jesus Christ to do unto others as you would have them do unto you."

At the end of the video welcome, an instrumental call to worship ("To God Be the Glory") began as church leaders and others came on stage. (Mounted against the pink and beige curtains at the back of the stage was a logo inside a circle, consisting of a representation of two hands holding ripened grain. Above this was the theme of the General Assembly, *Laborers for the Harvest*.)

Dr. Delton L. Alford led the congregation in singing "To God Be the Glory."

General Overseer R. Lamar Vest came to the podium to officially open the 64th General Assembly. Addressing the thousands of delegates assembled for worship, the General Overseer declared:

*By the power vested in me as general overseer of the Church of God, I now declare the 64th General Assembly in session for the purpose of worship, the study of God's Word, and for any and all business which shall duly come before it. To God be the Glory! (Audience applause and praises to God.)*

**Scripture Reading and Prayer**

Delbert D. Rose read Matthew 9:35-38. Manuel Perez-Sanchez offered prayer in Spanish.

**Welcome by State Overseer of Louisiana**

Keith Gunter, state overseer of Louisiana, welcomed the delegates to Louisiana for the 64th General Assembly of the Church of God. Brother Gunter stated that there are over 8,000 of God's choice saints living in Louisiana. He informed the delegates that New Orleans is the home of the youngest local congregation of the Church

of God, less than 24 hours old, organized just yesterday. He stated that it doesn't matter where it is, if the people do not fall in love with the harvest, the people remain comfortable while the harvest is still lost.

Brother Gunter continued, "But I am proud to tell you tonight that the people of Louisiana and those people here for this Assembly love the harvest." He announced that last weekend people came from Chicago, Cleveland, and Miami to join efforts with Louisianans in New Orleans to reach the city with the gospel. "Thanks be to God, over 400 meals were served to the homeless street people of New Orleans, and 50 people accepted Jesus Christ in a pre-Assembly rally on Saturday night."

Brother Gunter stated that teams of people would be preaching on the streets of New Orleans during this Assembly in hopes of planting a new church.

State Overseer Gunter assured the delegates, on behalf of the Church of God in Louisiana, "We are ready to assist you in any way and certainly look forward to every opportunity of doing so." (Audience applause.)

### **Congregational and Special Singing**

Dr. Delton L. Alford led the congregation in singing "I Will Enter His Gates," "The Name of the Lord," "Praise the Name of Jesus," "To God Be the Glory," and "The Lord's Prayer." The Louisiana Mass Choir with Lee Haynes sang "We've Come to Praise Him Medley," "That's the Kind of God We Serve," and "Who Am I Medley."

The Sencas de Amor Trio, South Eastern Spanish, USA, sang "Blessed Assurance."

The Riveroak Sanctuary Choir, Danville, Virginia, with Tony Holley sang "Getting Ready to Leave," "One Less Stone," and "I've Got a Feeling Everything's Gonna Be All Right."

(The congregational singing and special singing were punctuated at intervals with responses of applause and loud praises to God on the part of the audience.)

### **Introduction of General Overseer as Speaker**

Dr. Robert White, first assistant general overseer and moderator of the service, stated: "A week ago yesterday I received a telephone call from my first cousin Emma Clark. She lives in Hattiesburg, Mississippi. She called and said that her brother Charlie was in the VA hospital in Ann Arbor, Michigan, and was not expected to live through the night. Emma is the daughter of the late Dewey

Bozeman, a Church of God minister. He and his wife have gone on to be with the Lord now. Brother Bozeman was my pastor when I was just a boy. He prayed for his children many, many times. Now, Charlie, a backslider of 50 years, was dying in the hospital; and she asked if I knew anyone who would visit him. I called David Lanier and asked him if he knew who lived close to Ann Arbor, and he recommended Brother J.D. Stump. I called Brother Stump who was getting ready to go to church, but I asked him to visit Charlie. That night he called and said he visited Charlie, witnessed to him, prayed with him, and led him to the Lord. I called Emma that night and told her that Charlie had given his heart to the Lord. Later, she said that night was the first night she had been able to sleep or rest for several days."

Dr. White continued: "Late that night I reflected on this great church. There are many ministers and laymen like J.D. Stump who are heroes of this church and minister to the lost and hurting. I remembered two years ago when the general overseer addressed the General Assembly and shared with us his vision of this great church. He said that he wanted to be part of a church of confession and repentance, a church of love, forgiveness, and caring . . . a church built on the Word of God and prayer . . . a church that opens its arms to all people . . . a church that will allow differences yet be united in the Word of God . . . a church that honors the past yet presses toward the future with a balance of roots and wings . . . a church that has a strategy for the future to reap this great harvest."

Dr. White spoke of how he had been able to observe General Overseer R. Lamar Vest over the last two years and see his great vision; his passion for souls; his concern, consideration, and love for people. He stated, "I have seen him work diligently, tirelessly to reach the goals he articulated some two years ago. Tonight it is a special privilege of mine to introduce our speaker, the general overseer, Dr. R. Lamar Vest."

(There was a spontaneous and warm applause of appreciation from the audience for Dr. Vest as he came to the podium.)

### **General Overseer's Preliminary Remarks**

"I am delighted tonight because I believe God is going to signally speak to the Church of God this week. There is no doubt in my mind but that God, through the Holy Spirit, is going to give the Church of God its marching orders this week. There are people in this congregation who will never be the same after this week in New Orleans, because the Holy Spirit has confirmed on several occasions that He is going to call laborers into the harvest. There is indeed a harvest waiting to be reaped, and all the Holy Spirit is doing now is

searching out among the delegates of this General Assembly those who will say, 'Here am I. Use me.'

"In just a moment I am going to ask you to stand for prayer, but before you do . . . when the Council of Eighteen and the General Executive Committee first suggested that the general overseer's address be given on this opening night, I was reluctant to agree because it broke with the tradition we have had for so many years; but I finally agreed because I believe it is vital for us to begin this General Assembly not just for business, not just for music; but it is vital for us to begin this General Assembly with worship and coming together in the presence of God.

"I know that on the first day it is going to be very, very difficult for some of you to do this. You have traveled a long way, and you have not found everything exactly like you expected, but I am going to ask you for the next few minutes to forget all of the normal trappings of a General Assembly. Let's forget about business; let's forget about all the other things that we are here to do.

"It is so vital that we start this General Assembly by hearing from God. If you have heard me preach these last two years, you have heard me say several times that the greatest responsibility of any general overseer is to first hear from God and then to articulate what God is saying to the people. I have never in all of my life wanted more to hear from God than I do this week.

"Folks, you and I are living in the closing hours of this age. We are living right on the threshold of the coming of Jesus Christ, and we have to do what we do with urgency. We have got to do it with compassion, but we have got to do it in a hurry, because time is running out. I believe God is going to speak to us this week in a very special way.

"Before I bring the General Overseer's Address, I am going to ask you to stand with me all across this auditorium. First of all, I want you to reach over and shake somebody's hand and say, 'Let's hear from God this week.'

"There is no question in my mind but that the Holy Spirit is going to call laborers into the harvest this week. Some of you came to the Assembly as an observer, but you are going home as a vessel called and anointed of the Holy Spirit. Some of you struggled into the city of New Orleans, but you are going back to your place of service with the fire of Pentecost burning in your heart, because God is calling laborers for the harvest.

"We can preach about it; we can sing about it; we can pray about it; but until we get willing to say, 'Here I am. Speak to me,' we are not going to accomplish a lot.

"I do not want you to pray for God to speak to your neighbor. I

do not want you to pray for God to speak to anyone else except you. Would you do that? Would you lift your hands with me now, and would you ask God to speak to us this week?

*Father, in the name of Jesus, I ask You to speak to our hearts. Help us, Lord, to be able to receive what You have for us tonight, to be able to experience, Lord, what You want us to receive. Above everything else, God, give us a passion for the harvest. Give us love for the lost, that we will leave this auditorium—this Superdome—as Christians charged by the power of the Holy Spirit, to reach every man and every woman and every child with the gospel of Jesus Christ. In Jesus' name I pray. Amen.*

“Traditionally, the general overseer is called upon at each General Assembly to give what we have come to know as the State of the Church Address. Those of you who know me and know anything at all about what I am sensing tonight understand that I must deliver to this congregation the burden I believe God has laid on my heart. I unashamedly ask you to pray that the Holy Spirit will speak to this church and will help us to receive from Him exactly what He wants us to have.”

### General Overseer's Message

“I want to share with you a promise I believe the Lord has made to the Church of God. He has brought it to my attention several times over the past several months, and I could not get away from it as I prepared for this opening address. Although the promise was originally made in Jerusalem to Israel about 604 B.C., I believe it applies to this generation as much as it did to that generation.”

*“Look at the nations and watch—and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told” (Habakkuk 1:5, NIV).*

“The Lord must have had some of us in mind when Habakkuk wrote that scripture, because on several occasions the Holy Spirit has said, ‘I am going to set before you open doors, and all you have to do is to walk through those doors.’

“We have seen over the last several months a revolution in this world. Iron curtains have come down. Doors have been opened that were heretofore closed to the preaching of the gospel. Now the Holy Spirit has called us to New Orleans to once again say to the Church

of God, 'Open your eyes and look. I am going to do something in your midst that even if you were told, you would not believe it.'

"And what I am asking the Holy Spirit to do tonight is to melt down any opposition that we might have—any resistance that we might build, any barriers that we might put between us and God. Let's ask God right now to take those barriers away. Let us hear from God.

"Periodically during the message tonight we will share with you some of the scenes God has unfolded before us by way of the video enlargement screens.

"I must begin this message by telling you that no one individual—not the general overseer, not one group of people, not the Executive Committee or Executive Council or the department leaders—is responsible for what has taken place. Let me tell you who is responsible for what is taking place. All of those prayer warriors who have spent untold hours on their knees praying to God for revival are responsible.

"I have come to this General Assembly to tell you that God has heard your prayers and that God is bringing a revival to America and a revival to this land. It's up to us as individuals to understand what God is saying and to be open to what God is doing. I have to also share with you that before anything else that is done this week in New Orleans, we must first of all answer these two questions: Who are we, the Church of God? And what are we doing in New Orleans?

"Whatever else we do this week will be determined first by who we believe we are. It is important that we involve ourselves in a reflection on who we are and take a look at what we've become in the 106 years since our beginning.

"We have to stop and ask God, 'Are You pleased at what we are becoming?' And if God is not pleased with what we are becoming, then we need to reverse it, and we need to say, 'God, first of all we want You to be pleased with what we are.'

"The second thing we have to ask ourselves is 'What are we doing in New Orleans?' I know we are here to do business; we are here to worship; but we are here to do much more. We are here to understand something about the heritage of this church. I want to tell you something about the heritage of this church. We are here to make an impact on the city of New Orleans. I want to tell you something tonight: we are not going to make an impact on the city of New Orleans by the ads we have run on television, not by the newspaper articles, not by what comes from this podium, not by what comes during our business sessions. We are going to make the greatest impact on the city of New Orleans by the way we treat people when

we meet them on the streets and in the hotel lobbies and in the restaurants. That's how we are going to be a testimony to this city, and I am asking every delegate to this 64th General Assembly to be a Christian witness 24 hours a day, so this city will know that the Church of God believes in the gospel of Jesus Christ.

"I wanted Brother Tygart to share with you what happened just the other night while they were having a service here in the city of New Orleans. As you know, most of you brought canned goods; and we have given offerings, and we are feeding the hungry. We made a decision before we came to the city of New Orleans that we were not going to see a person in New Orleans go hungry while we were here. As a result of this, 50 souls were saved and gave their hearts to the Lord Jesus Christ. The city of New Orleans needs to know that we are in town. Give the Lord praise right now!" (Audience applause and praises to God.)

"We have to answer the question, Who are we?" (Now begins a related video presentation as the overseer continues.)

"The ministry and heritage of this church are being expressed in many ways and through many different channels:

- The Church of God is a storefront building which serves as a lighthouse to the inner-city people who have lost hope.
- The Church of God is a large multipurpose complex which ministers to thousands of people from all walks of life.
- The Church of God is a small, rural church which refused to ignore the basic needs of people just because they may not be considered as influential as others.
- The Church of God is an international church which will not accept national boundaries as walls that divide God's people.
- The Church of God is a family of believers who support one another, believe in one another, and love one another.
- The Church of God is a multiracial body which believes that we are all created in the likeness and image of God our Father and we are all to be treated as brothers and sisters.
- The Church of God is great music, good preaching, and spontaneity in worship." (Video ends.)

"The Church of God is all of this and more . . . much more! Tonight we celebrate who we are and what God has called us to be.

"When we met in San Antonio for the last General Assembly, the Holy Spirit spoke to the Church of God with unmistakable clarity: 'I have set before you an open door.'

"A few weeks later at a meeting of state overseers and the General Executive Committee, again the Holy Spirit spoke: 'I have set before you an open door.'

"Only days following that event, as the Executive Council met, the Holy Spirit spoke the third time to those men gathered in that room in an unforgettable way: 'I have set before you an open door.'"

(Related video presentation begins.)

"The Church of God got the message.

"Within 75 days following the General Assembly, I was privileged to go to Russia to meet with the Pentecostal leaders from the unregistered (or underground) church; and they are seated down here tonight. A spiritual bonding took place between us that was nothing short of miraculous. The result was the historic signing of a working agreement in ministry between the Church of God and church leaders in the former Soviet Union, many of them former prisoners for as long as 28 years for the so-called crime of preaching the gospel. But do you know where they are seated tonight? They are seated on the front row of the 64th Church of God General Assembly.

"Recently a School of Ministry in Moscow brought together more than a thousand pastors and evangelists from 16 nations of the former Soviet Union. A team of 36 volunteer ministers preached in those Russian cities, and because of that endeavor 14,000 souls came to know the Lord Jesus Christ!

"Since the Holy Spirit made us that promise two years ago, the Lord has opened many other doors of opportunity. I wish I could tell you about all of them, but I can't.

"One of the things that we have determined to do is to team up with the local church to make sure that we are able to reach into the harvest and reach every community and every city. At the Top 100 Conference we networked with our pastors; and I believe that the Lord said to us, 'The bigger our churches grow, the more responsibility they have to reach out to others.' I tell you that from those top 100 pastors we had a commitment that said to the general overseer and the Executive Committee, 'We are going to band ourselves together, we are going to network, and we are going to share with others what God has given to us.' I thank God for that kind of bonding and that kind of networking.

"Following the General Assembly there will be 16 'Breakout 2000' conferences across the United States in which all of these ministers [of the top 100 churches] will be sharing with pastors of smaller churches the resources God has given to them.

"We have come to understand in the Church of God that we are in this thing together." (Video ends.)

"During the following services of this Assembly we will have opportunity to hear from others as to what God is doing.

"Seated down front and on this platform are men and women,

and had it not been for their efforts, none of this could have been done. I have all of the department associates and department heads and their spouses seated down front. I am going to ask them to stand and the spotlight be put on them. I am asking the members of the Executive Committee and Executive Council to stand and everyone across this General Assembly to join with me in giving an expression of appreciation to these men and women for the job they have done: Benevolence, Youth and Christian Education, World Missions. Thank God we are an international church that is ministering to the world. Give the Lord praise now if you will!" (Applause and praises to God.)

"Thank you so very much for the work you have done. Let me share with you briefly what I believe the Lord has said to us since we have walked beyond the open door.

"What we actually found . . . beyond the open door . . . was, in the first place, an **unknown challenge**.

"Walking by faith and ministering by faith is always a challenge, always exciting, and sometimes even a little scary. We do not always know what is around the next curve or what is over the next hill; but when the Holy Spirit is there pushing you on and the Lord is there saying, 'Keep on going,' you know that even though it is unknown, God is going to make a way.

"President Theodore Roosevelt said that the new frontiers of America were founded by people who asked only for a chance to take a chance. I tell you that some Christians and some preachers I know are so afraid of 'going out on a limb' they have even stopped climbing trees.

"This is the worst time for us to stop taking chances for God. This is the worst time in the world for us to get comfortable. This is the worst time in the world for us to fall back. If there is anything we need to do, folks, it is to fire up a little more and to get a little more enthusiastic, because God has called us to open the doors and He is moving with us.

"Sometimes we do not understand the challenges that are there. We do not know that with every door that opens, God will give us the fulfillment of that challenge.

"The second thing we have found as we have walked through that open door is an **unbelievable need**.

"People need the Lord—all people, everywhere, at every stage and age and season of their lives. People need Jesus.

"The Word of God says it clearly: '[God is] not willing that any should perish, but that all should come to repentance' (2 Peter 3:9).

"No one is exempt. No culture is exempt. No nation is exempt. No political system is exempt. People need the Lord!

"Our call is to introduce lost people of this world to the Savior. Only the church can do this. Sometimes we sit back and wait for others, but others are not going to do it, because we are the only ones who have the mandate. We are the only ones who have the authority to preach in the name of Jesus Christ.

"We keep saying that we do not have the finances. We do not have the wherewithal. I keep saying it over and over, and I believe it with all of my heart: it is not money that will work the miracle; compassion will work the miracle. Compassion does not ask, 'What returns will we receive?' but only, 'Is the man lost, and can I tell him about Jesus?' Compassion doesn't ask, 'What is my reward?' Compassion only asks, 'Is the man hungry?' and answers, 'If he is, God, help me to feed him.'

"There is something slightly dishonest about waiting to see what we get out of it before we are willing to go into the harvest. It is time for us to say, 'To God be the glory! To God be the glory!'

"Let's open our eyes, folks. The harvest is there all around us. The doors are being opened and there is indeed an unbelievable need.

"As we have gone beyond the open door we have become aware, in the third place, of an **undiscovered potential**.

"The harvest holds so much promise, so much potential.

"While we celebrate here tonight what God is doing for us, I want to remind us that we will have all eternity to celebrate our victories; but what we need to do now is work while it is day, because 'the night is coming when no one can work' (John 9:4, *NJKV*).

"The Church of God has many things today that we have not always had. We have not always been able to worship in fine facilities like this. We have not always had the financial resources we now possess. But there is one thing our fathers had that we don't have. We don't have nearly as much time as they had. Folks, our time is running out! The nations God is now dealing with and all of the things that are happening are nothing more than signposts pointing us to the end of time. We must discover and employ our full potential.

"There is a fourth thing we have learned as we walked through that open door. We have also seen an **unparalleled opportunity**.

"God, not man; God, not the church; God, not government—God has set before us an open door! And God does not want us to look at that door and admire it. God wants us to walk through the door, and opportunities will be there. There are unparalleled opportunities around this world for the Church of God.

"There is a fifth thing we've learned as we walked through that open door. We have also seen an **unspoiled harvest**.

"Vance Havner once remarked that for many in the ministry, church work represents an 'exercise in futility, with the convinced convincing the convinced.' Wherever I have gone, I have said to pastors that we are not interested in taking members from another denomination. We are not interested in getting any members from anybody else's church. There are too many people out there lost and on their way to hell, and that's the opportunity God is opening for us.

"Listen to the words of Jesus: 'The harvest truly is plenteous, but the labourers are few; pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest' (Matthew 9:37, 38). 'Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. . . . One soweth, and another reapeth. I sent you to reap that whereon ye bestowed no labour: other men laboured, and ye are entered into their labours' (John 4:35, 37, 38).

"In China and India, in Russia and Eastern Europe, in Africa and Latin America, in the United States of America, and in your area where you live, the harvest is ripe. But the harvest is only for a certain time. The overpowering burden of my heart is that every member and friend of the Church of God around this world will actually get into the harvest and help reap the harvest while there is still time.

"We must not delay. To wait is to fail. I truly believe that the best days of the Church of God are still ahead for us. I believe this can be a word of prophecy for you. It can be a sure word for you. The best days of your ministry are not behind you but still ahead of you. The best days for your family are still ahead, and Jesus is saying to us, 'Go, and I will go with you.'

"There is a sixth thing we have found beyond that open door—**an unprecedented anointing.** When God sets before us an open door, He promises that if we will obey, He will give us the anointing. Wherever I have gone, and from the pastors with whom I have talked, I have heard more and more say that they are living in a realm of faith they have not experienced before, and God is anointing them in a special way.

"So far, I have said that beyond the open door since last General Assembly, we have found an **unknown challenge, an unbelievable need, an undiscovered potential, an unparalleled opportunity, an unspoiled harvest, and an unprecedented anointing.** But there is also one other thing we have found beyond that open door. We have found an **unutterable reward.**

"In Hebrews 11:6 the Bible says that 'God . . . is a rewarder.' God is indeed a rewarder! God does not reward good ideas or good intentions. God rewards honest effort. When no effort is made, God

has nothing to bless. But when an honest effort is made, God has something to bless. When an honest effort is combined with faith, then miracles begin to happen.

"Again, listen to the words of Jesus regarding those who went beyond the open door and into the harvest: 'And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together' (John 4:36).

"The harvest is there, and all we need now are laborers for the harvest. The opportunity is there. The harvest is waiting.

"Thank God, He has already found some who are completely immersed in the work of the Lord. God has a people who have taken on the whole armor of God (Ephesians 6:11), people who are clean. God has a people who are not for sale—people who are sound from center to circumference, honest, with conscience as steady as the Rock of Gibraltar.

"God has a people who do not borrow from integrity to pay for expediency, whose handshake is as ironclad as a legal contract, who are as honest in small matters as large ones. God has a people who will stand for the right even if heaven totters and the earth fades away, people who will look the world straight in the eye and tell the truth. God still has a people. Hallelujah!" (Enthusiastic response from audience. Loud praises to God, amens, and applause.)

"God has a people who have courage, and people who are working, but do you know what sometimes disturbs me coming to a General Assembly like this over the years? I have observed that sometimes, in fact, most of the time, most of the people who do the work for God never get the kind of recognition they deserve. They are people who serve God not on the stage or in the limelight, but so often they are people we never know about, people we never hear about in a camp meeting or in the General Assembly.

"Over the past two years as I have traveled this church around the world, I have found something that I want to share with you out of my heart tonight, folks; and I want you to hear me carefully.

"I am so tired of the naysayers and the idea assassins and the people who are always trying to tear down. This church is not going to be built by people who are critical. It's going to be built by people who are obedient to the Holy Spirit of God. It's not going to be built by gossipers. It's going to be built by prayer warriors. It's not going to be built by the doubters. It's going to be built by men and women of faith who say, 'Here I am, Lord, use me.'

"I doubt that this has ever been tried in a General Assembly, and I had some to discourage me; but I have several folks that I want to introduce to you—people such as Sister Dorothy Wilson, who by faith feeds the hungry in the ghetto of Philadelphia, where the

Church of God she pastors is located."

(Related video presentation begins.)

"Look at the video. It looks like a jail. It looks like a war zone, with graffiti spread all over the walls, and crime, and barbed wire across the top."

(At this point the overseer begins an interview with Sister Wilson, who is present, the first of a number of individuals who will subsequently be interviewed as the overseer continues with his message.)

"Let me ask you, Sister Wilson, why do you minister in a place like that? Surely there has got to be other places to minister."

Sister Wilson: "I live in the inner city, and many people in the inner city feel that they are hungry and they are hopeless and that there is no way out for them. God has put me there in this inner city, and He has put me there to demonstrate His love."

Overseer Vest: "That's a pretty good reason for being anywhere—if God puts you there. Thank you, Sister Wilson. We are so proud of you and so many like her who are working in the inner cities and sometimes never get the recognition."

(Related video precedes the overseer's remarks.)

"I want to introduce you to a couple of laypersons, Brother Jim and Sister Margaret Hamilton from Lenoir City, Tennessee. These are good lay people. God has blessed Jim. He has a great family. God has blessed his business. He is a contractor and developer and just recently was at the School of Theology, where he helped with a project working with the Men of Vision.

"Jim, God has blessed you and given you a lot of resources. Let me ask you, How does God bless you by the way you give and support the ministries of God's church?"

Jim Hamilton: "It is a real privilege to be able to work with this body—work for the Lord. We are workers together with God. God gives us authority. God gives us the strength. I can remember years ago when I gave my heart to God. I said, 'God, I will do anything for You if You will just save me and fill me with the Holy Ghost.' I remember the words of a song that was written recently. It says, 'After Calvary, I'd do anything.'"

Overseer Vest: "Jim, I want to say to you and Margaret and to all the laypeople in this audience that we are so thankful for what God has done for you and for the way God is blessing through your ministries. It is because of the faithful laypeople that we have this kind of ministry.

"I want the lay folks just to keep your hands in your lap for a moment. I would like for every preacher in this audience to give the lay folks a good round of applause if you will." (Loud applause)

from ministers.)

(Related video precedes the overseer's remarks.)

"This is Brother and Sister A.T. Lowery; and this is a Lowery you have never met. Brother and Sister Lowery are semiretired business people from West Palm Beach, Florida, who have personally built churches and upgraded living standards for families and whole cities. In fact, Brother and Sister Lowery are directly responsible for planting 25 new Churches of God in the Dominican Republic that now average over 1,600 in attendance!

"Brother Lowery, the work you have done can be described as extremely successful and significant, and yet, at the same time, somewhat thankless. What keeps you going? What keeps you willing to give yourself to this kind of labor?"

A.T. Lowery: "Personally, I believe with all my heart that God gave me this work; and it is directed by the Holy Spirit. That gives me the courage to keep going. Another thing that I lean heavy on is when God showed me to begin starting these new churches in the Dominican Republic (nice churches—churches capable of reproduction), He said to me, 'When you reach 25, there will come a breakthrough.' That's exciting, because we have reached 25, and I am looking for that breakthrough."

Overseer Vest: "We and so many others—Brother Cary and Brother Vaughan—are so proud of you who give to World Missions and support the ministries of the church.

"Here's a young man and his wife from Plantation, Florida. The Lord called Brother Henry Fernandez from New York City to go down to Plantation, Florida, to plant a church. I understand that when you rented that school auditorium, Brother Fernandez, you expected a very large crowd. How many showed up?"

Henry Fernandez: "The first service on Sunday morning was beautiful. We had about 75 people show up on that morning."

Overseer Vest: "I know there are a lot of old-timers here who have had to pray for food and for things to come in because they didn't have it. I heard Brother Fernandez preaching a message, and he told about praying for food because they didn't have any. I hope this doesn't embarrass you, Brother Fernandez, but I heard you say it. He was praying for food, and finally he got up and said to his wife, 'Let's go shopping.' She asked, 'Henry, have you got any money?' Henry said, 'No, but the Lord said, "Go shopping."'"

"They went to the grocery store, got their shopping cart, filled it up; and what happened when you got to the checkout counter?"

Henry Fernandez: "When I was third in line, my wife said to me, 'Well, honey, I will see you outside; you check out the stuff.' I said to her, 'You stay here and have a little faith with me.' I know

she was really kidding when she said that. When I was second in line, the Holy Ghost sent a man I knew. He said he was lying in bed, and God told him to get up, get to the grocery store, and give that brother the money to pay the bill."

Overseer Vest: "Praise the Lord! Hallelujah! I still believe God hears and answers prayer. Thank God! Henry, I pray that God will bless your ministry.

"Somebody says, 'Where are we going to get the laborers?' God is going to keep calling the Henry Fernandezes, and God is going to call the young and old.

"I don't know that any general overseer has given an Exhorter Certificate to a man who just turned 82, but recently this man was in a missions conference and went over to the former Soviet Union and was part of a ministers training conference. He came back and said, 'God has called me to preach.' He has been studying for his exhorter's exam. He is 82 years old, and I want to present his Exhorter Certificate tonight and say, 'Brother Wilson, preach the gospel of the Lord Jesus Christ.'

"Praise the Lord! You are never too young and you are never too old to be obedient to the Holy Spirit of God.

"What are you going to do with the rest of your life, Brother Wilson?"

George W. Wilson: "I am going to do what I have been doing for the last 60 years—working in God's underground, beating the devil to the punch. Glory to God! I could tell you stories just as grand as that one you told. I could fill an unabridged dictionary with the things God has spoken to my heart."

Overseer Vest: "We flew in Brother Rafael Jimenez, pastor from Hermosillo, Mexico. The reason God laid him so much on my heart is because I was with him recently in Mexico. God has not just laid a person but a group of people on your heart, but God has promised you a city, has He not? Would your mind telling me what God has promised you He is going to do in Hermosillo, and what He is going to do in Mexico?"

Rafael Jimenez: "We have been praying for the country, especially for the city. We have already borrowed money for a new building there for 3,000 people. We are believing God that He is going to touch that city, and we feel a burden for the city. We know that we are going to be a channel for the rest of the country. We are going to be able to share the mission He has given to us. So we are trusting that God is going to give us the anointing and strength to do it."

Overseer Vest: "Would you lift your hands toward this brother and pray that God will give him the city of Hermosillo. Pray for the nation of Mexico."

(Audience joins in prayer as the overseer leads.)

"Father, in the name of Jesus, we lay hands on this brother and ask You to anoint him and give him the city. I pray in the name of Jesus Christ our Lord.

"God bless you, Brother Rafael. We are so proud of you and what God is doing for the Church of God around the world.

"Stan and Linda Greene are a business couple. God has laid on their hearts to supply medical supplies, food, and clothing to needy people around the world. Stan and Linda have just come back from Russia, Czechoslovakia, and Bulgaria. God is opening doors because of these people. Sometimes we are unable to get into countries because we cannot provide medical supplies. I would like for one of you to tell what it feels like to be able to provide these kinds of humanitarian supplies for people around the world."

Linda: "It was a dream that was laid upon our hearts many years ago. The Lord told me and my husband when we were in Binghamton, New York, 'Go back to Cathedral of Praise, to your former pastor, Tony Scott. Go back into the Church of God, and you will not believe what I will do.' He said, 'Go and mobilize the Church of God. Have each church within that denomination bring forth food, clothing, and medical supplies, not only for their home missions but for the world, and I will bless them.'"

Stan: "Since January 1, 1992, because of people like you, we have been able to ship 54 40-foot containers of food, medical supplies, and clothing overseas."

Overseer Vest: "Brother Herbert Stone raised four sons for the ministry. Every Wednesday Brother Stone joins with Prayerforce and our retired ministers who come into the city of Cleveland, and they pray for the Church of God around the world.

"Brother Stone, you have been preaching for a long time. How many years?"

Herbert Stone: "Fifty-one."

Overseer Vest: "Why do you keep on praying like you do?"

Herbert Stone: "Simply because I carry a heavy burden. In January, Sister Stone and I set a goal to pray. I go to the church every morning at 4:30 to 5 o'clock and stay until 9 o'clock, except on Wednesday and Sunday. When you know something works . . . in this life prayer works. I am disturbed about families. I am disturbed about church. I love the Church of God. I love God's people. I do! I want to tell you that God has been so good to us. The Lord gave us a few verses of Scripture. The first of January we went 21 days partially fasting and seeking God for an hour and a half to two hours every morning. In Ephesians 5:14-21 (it is in line with your subject, The Open Door) Paul is speaking. He said, 'Awake . . . and arise

from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding what the will of the Lord is. And be not drunk with wine, wherein is excess; but be filled with the Spirit; speaking to yourselves in psalms and hymns and spiritual songs . . . giving thanks . . . for all things unto God and the Father in the name of our Lord Jesus Christ; submitting yourselves one to another in the fear of God.' I heard a president quote this passage of Scripture. [But] the Republicans and Democrats will not solve our problems."

Brother Stone continued: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land' (2 Chronicles 7:14)."

Overseer Vest: "Will you just remain standing a moment. I would like for every retired minister in this Superdome to stand up—all across the building. I want the spotlight moved around so they can be seen. I want you in this General Assembly to give these folks a big round of applause. These are the warriors who have brought us where we are in the name of Jesus.

"Dr. James and Anita Chamberlain have a rich heritage in the Church of God. They were both born and reared in a Church of God parsonage. Their fathers are prominent ministers. Jim is a medical doctor and also an optometrist. Recently God did something in his life that could best be described as life-changing. Would you please give us a brief testimony about it, Jim."

Dr. James Chamberlain: "I have been on the most exhilarating ride in the Holy Ghost ever in my life. In May of this year I was privileged to go with the School of Ministry to Moscow, Russia. There I had the opportunity to minister physically in helping with their eyes and glasses. I did such a very little thing in that. It was so humbling to me to be able to serve these Russian brothers and sisters and then to preach the gospel. I had the opportunity to go to a hospital. First, let me say that on the way over in a plane, God gave me a medical message. I thought I was going to preach on Sunday to a house church, but it was almost insisted upon me to go to the hospital with our brothers. When I got there, there were about 60 doctors and nurses waiting to hear the Word of God. As I began to preach about the woman with the issue of blood, I preached about hope and hopelessness. I told them that there is no hope in medicine, there is no hope in government, there is no hope in money or in rubles, but that there is hope in Jesus Christ the risen Lord and Savior. Jesus Christ, and this thing that has happened to me now, has changed my life, my wife's life, and the lives of my two children as nothing else

has done since salvation and the call of ministry. I give God the glory."

Overseer Vest: "Would you join in giving God the glory! Praise the Lord! One more time give the Lord a round of applause." (Audience applause and praises to God.)

"What Jim was unable to tell you was that he knew the Church of God had sent Bibles to Russia, but many of the people couldn't read because they couldn't see; so they distributed eyeglasses.

"Let me say to the pastors who are here tonight: Pastors, our people have a story to tell. I don't know about you, but I really miss the old testimony time when we could all stand up and tell what God was doing in our own lives. We need once again to start telling the story, so our children can hear that we are living in a day when miracles still happen.

"Thank you so very much! I wish I could go throughout the audience [interviewing people], because I know there are hundreds of stories to tell.

"In closing this message tonight, I want to move to one final thing. I want to share with you what God is going to do in the future because we are able to obey the Holy Ghost. Some of us remember that many years ago the Church of God attempted to minister to the inner cities, and we started ministering in New York City. God gave us a great ministry." (Related video begins.)

"Right now we are seeing something happen in this nation that is unparalleled. Only a few months ago, it was like a bulletin from a war zone when the words and images came flying out of a city that was going up in flames and smoke. In the city of Los Angeles, the city of angels, whole city blocks were aflame in the spring of 1992 as looters streamed out of the stores with anything they could carry. These were images America hopefully would never see again.

"After years of ignoring the misery of the inner cities, the U.S. shuddered at the bloody wake-up call. In Los Angeles, the toll was grim: 44 dead, over 2,000 injured, and over \$1 billion in charred ruins.

"With the smell of smoke still lingering over the city, the embers of arsonists' fires still glowing, a small group of Christians came together in a little Pentecostal church for its weekly service. The pastor read from Isaiah: 'Judgment is turned away backward, and justice standeth afar off: for truth is fallen in the street, and equity cannot enter' (Isaiah 59:14).

"The Holy Ghost is saying to us in the Church of God that the time has come for us to reach the cities of America. Right now at this General Assembly we are going to pray that God will give us the battle cry. Our battle theme will be **Mission America**.

"We are going to reach the cities of America with the glorious gospel of the Lord Jesus Christ! Once again give the Lord a praise offering as you put your hands together to worship Him." (Audience applause and praises to God.)

"Time will not permit me to tell you all of the things that are taking place. But we are going into the cities, and we are going to minister like we have never ministered before.

"Right now there is a revival taking place in America, folks. Unfortunately, it is a revival of Islamic religion.

"The other day I heard O.T. Jones of the Church of God in Christ say for the first time in the history of America the blacks are leaving Jesus and turning to other religions. We cannot leave our cities to the devil. We cannot leave our cities to the false religions of the world. We must plant the Rose of Sharon even in the cities of America.

"There are some other battle themes the Lord has laid upon the hearts of all of the department leaders and Executive Council. Our battle themes include **Havana Harvest: The Newly Opening Door**.

"God is going to open the door to Havana, Cuba, for the gospel of Jesus Christ.

"Not only is the door going to be opened in Havana but also to **Mexico City—Reaping the Ripened Harvest**.

"I am going to tell you something tonight that I believe God has laid on my heart. The devil has fought me so very hard about saying this, but I prayed just before I came to this meeting tonight; and the Holy Spirit once again confirmed in my heart that He is going to open the door of China for the gospel of Jesus Christ.

"A few years ago, in fact, two years ago, when it was predicted that God was going to open the door to the Soviet Union, we could hardly believe it. I am announcing tonight at this General Assembly that the theme for China is going to be **China Call: Time Is Running Out (July 1, 1997)**.

"We are going to reach the people there with a positive message of the Lord Jesus Christ. Just a few hours ago we received some videos from inside Red China. Though it isn't possible for me to divulge too much information at this moment, I can tell you that the word we have received from mainland China is that church revival is taking place; and there are 50,000 souls a day coming to Jesus Christ in the People's Republic of China.

"We are believing tonight that God is going to empower the Church of God to once again go behind the doors where no one else has been able to go.

"When I was president of Lee College, I had the opportunity of having in our home the president of Honan University; and right now we have been invited to visit the Province of Honan, where

revival is taking place. By the next General Assembly I believe we are going to have brothers and sisters from the People's Republic of China sitting right down here beside our Russian brothers."

(A message in tongues was given and interpreted as follows.)

*Don't be afraid, says the Lord. I am with you, and I will prepare the way for you, and I will go before you, and you shall see that I am the Lord and that My power is not shortened, that I am able to do what I have said. Obey Me and you will see the hand of God in your midst, saith the Lord.*

"I want you to reach over and take the hand of the person beside you. I am asking all of the people in the Church of God to take note of this moment. The Church of God General Assembly is going to pray for God to open the door to China for the gospel. I am believing that God is going to hear and answer prayer from this congregation tonight.

"Reach out right now and take the hand of the person sitting on either side of you, and would you pray for the Holy Spirit right now. Just do it, please—right out of your heart; I want you to pray; I want you to pray; I want you to pray right out of your heart; I want you to pray, 'God, open the door.'"

(The audience joined in earnest prayer with the overseer leading.)

"In the name of the Father, Son, and Holy Ghost, would You open the door, Lord? Would You open the door? Would You open the door? Would You open the door? Glory to His name forever! Glory to His name!

"God, we commit it to You tonight, and we believe that You are going to give us a revival among the Islamic world. We believe, God, that You are going to give us a revival in the inner cities of America. We believe that You are going to give a revival in the People's Republic of China. We are going to believe that, just like You melted the Iron Curtain, You are going to pull down the Bamboo Curtain. We believe, God, that You are going to touch the heart of Fidel Castro, and he is going to let Your people go, and we are going to see revival in Latin America. We are going to see revival in India. We are going to see revival all around the world, in the name of the Father, Son, and Holy Ghost. I pray in Jesus' name, in Jesus' name!

"Folks, this is it! What we've been preaching about, what we've been singing about and talking about for a long time is about to happen. Jesus is coming soon! Jesus is coming soon!

"Could I ask you pastors and evangelists, please don't stop

preaching that Jesus is coming. So many of our young people haven't heard in such a long time a message about the coming of the Lord, but the Lord has laid on my heart to say to you tonight in this General Assembly that once again we are to remind the Church of God that Jesus is coming back to this earth again.

"What did He say? 'When they shall say, Peace and safety; then sudden destruction cometh upon them' (1 Thessalonians 5:3). Then what does He say? Get ready because the coming of the Lord is at hand.

"What we do for Jesus, we must do in a hurry. What we do for Jesus, we have got to do soon.

"I have prayed and asked God to let the offering at the close of this opening night of our General Assembly be one of the largest offerings we have ever had. The ministries I have mentioned tonight are **Ministering to the Inner Cities of America, the China Call, and Mission Moscow.**

"We were able to purchase a building just a few days ago, and we will be establishing works in Moscow with our brothers and sisters in the former Soviet Union.

"None of this has been funded, and I ask God tonight to help us to establish a war chest. The Holy Ghost has laid on our heart to establish a strike force that is going into these inner cities. We are going to find a way to minister. The people are saying, 'Let's move out. Let's go to suburbia.' But right there in the inner cities are people who are dying and going to hell, and God is not oblivious to them. God is going to help us to be able to minister to the inner cities. God is going to help us to be able to minister to people that nobody else has been able to minister to.

"I am going to ask everyone in this building to join with me tonight. We have not received an offering so far in this service. We have waited until now because I believe God is going to lay on the hearts of men and women—I believe God is going to lay on your hearts—to help us as a church to minister to the hurts of people in the cities of America.

"We will be receiving a World Missions offering later this week; and, Brother Cary, I believe it will be the largest World Missions offering we have ever seen.

"But tonight, tonight, we need to receive an offering for **Mission America.** We need to receive an offering to reach the hurting people of the inner cities.

"I am going to ask you to do two things. First, give yourselves to the Lord to be used in an unusual way. Second, I ask you to give in a special offering, that God will help us to build a war chest to be able to minister to the people of the inner cities of America.

"Right now while our musicians play softly for a moment and we prepare for a song, I am going to ask you to stand. Please, nobody leave. I am going to ask everyone in this building who would say, 'Brother Vest, I am willing to give myself; I'm willing to obey the Lord—to be whatever the Lord wants' to consider giving your best to God tonight.

"Will you consider giving to God the largest bill you have with you tonight? And if you don't have as large a bill as you would like to give in this offering, would you write your check in the largest amount you can?

"As you write your check right now, or take your cash offering in hand right now, let's pray together that the Lord of the harvest will multiply your offering to help us reap a mighty harvest in the days just prior to our Lord's return!

"In the name of Jesus, let us go beyond the open door!"

(After the offering, Overseer Vest asked the congregation to pray God to send laborers into the harvest. Standing, with hands joined together and lifted to God, the whole congregation prayed.)

### Conclusion of Service

The worship service was adjourned with concert prayer, led by Assistant Overseer Robert White, who asked the congregation to lay their hands on one another and pray God's blessing on one another.

Dr. Delton Alford again led the congregation in singing "To God Be the Glory" as they were dismissed.

## GENERAL ASSEMBLY WORSHIP SERVICE

Tuesday, August 11, 1992, 7 p.m.

A musical prelude and call to worship was provided by Ramon Cabrales of Mexico City and Yeon Sang Han of Korea. The processional was an instrumental presentation of "To God Be the Glory," by the Assembly orchestra.

### Welcome

Dr. Robert E. Fisher, assistant general overseer and moderator of the service, welcomed the audience and gave a call to worship.

### Scripture Reading and Prayer

Arlene Miller asked the congregation to stand for the reading of the Word—the passage in 2 Timothy 1:6-12.

Henry van der Vent, secretary general of the United Assemblies, Full Gospel Church of God in South Africa, came forward to lead in

prayer. He prayed earnestly, as the congregation joined their spirits with his in prayer.

### **Congregational Singing**

Dr. David Horton, as he came to lead the congregational singing, invited the congregation to praise the Lord. They responded with applause and vocal praises to God. He then led the congregation in singing "Bless the Name of Jesus," "When We All Get to Heaven," "Oh, Magnify the Lord," "Hosanna," and "We Exalt Thee, O Lord."

(The congregational singing was enthusiastic, the people standing, clapping their hands joyously to the Lord. On the last song the congregation assumed a subdued attitude of worship, with hands uplifted, as they prolonged the singing of "We Exalt Thee.")

### **Memorial Service**

Dr. Robert E. Fisher, as he returned to the podium, encouraged the congregation to continue praising the Lord. Then, before being seated, he asked the members of the congregation to greet and bless one another in the name of the Lord.

Fisher announced that the memorial service for ministers deceased since the last Assembly would proceed. All the family members of the deceased were seated in a central section of the arena near the stage. Fisher asked the family members to stand. The rest of the congregation honored them with appreciative and sympathetic applause.

Then began a video titled "Their Works Follow Them," based on the scripture in Revelation 14:13. As the congregation viewed the video, tears of sorrow, mingled with gratitude and joy, were shed by many as they observed the names of their loved ones scrolled in an upward roll that faded into the heavens. As the last name disappeared, a numerical listing of the spiritual results of their ministry ascended into the clouds. It was an emotion-packed presentation, combining a visual and special music by Geron Davis and the Alexandria, Louisiana, Sanctuary Chorale.

### **Offering for Spiritcare Ministry**

The memorial service ended, Dr. Paul L. Walker came to the podium to receive the offering. Quoting from the passage in Hebrews 12:1, 3, Walker called on the congregation to stand and praise the Lord with uplifted hands. After a time of praising the Lord, he led the congregation in singing "We Are Standing on Holy Ground" and "Emmanuel." Then he invited the congregation to "praise the Lord one more time" before being seated.

Before receiving the offering for the **Spiritcare** ministry, Walker gave a moving introduction to this ministry and the services it will provide for retired ministers, their spouses, and ministers' widows. Also, he explained that the intent of **Spiritcare** is to develop ways and means of redeploying a volunteer army of seasoned veterans (retired ministers) back to the front lines of spiritual warfare. The evening offering was taken to assist in launching this special ministry.

### **General Assembly Cabinet**

Dr. Robert E. Fisher, who himself served as liaison to the Executive Committee on the General Assembly Cabinet, introduced the other members of the cabinet and their areas of responsibility in planning for and conducting the 64th General Assembly. They were as follows: Michael L. Baker, director; Hoyt E. Stone, codirector; Lewis J. Willis, public relations/housing; John D. Childers, convention center; Julian B. Robinson, General Council; J. David Stephens, worship services; Gerald W. Redman, registration/credentials; Michael L. Baker, communications.

### **Special Singing**

The congregation continued in worship with special singing: Bill Leonard, "Amazing Grace"; The Calling, "Jesus Will Make a Way"; Andrea Dismukes, "He Touched Me"; the Riverhills (Tampa, Florida) Sanctuary Choir, "Take It to Jesus," "Blessed Be the Name of the Lord," and "Jesus Christ, the One and Only."

(The congregation responded to the special singing, at various times, with applause, spontaneous clapping in rhythm with the music, singing along, and loud vocal praises to God.)

### **Introduction of Speaker**

Dr. Fisher introduced the speaker for the evening, Dr. Joseph E. Jackson, whose theme was "The Laborer and His Call."

### **The Word Proclaimed**

After reading his text from Isaiah 43:1, 2 and leading the congregation in prayer, Dr. Jackson began by calling attention to the perils of contemporary life but asserting that "God is still in control, and God is still calling people to serve Him." Throughout the sermon, Jackson's words were clear and forceful, his manner demonstrative as he walked about near the podium. He went on to say that those who are willing to sacrifice to answer the call of God have power with God.

The preacher challenged his hearers to "get alone with God,

where He can call you." He used Moses as an example, saying, "God is calling you to get ready to reap the harvest. . . . He does not call you to do anything He cannot handle. . . . Go in the name of the Lord! He is with you! . . . Trust in the Lord!

"God is still calling. We need to listen to the call of the Lord. . . . No matter who you are, God can pick you up, He can clean you up, He can call you. . . . The greatest need of the church today is for dedicated, consecrated people filled with the Holy Spirit."

Frequently, as Jackson preached, the congregation responded to the sermon with amens, loud praises to God, applause, and hands uplifted in worship. Near the end of the sermon, a message was given by tongues and interpretation as follows:

*I say unto you, I am the Lord thy God—the God of Moses, of Abraham, and of Elijah. I have called you, I have ordained you, and I have raised you up for this hour. The fields are white unto harvest, and the laborers are few. But I, the Lord of the harvest, will send forth laborers, saith the Lord.*

The congregation responded to the message by means of tongues and interpretation with loud praises to God. Jackson encouraged the congregation to worship the Lord, saying, "Come and lift up Jesus." Soon the whole congregation was standing, hands uplifted in worship, praying and praising God.

Jackson invited any who felt their need of God's help to come forward for prayer. When a large number of people had gathered in front of the stage for prayer, he prayed for them and led them in prayer.

### Conclusion of Service

The service concluded with many still praying in front of the stage and the congregation singing "I Surrender All," "I Am Thine, O Lord," and "At the Cross."

**GENERAL ASSEMBLY WORSHIP SERVICE****Wednesday, August 12, 1992, 7 p.m.**

In the preservice call to worship, Lemuel Miller, of Florida, sang, "He Is Worthy of All Praise," "I Need Thee Every Hour," and "He Is Here." Elizabeth Giron, of Portugal, sang "Holy of Holies" both in English and in her native language.

For the processional on stage, the instrumental music (by the Assembly orchestra, SpiritSound) was "I Will Bless Thee, O Lord," and "To God Be the Glory," which was also the opening theme song.

**Welcome**

Dr. Gene D. Rice, general secretary-treasurer and moderator of the service, welcomed the congregation and called on them to "give the Lord a praise." The audience responded with loud applause.

**Scripture Reading and Prayer**

The congregation stood for Scripture reading by Jim Bolin, who read Psalm 63:1-5. Prayer requests were given for Fay Cantrell, who had had quadruple bypass heart surgery, and for Stanley Vickers, who had suffered a stroke. Prayer was led by Andre Weber of France. As Weber prayed in his native French, the congregation listened quietly. At the conclusion of the prayer, there was a spontaneous outburst of applause in praise to God, as if it were the congregation's hearty amen to Weber's prayer.

**Congregational Singing**

The congregation, led by Devin Stephenson, sang "Celebrate Jesus," "Bless That Wonderful Name," and "O For a Thousand Tongues." As the congregation sang, at times they also clapped their hands in rhythm with the music or praised the Lord with uplifted hands.

**Worship in Giving**

After reading the passage in 2 Kings 4:1-7 and commenting briefly on the passage, W.A. Davis asked the congregation to give a love offering for the Lord. The congregation stood for prayer. While the offering was received, the SpiritSound Orchestra played "Just a Closer Walk."

**Introduction of Special Guests**

General Overseer R. Lamar Vest came to the podium to introduce some 150 church planters seated in a reserved section in the

front center section of the arena. He stated that for the past two years a new church has been planted every other day and that next Assembly period they are hoping to plant a church a day. Dr. Vest asked the church planters to stand, and they were given a standing ovation by the congregation.

Dr. Vest introduced the following special guests from sister Pentecostal denominations: Ronald and Judy Libby, pastors of the Charleston Pentecostal Church in Maine; Dr. Bebe Patton, president of Evangelical Church of America and president emeritus of Patton College; Dr. Gary Moncher, vice president of Patton College; Dr. and Mrs. James D. Gee, general superintendent of the Pentecostal Church of God.

Dr. Vest announced that the Reverend Billy Murray, general overseer of the Church of God of Prophecy, was on the way to the Assembly but had not arrived yet.

Bishop B.E. Underwood, general superintendent of the Pentecostal Holiness Church and president of the Pentecostal Fellowship of North America, was asked to greet the congregation.

(The audience welcomed each of the guests with warm applause.)

### Worship in Song

Dr. Delton Alford introduced the Jubilation Festival Choir, composed of members attending the Assembly from 15 states and two foreign countries. They sang "Lord, You're Worthy," "Joy to the World" (with Lemuel Miller), and "He Has Not Changed" (with Judy Jacobs and Devin Stephenson).

Judy Jacobs sang "Let's Have a Revival," and Darin Scott and Soul'd Out sang "Arise, My Love."

The audience responded to all the special singing with enthusiastic worship of the Lord—standing, clapping in rhythm with the music, and with applause.

### Introduction of Speaker

After the special songs, Dr. Gene D. Rice returned to the podium and stated that 55 people present in this service had found the Lord as their Savior this week in New Orleans as a result of street witnessing teams. Seated together in the balcony, he had them to stand. The congregation rejoiced with loud applause for their salvation.

Brother Rice introduced the speaker and his wife, Pastor and Mrs. Tony D. Scott, of the Cathedral of Praise Church of God in Toledo, Ohio. He stated that Pastor Scott's church has grown from 100 to 1,500 in the 18 years he has been the pastor.

(As Scott came to the podium, he was welcomed with warm

applause from the audience.)

### The Word Proclaimed

Pastor Scott announced that his assigned subject was "The Laborer and His Vision." He asked the congregation to stand and turn to Hebrews 10:32-39, which he read. He then led the congregation in prayer.

Scott began his message standing behind the pulpit, speaking conversationally. But as his preaching continued, he warmed to an evangelistic fervor, moving easily from behind the pulpit, first to one side and then the other. He spoke clearly and used numerous scriptures and personal anecdotes to reinforce his message. He spoke of four stages of the laborer's vision:

1. Perception (awareness, illumination) to see as God wants us to see what we are to be and do.
2. Perfection (the vision being perfected). In this stage of vision Satan will come against the laborer with trials, temptations, and mental attacks—all to keep the laborer and his vision from coming to completion. (Under this division of his sermon, Scott spoke at length about the spiritual warfare of the believer.)

At this point in the sermon, there was a message in tongues from the audience, interpreted by Scott as follows:

*Know this, saith the Lord, it is by My Spirit that you shall prevail. Look not to the right; the enemy that is on your right shall disappear before your very eyes. Look not to the left, for I say unto you I will send angels to take care of the enemy. But feast your eyes on Me, saith the Lord. I am the Great I Am. I am the all-sufficient God, and My grace is sufficient for you tonight.*

Scott resumed preaching about spiritual warfare and resisting the devil. Then came another message in tongues from the audience, which Scott interpreted as follows:

*You have become weary, and you have said of Me, "Where is the God of strength and power and glory?" I say unto thee, I am a God who moves by His Spirit, and My Spirit is resident within you. Therefore, saith the Lord, you need not wait on Me; I am waiting on you. Arise, My church, in the power of*

*the name of My Son, and I will show you victory that you have not yet seen, saith the Lord.*

(Many people standing, hands uplifted, praising the Lord, speaking in tongues.)

Throughout his message, and especially as he neared the conclusion, Scott's sermon was affirmed and approved by the audience as they applauded and shouted amens.

At the close of his sermon, Scott spoke briefly about the remaining two points of his message on the laborer's vision:

3. Performance (putting the vision into action, making it a reality)
4. Perpetuation (not losing the vision, maintaining it indefinitely as God wills)

For the invitation, Pastor Scott asked all ministers and their wives 60 years of age and above to come forward and face the congregation. He then asked ministers and wives of 35 years of age and under to come forward and stand in front of the older ministers and wives. He then asked the older ministers and wives to pray for the younger ministers and wives.

The congregation joined in the prayer while the musical instruments played "Surely the Presence of the Lord Is in This Place," "Praise, Praise," and "We Are Standing in His Presence."

### Conclusion of the Service

General Overseer Vest came to the podium and said, "We have heard from God tonight. . . . Give the Lord a praise offering." The congregation responded with applause and vocal praises to God. Vest then prayed the dismissal prayer.

## WORLD MISSIONS WORSHIP SERVICE

Thursday, August 13, 1992, 7 p.m.

The theme for the World Missions service was "Laborers Together Around the World: Look What God Is Doing."

While missionary delegates were entering the arena to be seated in two front center sections of seats, Danny Murray led the Assembly in singing "Thy Lovingkindness," "I Love You, Lord," "I Exalt Thee," "We Have Come Into His House," and "Sweet, Sweet Spirit."

While missionary delegates continued to enter the arena to be seated, the SpiritSound Orchestra, led by Mark Bailey, played "To

God Be the Glory," "We've a Story to Tell to the Nations," "Send the Light," and "I Love to Tell the Story." (Loud applause signaled the audience's appreciation for the music.)

### Greeting and Welcome

Roland Vaughan, newly nominated director of World Missions, greeted the congregation and welcomed all to the 64th General Assembly World Missions service. He stated that delegates from 117 countries, representing some 2 million Church of God members (outside the U.S. and Canada) would be participating in this special service. He reported that it took Church of God World Missions 75 years to gain its first 1 million members, but the the second million had been gained in only six years. He attributed this amazing growth to God-called, dedicated laborers in the harvest. (The congregation gave a hearty applause and praises to God for His bountiful blessings.)

Vaughan then said to the audience, "Stand with me, and let us pray together. . . . We want to give this service into the hands of the Lord, and pray for these missionaries, and for those on the field, and for the Lord to send forth laborers into the harvest." With Vaughan leading, the congregation prayed in one accord.

### Special Presentation: Children

The Lee Singers, under the direction of Dr. Walter Mauldin, and New Harvest, under the direction of Danny Murray, sang "Look What God Is Doing!" the theme song for the World Missions service. Carl H. Richardson introduced the missionaries' children, who marched in, waving flags and singing "Jesus Loves the Little Children." This activity was accompanied by a video showing Church of God children around the world. (An enthusiastic applause was elicited from the audience.) Richardson then invited as many of the congregation as could to come to where the missionaries were seated and lay hands on them and their children and offer prayer for them. Many did this, while the whole congregation engaged in concert prayer. Afterward, as the missionary families marched out of the arena to a backstage area, the congregation joined in singing "Someone Is Praying for You."

### Video Vignettes

As missionaries from various parts of the world reentered the arena, video vignettes were shown and individuals from those areas were introduced on stage, all under the theme of "Look What God Is Doing." The video vignettes were presented as follows.

*Nicaragua: Look What God Is Doing!* The story of Church of God pastor Pedro Pablo Castillo: Imprisoned by the communists in Nicaragua, Brother Castillo witnessed to and won fellow prisoners to the Lord, resulting in the establishment of nine churches with some 1,200 members. Released from prison in 1985, Castillo is now the overseer of the Church of God in Nicaragua. Brother Castillo and his wife were introduced on stage.

As missionaries from Latin America and the Caribbean marched back into the arena, other Latin American leaders came on stage: W.D. Alton, superintendent of Central America and Mexico; Jose Minay, superintendent of South America; Luke R. Summers, superintendent of the Caribbean.

*Indonesia and Korea: Look What God Is Doing!* The story of Alex Tanusaputra, pastor of the world's largest local Church of God, Surabaya, Indonesia: This church, which began in a small garage in 1978 under the leadership of Pastor Tanusaputra, now has a membership of 35,000 and has mothered 60 congregations.

Next came the story of Yung-Chul Han, founder of the first Church of God in Korea (in Seoul). At one point he offered to sacrifice one of his eyes for the sake of his church but was spared this loss by the amazing intervention and providence of God. Today he is the overseer of the Church of God in Korea.

Pastor Tanusaputra and his wife and Pastor Han and his wife were introduced on stage. As missionaries from the Far East and Oceania reentered the arena, Robert Seyda, superintendent of the Far East and Oceania, and other missionary leaders from that area were spotlighted on stage.

Phil Driscoll, trumpeter, presented music of exaltation and worship consisting of "I Exalt Thee," "Holy, Holy, Holy," and "Hallelujah." Following the musical presentation by Phil Driscoll, two more video vignettes were shown.

*South Africa and Angola: Look What God Is Doing!* This video vignette told the story of missionaries Edmund and Pearl Stark and Dick and Molly Roberts in Angola. The Roberts were introduced on stage. Then, as missionaries from Africa reentered the arena, there came on stage the Reverend and Mrs. Horace Spragg, superintendent of North and Central Africa; Peter G. Hudson, moderator of the Irene Association of the Full Gospel Church of God in South Africa; and Henry van der Vent, secretary general of the United Assemblies—Full Gospel Church of God in South Africa. A small ensemble from the Lee Singers sang "There Is a Hope."

*Bulgaria and Russia: Look What God Is Doing!* This vignette was focused on the ministries of Pastor Pavel Ignatov of Bulgaria and Pastors Victor Belykh and Ivan Fedotov of the former Soviet Union.

These were stories of triumph over 25 years of persecution through faithfulness to God. Spotlights on the stage with these brethren (and the wife and daughter of Pavel Ignatov) was Walter Bagrin, Russian interpreter; Lambert and Mary DeLong, superintendent of Europe and the Middle East; Douglas and Wanda LeRoy, superintendent of Europe and the United Kingdom; while missionaries from throughout Eurasia reentered the arena.

Carl Richardson read the scriptures in Revelation 21:1-4 and Matthew 25:21, then commented briefly.

Kevin Kelly sang "These Are They." People bearing beautiful banners of praise to God formed processions in all aisles on the main floor of the arena. This was followed with a visual display, using the video screens, lighting, and pantomime to represent the resurrected Lord, which had a dramatic effect on the congregation. The congregation responded with many loud praises to God, standing with hands lifted in worship, and applause.

### Worship in Giving

Dr. Lovell R. Cary, director of World Missions, appealed to the congregation for a World Missions Offering. He spoke at some length about missionaries being motivated by love, of having one message (Jesus Christ) and one goal (to reach people with the gospel). He told of some of the pressing missions needs around the world and asked the delegates to respond generously. He then offered prayer, asking God to help everyone present to respond with an offering according to His will.

While the offering was received, Antonino Bonilla played the guitar and sang "Thank You for Giving to the Lord."

### Dismissal

For the dismissal prayer, General Overseer Lamar Vest requested that all the missionaries seated down front, stand, turn around, and face the congregation. He then asked the congregation to stand, stretch forth their hands, and pray in concert for the missionaries, also to pray that God will send forth laborers into the harvest.

After this prayer, Overseer Vest said, "Give the Lord one more praise offering with your hands." There was hearty applause to the Lord from the congregation. Finally, Vest invited all the pastors present to come to where the missionaries were and get acquainted with them.

The service concluded, and the people began to depart as the musicians and singers continued with "Look What God Is Doing."

**GENERAL ASSEMBLY WORSHIP SERVICE****Friday, August 14, 1992, 7 p.m.**

Preservice activities began at 6:45 p.m. with a musical call to worship. Dr. Lonnie McCalister was the minister of music for the service.

The Deaf Ministry Choir from Woodruff, South Carolina, employed pantomime to act out the message of the song "Praise the Lord" while singing the words. Six figures clothed in black capes and hoods circled Brenda Shealy, who was standing on a platform in the center and represented "good." The figures in black represented "evil." The evil figures were driven away at the end of the song, coinciding with the words "For the chains that seem to bind you serve only to remind you they'll fall powerless behind you when you praise Him."

Lesley Robles, 10 years of age, from Chicago, Illinois, sang "His Eye Is on the Sparrow." She sang a small portion of the song in Spanish.

For the processional on stage, the SpiritSound Orchestra played "You Won't Leave Here Like You Came."

**Letter From the President of the United States**

General Overseer R. Lamar Vest read a letter which had been faxed to him from President George Bush:

*I am delighted to send greetings to all those who are gathered in New Orleans, Louisiana, for the 64th General Assembly of the Church of God. Special greetings to General Overseer Dr. R. Lamar Vest, who has done so much good work for the church.*

*During the past 106 years, members of your church have played a significant role in preserving our nation's moral and spiritual heritage—thereby enriching its civic life as well. By sharing your faith in the teachings of the Bible and by striving to live in accordance with them, you set worthy examples of personal responsibility and virtue. By reaching out to serve others, you also help to make ours a more just and caring society. Of particular note today are your efforts to affirm traditional family values, to serve disadvantaged persons in our inner cities, and to send Bibles and humanitarian aid to peoples in Eastern Europe.*

*Through such advocacy you do what government alone cannot do: you reach out directly and attempt to fill the human need in our midst. As a result, your efforts complement those of this administration. Through the establishment of enterprise zones and through measures such as America 2000, Job Training 2000, and*

*our "Weed and Seed" anti-drug initiative, we are working to empower individuals with knowledge, opportunity, and hope. Similarly, our commitment to aid the Commonwealth of Independent States through the Freedom Support Act is reinforced by your private voluntary efforts in behalf of the former Soviet states. I salute you for your dedication to your church and for your selfless work.*

*Barbara joins me in sending best wishes for a productive Assembly.*

*George Bush*

(The audience responded with enthusiastic applause of appreciation for the letter from the president.)

The opening theme, "To God Be the Glory," was played by the orchestra.

### Welcome

Dr. John D. Nichols, assistant general overseer and moderator of the service, welcomed the congregation and informed them that this was "youth emphasis night." He asked each person to turn to someone and say, "You are as young as you will ever be in this life, so enjoy this day."

### Scripture and Prayer

Kathy Hamon quoted the words of 1 John 3:2, 3 and several other related passages of Scripture.

Mark Abbott came to the podium to lead in prayer. He said, "We should pray for our young people on this special youth night. Pray that God will send His Holy Spirit and baptize our young people." He asked the congregation to stand and pray with him in concert.

### Worship in Song

Dr. Lonnie McCalister led the congregation in singing the following choruses: "What a Mighty God We Serve," "Thou Art Worthy," "Bless the Lord, O My Soul," and "How Great Thou Art."

### Worship in Giving

Paul Henson came to the podium to receive the offering. He said, "Thank God for traveling mercies." (Applause.) "Thank God for our young people." (Applause.) "Youth can be the best time of life, if they invest it and not just spend it." Henson then announced that the offering last evening for World Missions was more than \$300,000 in cash and pledges. He said, "Worship the Lord in your giving this evening." He then prayed for God's blessing upon the congregation and their offering. The orchestra played "Amazing Grace" while the offering was received.

### Special Singing

Mark Roberson, from Maryland, sang "All Creation Sings His Praises." New Harvest, from Tennessee, sang "Amen," and a 700-voice mass youth choir, made up of young people attending the Assembly, led by Danny Murray, sang "Hallelujah." Michael English sang "At the Midnight Cry," accompanied by the mass youth choir.

(The congregation responded to the special singing with praises to God, applause, clapping in rhythm with the music, and many by standing with uplifted hands, worshipping God.)

As moderator Nichols returned to the podium, he said to the congregation, "Let's give the Lord a praise offering for our young people." (There was loud applause.)

Brother Nichols recognized renowned German evangelist to Africa, Reinhard Bonnke, who was seated on the stage, and welcomed him to the General Assembly.

### Prayer for Pastors

Brother Nichols asked all pastors in the congregation to stand, while Al Taylor spoke about Prayerforce's emphasis on praying for pastors. Taylor said that all church members are being asked to pray daily for their pastors, and a prayer guide card has been prepared for this purpose (available to the congregation). He likened the strategy of Satan to that of Andrew Jackson in the battle for New Orleans in 1814—that of taking out the leaders to conquer. Taylor stated that pastors are under attack from Satan and need the prayers of God's people.

### Introduction of Speaker

Assistant Overseer Nichols introduced the speaker, Kenneth E. Hall, pastor of Coastal Cathedral Church of God in Savannah, Georgia. Nichols remarked about Hall's service to the church and remembered Hall's deceased father, who was also a minister in the Church of God.

After some reminiscence about his late father, Kenneth Hall led the congregation in singing the chorus "Lord, Prepare Me to Be a Sanctuary."

After the song there was a message in tongues and the interpretation as follows:

*I [the Lord] have prepared you to see My will. I have spoken to you through My Word and by My Spirit to confirm within you the understanding that I am calling you to the har-*

*vest. Look unto Me. Let My Word live in you. Rise up in the power of the Spirit. Go forth in My name, and I will show you great and mighty things, for I am your God and you are My people.*

### Proclaiming the Word

Brother Hall read the passage in Daniel 3:16-18 as his Scripture text. His assigned topic was "The Character of the Laborer in the Harvest." He began by saying that we live in a day of facade—we are masters of disguise, playing the role of life. He further stated that Shadrach, Meshach, and Abednego were just themselves; they knew who they were, they knew what they had, and they knew where they were going.

The four main points of his message were

1. Depth of Character
2. Exhibition of Character
3. Courage of Character
4. Product of Character

The speaker walked about easily on the stage, communicating at times in a relaxed conversational tone, at other times loudly, fervently, and demonstratively. The congregation listened attentively and responded frequently with amens, praises to God, and applause, to show their agreement with the words of the preacher.

Brother Hall urged the young people to develop depth of character through commitment to the Word of God and life in the Holy Spirit. He said that such commitment would result in spiritual cleansing and purity of life—the exhibition of Christian character.

He challenged young people to have the courage of character by knowing what they believe and holding to their convictions with trust in God, as did the three young Hebrews in the biblical text.

As Hall continued preaching with great fervor, but speaking clearly, emphasizing the importance of courage based on the power of the resurrected Lord, his message had a powerful effect upon the audience. Many began standing, praising God with hands uplifted. Some began dancing and running under the influence of the Holy Spirit. Soon the whole congregation was standing, worshiping God with great volume.

When the congregation had quieted some, but with all still standing, Hall continued, emphasizing that the product of character is victory. At this point there was a message in tongues; and the interpretation, in summary, was as follows:

*Behold, I [the Lord] say unto you, My child, think it not strange when you are tried as by fire, for you shall come forth—yes, you shall stand—as gold.*

Brother Hall invited all young people to come forward for prayer, while the congregation sang "I Surrender All." Many hundreds of young people came and stood in front of the stage and far back into the aisles. Hall asked the congregation to stretch their hands toward the young people and pray for them. After the prayer for them, the young people continued in prayer, while the congregation sang "Lord, Prepare Me to Be a Sanctuary" and "Praise the Name of Jesus."

### **Conclusion of the Service**

Assistant Overseer John D. Nichols returned to the podium to conclude the service. He called on the young people who had gathered at the front for prayer to lay hands on one another and pray for one another. He then called Junus C. Fulbright to come to the podium and pray the dismissal.

## **GENERAL ASSEMBLY WORSHIP SERVICE**

**Saturday, August 15, 1992, 10:45 a.m.**

For the call to worship, a singing group from the state of Colorado (Higher Ground Praise) sang a medley of songs about the blood of Jesus.

For the processional to the stage, the SpiritSound Orchestra played "To God Be the Glory."

### **Welcome**

Dr. Robert E. Fisher, the moderator of the service, welcomed everyone to the worship service.

### **Scripture Reading and Prayer**

Rodney Friend, missionary teacher at the Pentecostal Theological Seminary in Bucharest, read Psalm 126. Prayer was offered in Spanish by Lazaro Santana.

### **Congregational Singing**

Steve Black, the minister of music for the worship service, led the congregation in singing "I Will Call Upon the Lord."

### **Lay Ministries Emphasis**

Leonard Albert, director of Lay Ministries, presented a special Lay Ministries emphasis, the announcement of the 1992 Hall of Christian Excellence inductees. As their names were called, they came onto the stage: Isaac Bowman, Harold E. Brown, L. Hugh

Carver, James H. Coker, Daniel W. Duncan, Mike Forbis, Harold Haga, Tom Gilpin, Doyle B. Justice, J.T. Jones, Laverne E. Kinney, David L. Lee, Olin Donald Lee, Esrum Lewis, Jerry C. Mathis, Eddie Nash, George E. Petty, Sr., Ross Smith, Donald L. Syvertsen, Joshua E. Thomas, Louis Ray Travis, and John Schrade, Jr. (John Schrade, Jr., also received the Stephen Award, the highest award for laymen in the Church of God.)

Brother Albert called Dr. Fisher to come to the podium. Then, referring to the inductees standing by, Albert said, "We wish to congratulate and honor these men representing the 2.7 million laypeople of the Church of God." Fisher asked the congregation to stand and congratulate the inductees into the Hall of Christian Excellence. (The audience stood and gave hearty applause for the inductees.)

### **Worship in Giving**

Victor Pagan, overseer of the Western Spanish Church of God, presented the need for the offering. He spoke and prayed in Spanish and his words were translated by Carlos Moran. The music for the offering was by the Morrow Players: "Bless the Lord, O My Soul" and "Oh, Magnify the Lord."

### **Special Singing**

The Pathway Singers sang "You Have Been Faithful to Me." (Applause.) Afterward a male quartet from South Carolina sang "Take It to Jesus." (Applause.)

### **Introduction of Speaker**

Dr. Robert E. Fisher introduced Dr. Paul L. Walker, pastor of the Mount Paran Church of God in Atlanta, Georgia, as the preacher for this service.

Dr. Walker, upon coming to the pulpit, said to the audience, "Let's give the Lord a good praise offering." The audience responded with applause and vocal praises to God. Walker: "Thank God for the music." (Applause.)

### **The Message**

Walker announced his theme—"The Laborer and His Passion."

Since it was nearing noon, Walker felt the need to abbreviate his message and said, "Time is a problem here this morning. . . . You have had enough preaching here this week. . . . The church is made up of people—a ministering body, one to another. We are all on the same side. We are in organic union with Christ. . . . God wants us to mobilize our resources so that we become all that He would have us to be. . . ."

"How did you come into Pentecost? Probably because you saw the manifestation of the power and reality of God." Walker told of how the miraculous healing of his grandmother led the Walker family into Pentecost. He went on to emphasize that Christians must use everything available to them to be the best they can be for God. They should do this to prepare the world for the greatest event—the second coming of Jesus Christ. He said that leadership must "get out of the way" and laypeople must "get in the way" so the church can accomplish its mission.

Brother Walker brought his message to a close by asking the congregation to stand and praise the Lord for every good thing. The congregation stood and worshiped the Lord with applause and vocal praises. Walker led the congregation in singing "He Is Here." Then he asked, "How many of you believe the Bible? One hundred percent do. How many of you trust the Bible? Now, that's another thing." Finally he said, "Let us close this service this morning by praying in groups of two and threes. Pray for one another in groups of not more than five." (The congregation broke up into small groups and began to pray for one another. While they prayed, the musicians played "Emmanuel.") After the prayer time Dr. Robert E. Fisher dismissed the service.

## GENERAL ASSEMBLY WORSHIP SERVICE

Saturday, August 15, 1992, 5 p.m.

Steve Lowery began the call to worship by singing "Arise, Arise." Ferdynand Karel, Polish pastor, played a violin solo titled "The Polish Prayer." For the processional the Assembly orchestra (SpiritSound) played "Alive Forevermore" and "To God Be the Glory," as those to be seated there came to the stage.

### Welcome

Dr. Robert White, assistant general overseer and moderator of the service welcomed the delegates to the evening service.

Brother White informed the audience that the theme for this service would be "The Laborer and His Reward." White reminded the audience of the early days of the Church of God and the outpouring of the Holy Spirit in 1896. He went on to say that the Church of God today is the product (the reward) of the labors of those early days. He said that deliverance ministry had characterized the early days of the Church of God and it still does today.

### Scripture Reading and Prayer

Horace Spragg read a number of scriptures related to the theme for this evening's service: 1 Corinthians 3:8, 9; John 15:16; Luke 14:23; Ephesians 6:8; James 5:20; Daniel 12:3; Matthew 25:23; 2 Timothy 4:8; 1 Peter 5:4; Revelation 22:12.

George Stephens came to the podium to lead the congregation in prayer. He said, "Let's give the Lord a praise." (The audience responded with applause and vocal praises to God.) Then he instructed the members of the congregation to join hands and pray in one accord. This was done with Stephens leading the prayer.

### Congregational Singing

Bill Jones led the congregation in singing "We Will Glorify," "We Bring the Sacrifice of Praise," "Let There Be Glory," and "Because He Lives." (Between each chorus there was applause from the audience, and clapping and praises to God with hands uplifted accompanied the choruses.)

### Worship in Giving

Joe E. Edwards came forward to receive the evening offering. He asked the congregation to give generously and stated, "The Lord has been giving to us all week long. . . . This is our time to express gratitude to the Lord." Following prayer, the offering was received. The SpiritSound Orchestra played "Blessed Is He Who Comes in the Name of the Lord" as the offering was received.

### Special Singing

The New York State Choir sang "Jesus Is All the World to Me" and "Praise the Lord." On the second song the congregation joined in, clapping in time with the music, singing, and praising God. Many in the audience were standing. In response to the congregation, the choir continued singing and clapping for some time. At the conclusion there was prolonged and loud applause from the audience.

Power Unlimited from Cleveland, Tennessee, under the direction of Dr. David Horton, sang "Daniel, Servant of the Lord" and "Revival in the Land." Randy, Debi, and Brandon Kizer, from Texas, sang "We're Children of the Light." The Cartersville (Georgia) Sanctuary Choir sang "The King of Kings" and "I'm Getting Ready to Leave This World." The audience responded to all of these songs with enthusiastic applause, clapping in rhythm with the music, and vocal praises to God.

### Introduction of Speaker

Dr. White returned to the podium to introduce the speaker for the service. He said to the congregation, "Are you Rapture ready? . . . Just worship the Lord!" (Applause.) He then introduced Evangelist Reinhard Bonnke as the preacher for this service. He told of how Bonnke had started his ministry years ago with small evangelistic meetings in Africa. Now, last year (1991), Bonnke preached to 9 million people and led 2 million to Christ.

Dr. White asked the audience, "Do you need a miracle of God tonight? Lift your hands. I believe God will give you a miracle tonight. . . . Would you stand and say to someone near you the name of an unsaved person in your family. Now, pray for those unsaved ones and for the speaker."

### The Word Proclaimed

As Bonnke came to the podium, he was welcomed with warm applause from the audience.

Bonnke began by saying, "God is in this place, and the Holy Spirit is here to move." He expressed appreciation for the invitation to come address the Church of God General Assembly. He stated that the theme, "Laborers for the Harvest," really turned him on. He was complimentary of the preaching, music, and singing he had heard since coming to the Assembly.

Bonnke announced his intention to speak on four subtopics under the theme of "The Laborer and His Reward." Taking his text from Mark 16:15, he would speak on

1. The Great Challenge
2. The Great Commission
3. The Great Enablement
4. The Great Reward.

The speaker began his message standing behind the pulpit, speaking deliberately and slowly, gesturing with his hands. As he went on, his delivery became more fervent. Moving out from behind the pulpit, from one side to the other, he became more demonstrative but continued to speak very articulately.

Bonnke spoke of how when Jesus walked on the water, "Peter challenged Jesus to challenge him." Jesus replied with one word, "Come." Jesus commanded the impossible and made it possible. This is "the Great Challenge," to do the impossible as Christ makes it possible.

Bonnke said that we are responsible to take the gospel to this generation. This is "the Great Commission." He said the task may seem impossible, but Christ makes it possible; and we must preach

the gospel to every person, for "an unpreached gospel is no gospel."

He went on to say that "the Great Enablement" for our evangelistic mission is Pentecost—the power of the Holy Spirit. He reminded the audience that the Church of God was born in the fire of the Holy Spirit. And he said, "Because we were born in the fire of the Holy Spirit, we cannot live in the smoke." We must have the power and fire of Pentecost.

Finally, Bonnke spoke of "the Great Reward," that of seeing souls saved by faith in Jesus Christ. He spoke of the joy he would have at seeing Africa march in through the Pearly Gates. Said he, "The laborers will see the fruit of their labor. . . . But we have got to make it and say, 'Lord, here I am; send me.'" He challenged the Church of God to "move like a mighty army from country to country to possess the land, to inherit the promises of God."

Throughout, the audience was attentive and responsive to the speaker's message. There were frequent applause and amens, as well as loud shouts of praises to God at various points in the speaker's message.

While Bonnke was giving the invitation for people to come forward for prayer, a message in tongues was given. The interpretation was as follows:

*This is a foretaste of what is to come, saith the Lord. I will confirm My Word that is proclaimed through your mouth, saith the Lord, and nations shall hear the glad word through you. This day I have spoken.*

As Bonnke continued the invitation, people poured into the aisles and moved toward the stage for prayer. Bonnke prayed for those who came forward and asked the congregation to join with him in prayer on their behalf. Afterward he asked those present who needed divine healing to raise their hands. He then requested others who stood near the ones needing healing to lay hands on and pray for them.

Bill Jones led the congregation in singing "How Great Thou Art."

### Conclusion of Service

Moderator White returned to the podium and encouraged the delegates to continue worshipping the Lord. In closing he asked that all in the congregation lift their hands in praise to God, in thanksgiving, for what He had done in this service and what He is continuing to do for the church.

**GENERAL ASSEMBLY COMMISSIONING SERVICE****Sunday, August 16, 1992, 9:30 a.m.****Scripture Reading and Prayer**

General Overseer R. Lamar Vest called the service to order, informing the Assembly that the emphasis for the Commissioning Service would be on commissioning laborers for the harvest. He then read the passage in John 4:35-38 and led the congregation in prayer.

**Worship in Song**

Led by Bill Green, the congregation sang "I Will Sing of the Mercies of the Lord Forever," "Rejoice, for the Steps of a Righteous Man Are Ordered of God," and "Thou Art Worthy." As they had done throughout the Assembly, the congregation responded to the congregational singing with applause, clapping to the music, and vocal praises to God. On the last song, the congregation sang in a subdued but deeply worshipful attitude.

**Worship in Giving**

Dr. David S. Bishop reminded the congregation of the many blessings of the Lord received during this Assembly. He also commended the congregation for the way they had responded to the Lord in worship and in giving. He then appealed to the audience to once again be generous in giving. After prayer, the offering was received while Danny Wolfe (from Alabama) played a trumpet solo of "Because He Lives."

**Special Singing**

David Gibson, of Florida, sang "Who Am I?" A group called In Joy, from Arizona, sang a cappella the song "I Go to the Rock." Nadine Blair, of Jamaica, sang "The Champion of Love."

A men's quartet, composed of ministers from South Carolina, sang "Perhaps Today Is the Day." After each song there was energetic applause from the audience.

**Resolution of Appreciation to Lewis J. Willis**

Prior to the Charge to Leadership by the Reverend Dr. Lewis J. Willis, the general overseer asked the Reverend Robert E. Daugherty to read a Resolution of Appreciation to Lewis J. Willis. Following is the text of that resolution:

WHEREAS the Reverend Lewis J. Willis has served the General

Assembly as Director of Public Relations for 20 of the past 22 years; and

WHEREAS his kind and caring disposition has been especially evident in his role as Chairman and Coordinator of Housing and Special Events; and

WHEREAS he always seems to have that special word of consolation and helpfulness, no matter the emergency;

BE IT THEREFORE RESOLVED that this 64th General Assembly of the Church of God expresses special appreciation to Lewis J. Willis for his exemplary service, patience, and Christian example in representing this denomination for two decades.

(The audience responded with standing applause for Willis.)

### **Introduction of Willis to Give Charge**

General Overseer Vest introduced Brother Willis to give the charge to leadership with the following remarks:

"Lewis Willis is a man whom anyone who knows him has at one time or another gone to for counseling or advice. Following this General Assembly, Brother Willis will be moving into a new phase of ministry. As most of you know, he will be assisting us with our newly instituted Spiritcare program, which is a ministry to our retired ministers and their families.

"There is no greater burden on the hearts of the General Executive Committee and the Executive Council than to care for our retired ministers. And so, we have asked this statesman, this man of God, this great leader, who has served this church so well, to head up this program.

"Prior to coming to the General Assembly, I told Brother Willis that if I should be renominated by the General Council to be elected to the office of general overseer, I would like for him to be in charge of the installation of the officials, because I have such love and respect for this man. At this time, Lewis Willis."

### **Charge to Leadership**

Dr. Willis announced that the theme of his charge to leadership would be "A Search for Leaders." He took for his text the passage in Psalm 75:6, 7. He then began his charge by saying, "God and man are constantly searching for leaders in the various areas of Christian service. In the Scripture, God is frequently represented as searching for a man of a certain type. Not men, but a man. Not a group, an individual."

After citing scriptures to verify that God is searching for spiritual leaders, Willis continued, "Both Scripture and the history of the

church attest that when God does discover a man who conforms to His spiritual requirement, who is willing to pay the full price of discipleship, He uses him to the limit, despite his shortcomings."

Willis went on to say, "The supernatural nature of the church demands a leadership which rises above the human. The call is for God-anointed and God-mastered men, if the crucial need is to be met. This leadership must be authoritative, spiritual, and sacrificial." Willis spoke at some length, elaborating on what is meant by authoritative, spiritual, and sacrificial leadership.

Holding up Jesus Christ as the supreme model for spiritual leaders, Willis concluded his charge by saying, "I charge you to stand tall, under God, in your leadership, and lift those whom you lead to higher vistas and challenging heights. Broaden their world and expand their understanding of their calling. Lift them high enough to see all you see and perhaps more."

### Installation of Officials

Having concluded his charge to the leaders of the church, Dr. Willis began the installation of officials of the church.

He stated that the general overseer, other members of the General Executive Committee, and members of the Executive Council would be installed as officials of the church.

First, Willis asked the newly elected members of the Executive Committee, except for the general overseer, to come forward on the stage as he called their names: Dr. Robert White, first assistant general overseer; Dr. John D. Nichols, second assistant general overseer; Dr. Ray H. Hughes, third assistant general overseer; Dr. Robert E. Fisher, general secretary-treasurer. He said of them:

"These men are the counselors and assistants to the general overseer. Each of them will receive a portfolio of ministries, and his specific responsibilities will center in those areas. Together, these men [along with the general overseer] comprise the appointing board and have the responsibility of appointing all overseers and general boards and approving all general appointments. These men will direct the affairs of the church for the next two years. I present you the members of the Executive Committee." (Applause.)

Next, Willis called on the newly elected members of the Executive Council [the Council of Eighteen] to come forward on the stage as he called their names: Paul L. Walker, Carl H. Richardson, Floyd H. Lawhon, Walter P. Atkinson, Tony D. Scott, J. Douglas LeRoy, W.C. Ratchford, Sr., Raymond F. Culpepper, David S. Bishop, Raymond E. Crowley, Paul F. Henson, C.C. Pratt, Yung-Chul Han, Lovell R. Cary, H. Loran Livingston, Larry W. McDaniel, Victor M. Pagan, and Pavel B. Ignatov.

Dr. Willis said, "This Council operates in lieu of the General Council between General Assemblies. They will meet three times each year for discussion and deliberation of the pertinent concerns of the church. These men are those chosen to support the general overseer and his committee with their counsel, wisdom, and experience for the next two years. I present you the Executive Council of the Church of God." (Applause.)

Note: The Executive Council of the Church of God is composed of the Executive Committee and the Council of Eighteen meeting in joint session.

### Installation of General Overseer R. Lamar Vest

As Dr. Willis came to this part of the service, he said, "It is now my deep joy and exceptional privilege to officiate the installation of our general overseer. Will the general overseer, Dr. R. Lamar Vest, and his wife, Iris, please come forward. Ladies and gentlemen, please acknowledge our general overseer." (Standing applause.)

After the audience was seated, Willis continued, "For the next two years, we have chosen the Reverend Dr. R. Lamar Vest to fill the sacred office of general overseer and to lead the church, under God, during these exciting years. Dr. Vest comes to this office splendidly prepared with an impressive background in education, experience, and application. His leadership abilities have been tested and proved at many levels and found to be excellent. More important, he demonstrated earlier, but particularly during these last two years of his general overseership, a spiritual perception, an astute understanding, an indomitable courage, a holy stubbornness, a creative excellence, a servant attitude, and a compassionate understanding as he administered the affairs of the Church of God."

Brother Willis spoke at some length of his personal admiration and appreciation for Dr. Vest. Then he said, "This installation signifies that the ministry and laity of this great church have chosen you from among all ordained ministers of the Church of God to lead them into the deeper things of God. They trust you to guide this church during the coming days of great stress but also of unparalleled opportunity. They trust you because they remember your faithfulness and loyalty to the doctrines and purposes of the church. They remember your insight and sensitivity to people and their problems. They trust you because they remember your deep faith in and dependency upon the Holy Spirit. . . .

"I am pleased to present you this beautiful Bible. It is a symbol of your spiritual leadership. The first guiding principle of the Church of God has always been that 'we believe in the whole Bible rightly divided.' May God help us never to depart from this principle!

"This Bible will not only serve as a true guide in conducting the affairs of this church, but it will also serve as a constant source for your personal consolation and nurture. This Bible, from which you often quote with love and eloquence, will always be the only sufficient anchor for the doctrine, polity, and practice of this church.

"The words of this Bible are the very words of God. They are true, immutable, forever dependable. Heaven and earth may pass away, but this Word will remain. You may depend upon it to lead this church, for it will be a lamp unto your feet and a light unto your path.

"Now I present you this gavel. This gavel is a symbol of your administrative leadership and authority. You will moderate many meetings worldwide. I urge you to remember that you have been accorded this responsibility by the will of your peers and the providence of God. Rule well.

"You will have a special accountability. With this gavel you must rule with all gravity and honor. You must rule in mercy but with justice. You must seek to maintain the unity of the body of the Lord Jesus while seeking to secure the will of Christ for the body. Rule well.

"Let us now gather around our general overseer and his wife for a prayer of dedication. First, the other members of the Executive Committee should lay hands on our general overseer. Second, the members of the Executive Council [Council of Eighteen] should surround the Executive Committee and lay hands upon each of them. Let us pray."

With this, prayer was made for the general overseer and his wife by the other officials and the whole congregation. After the prayer, as General Overseer Vest and his wife stood, there was enthusiastic applause of appreciation from the audience.

### Introduction of General Overseer

Dr. Robert White, first assistant general overseer, introduced General Overseer R. Lamar Vest to give his challenge to the church.

Dr. White commended Brother Vest for the outstanding job he had done in moderating the General Council and the General Assembly. He stated that Dr. Vest is always prepared in every situation, that he represents the denomination well—whether it is to other denominational leaders, to national leaders in other countries, or to leaders of our own country. He expressed appreciation for his vision for this denomination—a vision that transcends tenure limitation—a vision for this church and a love and a commitment to the church. White said that the general overseer, a third-generation Church of God member, gives priority to the welfare of the church. "He was

reared in this church, trained by this church, and nurtured by this church. He was educated by this church, and he is a product of this church family."

Dr. White went on to say that when you know Brother Vest's father, you understand why Lamar and Iris Vest are such outstanding people. He asked Dr. Vest's parents to stand, and then asked an usher to escort them to the platform to be seated. He stated: "It is now a great pleasure and honor to introduce to you a man I love deeply and appreciate so much. I present to you the general overseer of the Church of God, R. Lamar Vest."

### General Overseer's Response

Dr. Vest responded by thanking Brother White for his remarks and the congregation for their expression of love and appreciation. Before giving his address, he spoke of his love and appreciation for "Mom and Pop," for their prayers and support, and for the way they had helped him and Iris to understand and appreciate the Word of God.

Brother Vest then said, "Anybody who knows anything about me will know that Lamar Vest is part of a team. Not only am I part of the General Executive Committee—I love these men and I express deep appreciation for the work of the Committee during the past two years—and I now commit to the new General Executive Committee that I will continue to work to do my very best to build a team effort so that all of us will have an opportunity to make a contribution. Also, to the Executive Council I give that same pledge.

"But when I say that Lamar Vest comes as a member of a team, I am not necessarily talking about the General Executive Committee—although I love these men and count myself a part of this team; nor am I talking about the Executive Council—although I love these men, and I am part of that team. The team I am talking about is Lamar and Iris. We come together. If you get one, you get both.

"I told the Executive Committee when I was elected that the general overseer may only be able to do half as much traveling, since we only have so much budgeted for travel. When I first went to Cleveland, I was told that my wife couldn't travel with me; there was no budget for that. I told the Committee, 'The general overseer may only travel half as much, but wherever I go, if she is able, Iris is going to be with me. I am not going by myself. One, because I need her so very much, and she is such a support. Two, the devil would do anything to lay a trap to destroy any man of God that he can, and I am going to do my very best to never allow myself to be in a place where the devil can lay the trap. This lady is going to be there watching after me.' I would like for Iris to come at this time. I told

her it would be all right for her to say something about the ladies of the church. She and the wives of the members of the General Executive Committee serve as an Advisory Council to the ladies of the church, and she wants to say a word concerning our Ladies Ministries."

### **Remarks of General Overseer's Wife (Appreciation to the Ladies)**

Sister Iris Vest responded with the following remarks:

"1992 is being called by many 'The Year of the Woman.' That may be accurate, but it is difficult for some of us to figure out what that means to women, especially Christian women.

"Is it a year of opportunity? Or is it a year of confusion?

"Is it a year of freedom? Or is it a year of bondage?

"The answers the world is giving to these questions are conflicting and disturbing.

"While we recognize that there are indeed more positive opportunities being given for women in our society than ever before . . . and we celebrate that . . . yet there is another side of the coin.

"We could speak of the AIDS virus spreading more rapidly among females than males, cigarette smoking and lung cancer on the rise among women, poverty abounding among women and children, the increase in the number of female heads of households, the alarming statistics concerning battering and rape. The list on the dark side could go on much longer.

"We could speak of all of these negative and confusing things that affect women around the world today. But we have better things to talk about. We can speak of Church of God women—women of fortitude instead of weakness, women of wisdom rather than foolishness, women who are leaders rather than those being led away. And it is of these women that we prefer to speak.

"We prefer to speak of the likes of the Reverend Zoe Brown, an anointed gospel preacher from Texas, who became the first woman inducted into the Hall of the Prophets of the Church of God School of Theology on October 31, 1992.

"We prefer to speak of Marion Spellman, who gave up her government position 11 years ago to start a ministry to people 'caught in the web of chemical addictions.' Peniel Ministries has served over 1,300 men and women. This Church of God facility enjoys one of the very highest cure rates in the nation. Marion's clients are delivered by the power of God and disciplined by the Peniel staff.

"We prefer to speak of women like Dr. Carolyn Dirksen, who once again spent her summer in the Ukraine and Outer Mongolia

showing teachers how to teach English, using a Bible-based curriculum, much of which she writes.

"We prefer to speak of Denie Heppner, the founder of Gentle Hands Ministries in the Philippines. She and her coworkers deliver babies for impoverished women and provide prenatal and postnatal care.

"We prefer to speak of Sheila McLaughlin, whose Cruse Ministries in Scotland works with bereaved families and people in a variety of crisis situations.

"We prefer to speak of women like my grandmother Nettie Hanvey, who was a dedicated Church of God minister from her teenage years until her death. Early in her life she promised God she would organize a Church of God for every child God gave her. God gave her 13 children. She gave the Church of God 13 of its leading churches in South Carolina.

"We prefer to speak of Margaret Hudson, Shaunnel Herrin, Sister The [Tay] of the Netherlands, and Sister Senduk of Indonesia, who were faithful unto death.

"We prefer to speak of the unnamed thousands of dedicated women who in the past two years have boldly fulfilled their call to ministry in all of the 117 countries of the world where the Church of God ministers. They have gone in the spirit of Matthew 25 to feed and give drink, to house and clothe, to heal and comfort.

"These are the women who, in the spirit of Titus 2, teach sound doctrine to the younger women so that the Word of God is not blasphemed.

"These are women who have developed innovative ministries to meet the unique and ever-changing needs of the '90s while not neglecting the traditional ladies ministries of their mothers and grandmothers.

"During this General Assembly biennium, these Church of God ladies have made over 7,257,308 visits to hospitals, prisons, and rest homes; won 14,802 souls to Christ; and raised \$15,004,399.41 for the benefit of the Kingdom.

"In this day when women of the world are uncertain exactly what they want, where they stand, who they are, or where they want to go, we are very sure of all of these things: We want our husbands to safely trust in us. We want our children to rise up and call us 'blessed.' We stand firmly on the Word of God, the rock upon which the church is founded—Jesus Christ. We are daughters of God, and we are His heirs. We are looking forward to a brilliant future in the new heaven and on the new earth!"

### General Overseer's Closing Address

"When I talked with you two years ago, I spoke of the kind of church I wanted for my children and my grandchildren. Several of

you have reminded me of these statements as I've traveled to your countries, states, or local churches; and Brother Wayne Chambers had the words inscribed on a special plaque to be hung in the general overseer's office, where I see them every day.

"Thus I'm reminded that . . .

"I want to be part of a church that understands and accepts the need for confession and repentance.

"I want my children and grandchildren to be part of a church which is totally given to the daily discipline of prayer and the study of God's Word.

"I want to be a part of a church that honors the past while pressing toward its future.

"I want to be a part of a church that opens its arms to all of God's people.

"We certainly have not attained all of these objectives, although I do believe we have made some outstanding progress; but I am committed to emphasize, to pray for, and to promote these concepts until we have totally arrived.

"This morning I wish to share some concerns I have for our 'movement' as we step into the next two years. When I call the Church of God a 'movement,' it is not coincidental. I do so by purpose and design.

"Frankly, I'm not sure when the Church of God became a denomination. I have no problem with the word *denomination*, and there is certainly nothing wrong with using that word, but I know our foreparents never started out to form a denomination. My grandfather—a retired Church of God preacher in his 90s—still does not refer to this church as a denomination. He always speaks of the 'movement.' He will say, 'That is one of the best preachers in the movement' or 'That is one of the finest churches in the movement.'

"As we approach these next two years, I'd like to highlight for all of us that the Church of God is more than a denomination. It is a movement, a dynamic movement, led by the Holy Spirit. Denominations are not always movements.

"A denomination sometimes focuses on institutionalism; a movement always focuses on personhood. A denomination may become static; a movement is always dynamic. A denomination thrives on records and statistics; a movement draws its strength from the lives of its people, not from its numbers and not from the accolades. A denomination is capable of being bound only to tradition; a movement bows only to God's voice and to the Word of God. Denominations may become satisfied with the status quo; a movement always breaks new ground, charts new courses, and conquers new territory.

"I prefer to be a part of a movement!

"If we are going to be the kind of dynamic movement God has in mind for us, then there are some things to which we must commit ourselves. I have no intention of preaching these items to you today, but I guarantee you're going to be hearing them preached wherever I go during these next two years.

**"[First,] we must have a commitment to pilgrimage.**

"I ask a very poignant question today, a question I want you to ponder and think on these next two years. Have we as a movement lost our sense of pilgrimage? Are we now so comfortable that we see ourselves settling in and settling down beside the world?

"I call the Church of God once again to remember, 'This world is not our home, we're just passing through.'

"Abraham got into his greatest trouble when he became comfortable enough to want to settle down. As the people of God we must never become truly comfortable. Not in this world! We are on a mission . . . under sealed orders . . . this earth and this world is not our home.

**"[Second,] we must have a commitment to sacrificial living.**

"Any true commitment to pilgrimage will also demand a commitment to sacrificial living.

"There are some people in this audience today to whom these words are really not applicable. I recognize the sacrifices you make already for this church and the kingdom of God. Some of you have sacrificed tremendously just to be in this General Assembly. Yet I must point out that we live in a day when materialism has become not only the god of this world but all too often also the god of the church. This is evidenced when we are more interested in our real estate, the size of our structures, and in our possessions than in the mission of ministry.

"I'm calling this church once again to understand that our success will never be in things—never in material possessions. I'm calling this church once again to sacrificial living, to whatever it takes to be what God wants us to be.

"I have an awesome respect for those pioneers of this movement such as my grandfather and my wife's grandmother, people who never asked about pay or fringe benefits but who always asked, 'What are the challenges? What are the opportunities? God, what do You want me to do?' That's the kind of commitment and sacrifice I call for again.

**"[Third,] we must have a commitment to live what we preach.**

"Hear me, brothers and sisters, no movement has ever overcome a failure to live up to its teachings. Neither will the Church of God.

"The world is not looking for mere talk. The world notices and

turns away from inconsistencies. But the world looks for a people who say, 'This is what we believe. This is also how we live.' Doctrinal integrity—the truths of Jesus Christ translated into practical living within the marketplace of life—can change our world.

"In keeping with this, I feel compelled to say we can no longer look the other way when, through gossip and malicious rumors, attempts are made to assassinate the character of a brother or sister in the Lord. God calls us to stand up and defend those who are of like precious faith.

"We plan to do just that. We are not going to be intimidated by threatening telephone calls or anonymous letters. We are on God's side, and righteousness will prevail.

"I tell you, Pastor, it's the same where you live. There are those who would like to spread lies and rumors about you and your people, but I call God to witness today that we are not going to be intimidated by the lies of Satan.

**"[Fourth,] we must have a commitment to world evangelization.**

"I don't know when my heart has been more challenged and warmed than by the message from Reinhard Bonnke last night, a message reminding me once again . . . God has called this church to evangelize the world. We're not competing with other churches. We're not in competition with other Pentecostal movements. God has called us to save the lost from hell. That's the challenge always before us.

"There cannot be any letup, any retraction. We must preach the gospel of salvation to a lost and dying world.

"My prayer today is that the Lord will anoint every preacher, every evangelist, every state overseer, every youth director, every evangelism director, every layperson to be a witness in the harvest.

"As I shared with you Monday night, speaking of Mission America and world-class cities, the devil has too often tricked us into thinking we can't go where the people are. But this church is being mobilized, and we're going to take the gospel to the people. We're not going to be intimidated by the size of the city nor by the evil within it. God is going to help us evangelize this generation.

**"[Fifth,] we must have a commitment to compassion.**

"The Word of God and human decency remind us that we must show love and compassion to all people. There is no place for the sin of prejudice in the Church of God, and there is no way I could ever sit unmoved while any man or woman is mistreated because of gender, race, nationality, or skin pigmentation. God is calling this church to brotherhood, to unity. We are all God's children, redeemed by His only begotten Son, and called into newness of life

through His grace alone.

"The Executive Committee has heard me say many times that plans, themes, ideas, money—these are not our real problem. The problem lies in the heart, in our compassion and our capacity to love others. Godly compassion will work the miracle we need. If we care enough, we will do whatever we have to do to reach this world with the good news of Christ.

"If we care enough, we will show compassion to those about us, to our aged ministers, to the homeless and the hungry, to hurting men and women, boys and girls everywhere.

**"[Sixth,] we must have a commitment to a faithful fight.**

"I think you know—I've said it already in this General Assembly—we're in a spiritual battle, and it's going to get worse because we've declared war on Satan.

"If you don't think we are in a spiritual battle, talk to Pastor Bryan Cutshall, St. Louis, Missouri, who has received life-threatening warnings from those involved in the occult and devil worship.

"If you don't think we're in a spiritual battle, talk to Harvey Turner, the overseer of Alaska, and hear his story of a woman saved during camp meeting who confessed that she had been part of a devil-worshiping group that for 22 years had prayed for the destruction of all churches. She said that of late their prayers had turned to destruction of Pentecostal preachers because they are viewed as the biggest threat.

"In a sense, those people are right. Anyone who is full of the Holy Ghost is a threat to the devil. But thank God, greater is He who is in us than he who is in the world. There is a war. There is a battle. And we had better remember that spiritual warfare is serious business, with the highest of stakes, the souls of men.

"Mom writes scriptures for me, little reminders on cards that I carry in my pocket or post through the house. One she handed me recently, when I was going through a trial, came from Isaiah: 'No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord' (Isaiah 54:17). I claim that as a personal promise of God.

"Another passage states, 'For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds; casting down imaginations, and every high thing that exalteth itself against the knowledge of God' (2 Corinthians 10:4). Our weapons are not carnal. Our weapons are the Word of God and the Holy Spirit, and we will be more than conquerors through Him who loved us.

"I call this church to a faithful battle.

**"And finally, we must have a commitment to trust God.**

"We must keep the faith and trust in God, rather than getting our eyes on the circumstances. Circumstances change, at times on an hourly basis. What this world calls 'good fortune' may rise and fall. But God remains ever the same. My trust is in Him.

"And so today, I call this church once again to a commitment of trust in God. Not our wealth, not our ability to make money, not our intelligence, not our committees, not our programs, not our plans—our trust is in God, who will never fail.

"In conclusion, years ago we sang an old song some of you will remember well. The song expressed beautifully the heart that yearns for more of God, more of His Spirit and power and presence. I'd like to ask that you stand and sing with me, in closing, 'I Would Not Be Denied.'

"God has great things in store for us. This 'movement' of His Spirit will continue, if we stand firm in the faith.

"Praise His name forever!"

Note: The general overseer delivered his closing address standing behind the podium most of the time, occasionally stepping to one side or the other. His words were clear, articulate, spoken with great earnestness and at times forcefully, as he gestured with his hands. There was frequent applause from the audience and loud shouts of "Amen" or "Praise the Lord," indicating their agreement with the speaker. At the close of the message, Dr. Delton Alford led the congregation in singing "I Would Not Be Denied." The congregation sang heartily, most clapping their hands to the music.

### **Resolution on Accommodations**

After the congregation sang, Brother Vest asked the Reverend Robert E. Daugherty to read a Resolution on General Assembly Accommodations. The resolution was as follows:

WHEREAS a successful convention must have suitable meeting facilities, adequate housing, functioning committees, and efficient coordination; and

WHEREAS the 64th General Assembly of the Church of God has been exceptionally successful as a result of these excellent resources;

**THEREFORE BE IT RESOLVED** that we extend our appreciation to General Assembly Director Mike Baker, the General Assembly Cabinet, and the various committees for their supervision and coordination of convention activities, and to the Greater New Orleans Tourist and Convention Commission, the Superdome personnel, and to the area hotels and motels for their cordial support and cooperation.

**BE IT FURTHER RESOLVED** that we offer praise and thanksgiving to the sovereign God, our blessed Lord Jesus, and the Holy Spirit for the blessings given during this 64th General Assembly of the Church of God.

(Accepted by acclamation of applause.)

### **Instructions and Reading of Appointments**

General Overseer Vest called the Assembly to order for the reading of appointments with the following statement:

"You will note that in order to expedite this process, many of the names have already been printed in the Elections and Appointments 1992 section of the notebooks. We will not be calling all of the names of these persons. But because they are not called from this platform does not mean they are any less important than the others. It is for the conservation of time. You have had these in your possession now for several days, and you have been able to look them over."

Note: For a listing of official appointments, see the **General Directory**, this book of *Minutes of the General Assembly*.

At the conclusion of the presentation of those being appointed, Dr. Vest asked those whose names had been called or whose names were printed in the appointment list to please come and stand in front of the stage. He then asked the General Executive Committee and members of the Council of Eighteen to pray for those under appointment. These all, along with the whole congregation, joined in concert prayer for God's blessings upon the appointed leaders of the church.

### **Resolution of Appreciation for General Overseer**

Robert E. Daugherty came to the podium to read a Resolution of Appreciation From the General Assembly for the General Overseer. The resolution was as follows:

**WHEREAS** Dr. R. Lamar Vest has utilized state-of-the-art computer technology to increase the efficiency of the business of the General Assembly; and

WHEREAS he has been instrumental in providing interpreters and hardware for diverse languages; and

WHEREAS he has assisted each member by writing and supplying a parliamentary guide to expedite the deliberations of the General Council; and

WHEREAS he has given intensive and thorough opening instructions of the procedures to be followed, and

WHEREAS he has manifested Christian brotherhood, dealing fairly and giving equal access in moderation of the General Assembly;

THEREFORE BE IT RESOLVED that we the delegates to the 64th General Assembly commend Dr. R. Lamar Vest for his wisdom and compassion; and

BE IT FURTHER RESOLVED that we commend him for his Christian integrity, spiritual maturity, and excellent leadership; and we hereto covenant ourselves to undergird his continued leadership with cooperation and prayerful support.  
(Approved with acclamation of applause.)

### **Conclusion of the Assembly**

General Overseer Vest expressed his gratitude for the resolution of appreciation. In closing the General Assembly he called for all to please pray for revival, for purity of life, and for the righteousness of God to prevail throughout the church. He asked the church to reach out their arms in love and compassion to those who are hurting and to pray that through the unity of the Spirit we might be able to win this generation to the Lord Jesus Christ.

Dr. Vest announced that the Church of God 65th General Assembly will convene August 8-14, 1994, in San Antonio, Texas. He then adjourned the General Assembly with these words:

*By the authority vested in me as general overseer of the Church of God, I officially declare the 64th General Assembly now adjourned.*

### **Further Recommendations Adopted by the General Assembly**

#### **6. *Urban Ministries (World-class Cities)***

In an increasingly urbanized society, the Church of God acknowledges that emerging world-class cities offer both challenge and opportunity. We realistically confront the challenges of poverty, crime, prejudice, despair, and hopelessness. We stretch faith to pray and believe for divine wisdom and power to impact these hurting masses with Pentecostal revival. Therefore, we authorize the General Executive Committee, through World Missions, the Division of Evangelism and Outreach, and other related agencies to develop and implement a master plan of urban ministries which will enable the church to reap the great harvest of the world-class cities. To accomplish this goal we will

1. Concentrate on people, the lordship of Christ, and the spiritual fellowship of believers.
2. Declare the full gospel with power to break all bonds of

sin; accept those delivered with open arms; and renew emphasis on media ministries, home Bible study, house churches, and the bonding of believers across social, cultural, or racial barriers.

3. Share God's provisions with the needy through new avenues of assistance with food, shelter, education, employment, and other basic human needs.
4. Mobilize the total constituency and resources of the Church of God to evangelize and disciple the major cities of the world by establishing urban ministry centers for witnessing, benevolence, counseling, and church planting.

### **7. State World Missions Board**

That the 1990 *General Assembly Minutes* be amended by adding

#### **I. State World Missions Board**

- A. That each state have a state World Missions Board
- B. That the board and board chairman be appointed biennially by the state overseer
- C. That the board consist of not more than five and not less than three members. Said board shall consist of ministers or laymen who have shown strong support for world evangelization.
- D. That the board shall meet as often as the state overseer and chairman deem necessary

#### **II. Duties and Responsibilities**

- A. To promote world evangelization in the Church of God in the state
- B. To promote state, district, and local world missions conferences, seminars, banquets, and so forth
- C. To assist with the scheduling of field representatives and missionaries on furlough

### **8. Media Ministries Director**

That the 1990 *General Assembly Minutes*, page 138, S14. Department of Media Ministries, II. Director of Media Ministries, A. Selection, be deleted and the following inserted:

The director shall be appointed by the General Executive

Committee, and his salary shall be set by the Executive Council.

### ***9. Report From Task Force on Internationalization***

In view of the rapid growth of the Church of God, the dramatic changes taking place around the world, and the need for an organizational structure which will facilitate the reaping of the worldwide harvest, we recommend

That a representative Commission on Organization composed of 16 members (general overseer, two General Executive Committee members, two Executive Council members, two state overseers, two pastors, two representatives from World Missions, two national overseers, and three lay members at large) be appointed by the General Executive Committee. Said committee, chaired by the general overseer, will continue prior research and make recommendations concerning the organizational structure of the Church of God at the international, national, regional, state, district, and local levels. The authority for the study shall be Scripture, with due consideration given to the origin and historical development of the Church of God.

Further, the commission shall complete and submit its recommendations to the church by June 1, 1993, through a comprehensive plan by which the document will be studied and refined for final consideration by the 1994 General Assembly.

### ***10. Lay Involvement***

Recognizing the strategic roles played by business leaders, by professionals in all walks of life, and by laboring men and women who comprise the majority of our constituency, the Church of God reaffirms its historic respect for and commitment to the ministry of every Spirit-filled believer.

This commitment shall be expressed through

1. More open recognition and affirmation of the contributions laity are already making to our corporate ministries.
2. Greater emphasis upon the Lay Advisory Council and expansion of this sharing concept to state and international levels.

3. Appointment of regional, state, and local leaders to help develop and coordinate lay ministries.
4. Opening of new and innovative channels of ministry as recommended by lay leaders.
5. More networking of ideas and energies through lay conferences, seminars, and other special events.

### ***11. Transfer of Membership***

That the 1990 *General Assembly Minutes*, page 169, S36. MEMBERSHIP, I. Transfer of Membership, item 2 be deleted and the following inserted:

Inasmuch as we live in a mobile society which affects many of the constituents of the church, it is important that pastors and leadership show care and concern in assisting members in relocating, by making available to them information relative to the churches in the area to which they are moving. A member's name should remain on the membership roll until an official request for transfer is received.

### ***12. Ministerial Development and Care***

In keeping with the objectives of Project 2000, and in recognition of the vital need for qualified, committed ministerial leaders, the Church of God pledges itself to an intensified program of ministerial development and care embodying the following areas of emphasis:

1. New and innovative models for ministerial training at all levels
2. A renewed call for servant leadership with provision for evaluation and accountability
3. A significant expansion of the care and services offered to ministers and their family members
4. The initiation of a networking effort to stay in regular contact with every retired minister and spouse
5. That we study and implement, if possible, the institution of a medical insurance program for our ministers and other full-time church employees

### 13. *State Board of Ministerial Development*

That the 1990 *General Assembly Minutes*, pages 157, 158, S24. STATE BOARD OF EDUCATION, be amended by replacing all references to the "State Board of Education" with "State Board of Ministerial Development."

That part II. Duties and Responsibilities, items 6 and 8 be deleted and the following inserted:

6. To promote and supervise the Ministerial Development Institutes (MDI).
8. To work with the Office of Ministerial Care in meeting the needs of ministers and their families.

WHEREAS the urgent need of today's troubled cities cries out for the transforming influence of local congregations in every neighborhood; and

WHEREAS the Church of God in this 64th General Assembly has endorsed visionary and far-ranging plans for evangelistic expansion; and

WHEREAS the Church of God has demonstrated a commitment to the aggressive establishment of new congregations throughout its history, and our periods of greatest numerical growth have coincided with concentrated efforts in church planting;

THEREFORE BE IT RESOLVED that the Church of God dedicate its efforts in prayer to the Lord of the harvest to send forth laborers into the harvest (Matthew 9:38), concentrate its attention upon the identification of fertile fields (Acts 18:9-11), and commit itself to a determined plan of establishing churches (Matthew 28:19, 20); and

BE IT FURTHER RESOLVED that we seek creative ways of celebrating successes and breakthroughs in church planting.

#### RESOLUTION ON POLITICAL INVOLVEMENT

WHEREAS the Church of God as a member of the National Association of Evangelicals has endorsed and agreed to support "Christian Citizenship Campaign" (CCC); and

WHEREAS the two main objectives of the NAE resolution are to encourage Christians to pray for their leaders and to exercise their liberties to register and vote as a part of the democratic process; and

WHEREAS the Church of God is an international organization which has historically encouraged Christians to seek godly means to improve standards of their respective societies;

THEREFORE BE IT RESOLVED that in cooperation with the National Association of Evangelicals, the Church of God encourages all constituents to avail themselves of every opportunity to peacefully and orderly register, vote, and otherwise seek to improve the health, safety, and general welfare of all mankind (1 Peter 2:12); and

BE IT FURTHER RESOLVED that all political efforts should be thoughtfully constructed and effected with prayerful deliberation, knowing that we shall give account to God for every deed done (Romans 2:12), or not done, in accordance with His divine and eternal plan for man.

## RESOLUTION ON GLOBAL CRISES

WHEREAS natural calamities, disease, wars, and political expression are working against international stability, peaceful coexistence, and hopes for a Christ-centered world; and

WHEREAS governments and humanitarian resources are being challenged to meet the growing demands for food, clothing, medicine, shelter, and so forth, of people in crisis;

THEREFORE BE IT RESOLVED that the Church of God calls for universal restoration of the godly virtues inherent in the commandment "Thou shalt love thy neighbour as thyself" (Matthew 19:19), thus repudiating sin, but demonstrating compassion, reconciliation, and restoration in the spirit of Christ (2 Corinthians 5:18); and

BE IT FURTHER RESOLVED that the Church of God reaffirms that the Good Samaritan principle of helping the wounded, frightened, lonely, and dying is a necessary, expedient, and functional part of the Great Commission (Matthew 28:19), whereby we are to occupy until Christ comes, and to pray, "Thy kingdom come. Thy will be done" (Matthew 6:10).

### Three Other Resolutions

RESOLUTION OF APPRECIATION TO LEWIS J. WILLIS  
RESOLUTION ON GENERAL ASSEMBLY ACCOMMODATIONS  
and  
RESOLUTION OF APPRECIATION  
FOR THE GENERAL OVERSEER

These resolutions were approved by the General Assembly during the Commissioning Service on Sunday, August 16, 1992. They are recorded in this book of *Minutes of the General Assembly*, in the Journal record of the Commissioning Service, pp. 59, 70-72.

The Friday, August 14, 1992, General Assembly Business Meeting adjourned at 4:30 p.m.

## GENERAL ASSEMBLY BUSINESS MEETING

Saturday, August 15, 1992, 9 a.m.

### Recommendations Adopted by the General Assembly

#### 14. *Divorce and Remarriage*

That the 1990 *General Assembly Minutes*, pages 188, 189, S50. APPLICANTS, III. Qualifications of Applicants for Ministry, be amended as follows:

7. That no applicant whose former spouse is living, or whose spouse's former spouse is living, be considered eligible for ministerial credentials except in cases where the divorce occurred because of the infidelity of the former spouse (Matthew 19:9).

That records of all such applicants shall be investigated and approved by the respective state overseer, his council, and the General Executive Committee, prior to his or her being set forth [for the ministry] by the local church.

Applicants for ordination who have a living former spouse, or whose spouse has a living former spouse, shall be approved by a two-thirds majority vote of the Executive Council before being set forth [for ordination] by the local church.

8. Persons with previous marriages who now prove themselves faithful to God and to present family responsibilities be permitted to hold the rank of exhorter, licensed minister, or ordained minister, provided they are otherwise qualified.

#### 15. *Salary Structure for Pastors*

That the 1990 *General Assembly Minutes*, item VI. Pastor (p. 219) and Pastor's Salaries and Expense allotments (p. 223) be amended by replacing the items with the following:

#### A. Pastoral Compensation

*Do ye not know that they which minister about holy things live of the things of the temple? and they which wait at the altar are partakers with the altar? Even so hath the Lord ordained that*

*they which preach the gospel should live of the gospel* (1 Corinthians 9:13, 14).

The basic pastoral compensation shall consist of the following, based on the availability of appropriate tithe funds in the local church:

1. The compensation as designated for the appropriate category in the scale
2. One-half of the pastor's Social Security tax (which is to be reported as taxable income according to the information of federal income tax consultants)
3. Premiums for health insurance coverage
4. Contribution by the local church to the Church of God Ministers' Retirement Plan for the pastor of an amount equal to at least 5 percent of the cash compensation received by the pastor
5. Adequate housing accommodations, including utilities

These guidelines are ecclesiastical in application and are not a basis for any involvement outside the process of the Church of God.

Pastors of churches where the tithe income is not sufficient to meet the salary scale shall receive 90 percent of the gross tithe. Further, that churches where the tithe income is not sufficient to pay the pastor's salary according to the minimum scale should endeavor to increase the pastor's income in an amount equal or more through freewill offerings or other means.

There is clear instruction in the Scripture which admonishes the members of the church to recognize effective and fruitful spiritual leadership. "Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine. . . . The labourer is worthy of his reward" (1 Timothy 5:17, 18).

Therefore, all churches are encouraged to provide automobile travel expense allowances, and to provide incentives such as higher percentages of retirement, annuity and insurance plans,

and so forth, based on increases in finances, pastoral responsibility, pastoral effectiveness, and longevity.

The church to which the pastor has been appointed should pay reasonable moving expenses.

### Pastor's Minimum Compensation Scale

(Effective September 1, 1992)

(This scale includes the 3% cost-of-living increase which became effective on September 1, 1992.)

Churches with more than 2,000 members should follow the process of \$20 per week increase in minimum salary for each increase of 50 members, in continuing this scale.

Presently established churches whose pastor's salary structure is adversely affected by the schedule should maintain their pastor's present compensation (observing annual adjustments) until membership has increased to a higher compensation bracket.

### **16. Cost-of-Living Announcement**

Based on the figures received from the Office of Consumer Affairs, the cost-of-living increase is set at 3 percent, effective September 1, 1992.

8. Initially investigate and evaluate all questions or charges with regard to endorsed personnel's indiscretion and/or

violation of church teachings, doctrines, or practical commitments and, if necessary, to submit written recommendations for further investigation and/or discipline to the designated state or territorial overseer.

### 18. *Family Emphasis*

Having established "Family Enrichment" as one of the goals of Project 2000 and being fully aware of the complex nature of the family as it exists in today's world, the Church of God now moves to strengthen its traditional family emphasis through

1. Bringing together various entities within the departments and uniting them into a Division of Family Ministry.
2. A realistic and more contemporary family agenda that recognizes, accepts, and ministers to all segments of the family.
3. Specific seminars, programs, and local church emphases which affirm and aid single-parent families, divorced parents, and foster children.
4. An emphasis upon "helping hands" for those families, including retired ministers, in need of medicine, food, shelter, employment, education, and moral support.
5. A new "Covenant to Nurture Our Children," which will direct pastors, parents, and congregations in the spiritual growth of children from birth to age 12. Said covenant to be aimed at seeing every child saved, sanctified, filled with the Holy Spirit, baptized in water, and united with the church by age 12.

The Church of God does not recognize as a family homosexual couples or unmarried heterosexual couples living together.

### 19. *Discipline*

That the 1990 *General Assembly Minutes*, pages 125, 126, S6. GENERAL EXECUTIVE COMMITTEE be amended by adding

  3. The Council of Eighteen shall then consider the findings of the investigative committee.
  4. Once charges have been filed, the said General Executive Committee member shall be relieved of all responsibilities but retain his salary and benefits until the matter has been resolved.
  5. If the Council of Eighteen agrees that the findings of the investigative committee warrant charges being filed, a trial board shall be appointed by the Council to hear the charge.
  6. Any appeal of the decision of the trial board must be presented to the chairman of the Council of Eighteen in writing within 10 days of receiving the written notification of the trial board's decision.
  7. If granted by a majority vote of the Council of Eighteen, a board of appeal shall be appointed by the Council of Eighteen. Members of the investigative committee and trial boards shall be ineligible to serve.
  8. If the appeal board sustains the guilty verdict, the member shall be removed immediately, and the filling of the vacancy shall proceed as provided for in the *General Assembly Minutes*.
  9. If the offense warrants such action, the chairman of the Council of Eighteen shall notify the respective state overseer to sign the termination of credentials form.

#### 20. *Executive Council Duties*

That the 1990 *General Assembly Minutes*, pages 123-125, S4. THE EXECUTIVE COUNCIL, II. Duties and Authorities, item 8 be amended to read:

### **21. State Overseer Tenure**

That the 1990 *General Assembly Minutes*, pages 152, 153, S21. STATE OVERSEERS, V. Term of Office, be deleted and the following inserted:

His term of office shall be for two years, terminating the Sunday following the close of the General Assembly. He shall be eligible to succeed himself for an additional term in the same state. Any additional terms in the same state beyond the two terms (four years) must meet the following criteria:

- A. He must receive a minimum of 75 percent vote of the ministers.
- B. The success of his administration must merit said consideration.
- C. The General Executive Committee must believe his reappointment to be in the best interest of the state.

The tenure of office is a maximum of 12 years in nonmission states. He may serve all or part of his tenure in any state or number of states, depending upon the above-stated criteria. He may be eligible for reappointment as a state overseer after serving in some other capacity for at least two years.

The Saturday, August 15, 1992, General Assembly Business Meeting was adjourned at 10:30 a.m.

### Addendum

As a rule, speeches given on the floor of the General Assembly during business sessions are not included in the *Journal of the Minutes of the General Assembly*. However, the following speech, because of its historical significance, is here presented as an addendum to the business meetings of this General Assembly.

This speech, by Dr. Mary Ruth Stone, was the first speech given at the beginning of the business meeting on Saturday, August 15, 1992, at 9 a.m. Subsequent to the newly extended right of women to vote in the business meetings of the General Assembly (first item of business approved on Friday, August 14, 1992), Dr. Stone was the first female member of the church to exercise the right to speak in a business meeting of the General Assembly.

Dr. Stone's address to the Assembly was as follows:

"I would like to make a privileged statement, Mr. Chairman.

"As the interim director of the International Department of Ladies Ministries, and as a fifth-generation member of the Church of God (on my father's side), I would like to express the gratitude of hundreds of thousands of Church of God women for the privilege of voting and speaking at the General Assembly.

"We want to thank our husbands, our fathers, and our sons for standing for us when we could not stand, and for speaking for us when we could not speak.

"You have restored to us our historical legacy. The three founding fathers and five founding mothers [of the Church of God] would be pleased.

"You have affirmed Galatians 3:26-29. *There is neither Jew nor Greek; there is neither slave nor free; there is neither male nor female; we are all one!*

"We will exercise our privileges carefully, prayerfully, and wisely. Thank you."

## DECLARATION OF FAITH

(42nd A., 1948, pp. 31, 32)

We believe

1. In the verbal inspiration of the Bible.
2. In one God eternally existing in three persons; namely, the Father, Son, and Holy Ghost.
3. That Jesus Christ is the only begotten Son of the Father, conceived of the Holy Ghost, and born of the Virgin Mary. That Jesus was crucified, buried, and raised from the dead. That He ascended to heaven and is today at the right hand of the Father as the Intercessor.
4. That all have sinned and come short of the glory of God and that repentance is commanded of God for all and necessary for forgiveness of sins.
5. That justification, regeneration, and the new birth are wrought by faith in the blood of Jesus Christ.
6. In sanctification subsequent to the new birth, through faith in the blood of Christ; through the Word, and by the Holy Ghost.
7. Holiness to be God's standard of living for His people.
8. In the baptism with the Holy Ghost subsequent to a clean heart.
9. In speaking with other tongues as the Spirit gives utterance and that it is the initial evidence of the baptism in the Holy Ghost.
10. In water baptism by immersion, and all who repent should be baptized in the name of the Father, and of the Son, and of the Holy Ghost.
11. Divine healing is provided for all in the Atonement.
12. In the Lord's Supper and washing of the saints' feet.
13. In the premillennial second coming of Jesus. First, to resurrect the righteous dead and to catch away the living saints to Him in the air. Second, to reign on the earth a thousand years.
14. In the bodily resurrection; eternal life for the righteous, and eternal punishment for the wicked.

We recommend that the editor in chief [of Church of God publications], the president, board of directors, and faculty members of Lee College and all other Church of God schools, sign a contract that

they will not teach, publish, or allow to be taught or published anything contrary to the Declaration of Faith, or any other established doctrine of the church (43rd A., 1950, p. 16; 54th A., 1972, p. 59).

We further recommend that a copy of the Declaration of Faith be posted in the offices of the general overseer, the general director of Publications, the editor in chief, and every classroom [of Church of God schools] (42nd A., 1948, pp. 31, 32).

## CHURCH OF GOD TEACHINGS

The Church of God stands for the whole Bible rightly divided. The New Testament is the only rule for government and discipline.

1. The Church of God stands now, as it has always stood, for the whole Bible rightly divided, and for the New Testament as the only rule for government and discipline. It has been necessary at times for the General Assembly of the church to search the Scriptures and interpret the meaning of the Bible to arrive at what is the true and proper teaching of the church on various subjects, but always with the purpose and intention to base our teachings strictly upon the Bible.
2. For this purpose, a committee was appointed to report at the 1910 Assembly giving a collection of some of the teachings made prominent by the church, together with the Scriptures upon which these teachings were based; and that committee did report, and the matter contained in the report is set forth on page 47 of the printed *Minutes* of that Assembly.
3. However, the *Minutes* do not show that the report was officially adopted by the Assembly. The matters set forth in that report are simply a collection of some of the more important things that we have always believed, practiced, and taught, and is the law as set forth in the Holy Bible. We do not now attempt, and never have attempted, to make a law, but we have merely interpreted the Scriptures, and we have here set forth the laws that we have found there.
4. In order that there may be a record of the divine law, as set forth in the Scriptures, and as found and interpreted by the Assembly, it is now declared and reaffirmed that we accept and stand for the whole Bible rightly divided, and for the New Testament as our rule of faith and practice, and we do now declare the

laws and teachings of the Bible, as set forth in the report of the said committee on page 47 of the 1910 *Minutes of the General Assembly* under the heading "Church of God Teachings" to be the official findings and interpretations of the 1930 Assembly of the Church of God upon the teachings and subjects thereon dealt with (25th A., 1930, p. 23).

5. The **Supplement** of the Church of God *Assembly Minutes* shall be taught in all Church of God Bible schools and colleges, and ministerial students shall be required to take an examination equal to the questionnaire used in examining applicants for the ministry (43rd A., 1960, p. 18).

## PRACTICAL COMMITMENTS

(5th A., 1974, p. 51; 56th A., 1976, pp. 55, 56; 62nd A., 1988, Journal, p. 52)

### I. Spiritual Example

*We will demonstrate our commitment to Christ through our practice of the spiritual disciplines; we will demonstrate our commitment to the body of Christ through our loyalty to God and commitment to His church; and we will demonstrate our commitment to the work of Christ through our being good stewards.*

#### A. Practice of Spiritual Disciplines

Spiritual disciplines involve such practices as prayer, praise, worship, confession, fasting, meditation, and study. Through prayer we express our trust in Jehovah God, the giver of all good things, and acknowledge our dependence on Him for our needs and for the needs of others (Matthew 6:5-15; Luke 11:1-13; James 5:13-18). Through both private and public worship, we bless God, have communion with Him, and are provided daily with spiritual enrichment and growth in grace. Through periods of fasting we draw close to God, meditate on the passion of Christ, and discipline ourselves to

submit to the control of the Holy Spirit in all areas of our life (Matthew 6:16-18; 9:14-17; Acts 14:23). Through confession of our sins to God, we are assured of divine forgiveness (1 John 1:9—2:2). The sharing of our confession with other believers provides the opportunity to request prayer and to bear one another's burdens (Galatians 6:2; James 5:16). Through meditation on and study of the Word of God, we enhance our own spiritual growth and prepare ourselves to help guide and instruct others in scriptural truths (Joshua 1:8; Psalm 1:2; 2 Timothy 2:15, 23-26).

### **B. Loyalty to God and Commitment to the Church**

The life of Christian discipleship calls for the fulfillment of our duties to the body of Christ. We are to unite regularly with other members of the church for the purpose of magnifying and praising God and hearing His Word (Matthew 18:20; John 4:23; Acts 2:42, 46, 47; 12:24; Hebrews 10:25). Sunday is the Christian day of worship. As the Lord's Day, it commemorates the resurrection of Christ from the dead (Matthew 28:1) and should be employed for worship, fellowship, Christian service, teaching, evangelism, and proclamation (Acts 20:7; Romans 14:5, 6; 1 Corinthians 16:2; Colossians 2:16, 17). We are to provide for the financial needs of the church by the giving of tithes (Malachi 3:10; Matthew 23:23) and offerings (1 Corinthians 16:2; 2 Corinthians 8:1-24; 9:1-15). It is our duty to respect and submit to those whom the Lord Jesus has placed over us in the church (1 Thessalonians 5:12, 13; Hebrews 13:7, 17). Our exercise of authority must be as a spiritual example rather than as a lord over God's flock (Matthew 20:25-28; 1 Peter 5:1-3). Furthermore, our submission must be a manifestation of the spiritual grace of humility (Ephesians 5:21; 1 Peter 5:5, 6). Finally, we are to avoid affiliation with oath-bound societies. Such societies may appear to have spiritual character, but by being oath-bound and secretive, they contradict Christian spirituality (John 18:20; 2 Corinthians 6:14-18). Christians must not belong to any body or society that requires or practices an allegiance that supersedes or excludes their fellowship in Christ (Matthew 12:47-49; John 17:21-23).

### **C. Being Good Stewards**

In the Scriptures, the virtues of thrift and simplicity are honored, but the vices of waste and ostentation are solemnly prohibited (Isaiah 55:2; Matthew 6:19-23). The living of a godly and sober life requires the wise and frugal use of our temporal blessings, including time, talent, and money. As good stewards we are to make the most

of our time, whether for recreation or for work (Ephesians 5:16; Colossians 4:5). The idle use of leisure time degrades (2 Thessalonians 3:6-13; 1 Timothy 5:13), but the edifying use of it brings inner renewal. All our work and play should honor the name of God (1 Corinthians 10:31). As good stewards we must use fully our spiritual gifts (Romans 12:3-8; 1 Corinthians 12:1-11, 27-31; Ephesians 4:11-16; 1 Peter 4:9-11) and natural talents (Matthew 25:14-30) for the glory of God. As good stewards we must recognize that the wise use of money is an essential part of the Christian's economy of life. God has committed temporal blessings to our trust (Matthew 7:11; James 1:17).

## II. Moral Purity

*We will engage in those activities which glorify God in our body and which avoid the fulfillment of the lust of the flesh. We will read, watch, and listen to those things which are of positive benefit to our spiritual well-being.*

### A. Glorifying God in Our Body

Our body is the temple of the Holy Ghost, and we are to glorify God in our body (Romans 12:1, 2; 1 Corinthians 6:19, 20; 10:31). We are to walk in the Spirit and not fulfill the lust of the flesh (Galatians 5:16). Examples of fleshly behavior which do not glorify God are noted in several passages of Scripture (Romans 1:24; 1 Corinthians 6:9, 10; Galatians 5:19-21; Revelation 21:8). Sinful practices which are made prominent and condemned in these scriptures include homosexuality, adultery, worldly attitudes (such as hatred, envy, jealousy), corrupt communication (such as gossip, angry outbursts, filthy words), stealing, murder, drunkenness, and witchcraft. Witchcraft has to do with the practices of the occult, which are forbidden by God and lead to the worship of Satan.

### B. Reading, Watching, and Listening

The literature we read, the programs we watch, and the music we listen to profoundly affect the way we feel, think, and behave. It is imperative, then, that the Christian read, watch, and listen to those things which inspire, instruct, and challenge to a higher plane of living. Therefore, literature, programs, and music which are worldly in content or pornographic in nature must be avoided. A Christian is not to attend (or watch on television) movies or theatrical performances of a demoralizing nature (Romans 13:14; Philippians 4:8).

### **C. Benefiting Spiritual Well-being**

The use of leisure time in the life of a Christian should be characterized by those activities which edify both the individual and the body of Christ (Romans 6:13; 1 Corinthians 10:31, 32). We are to avoid places and practices which are of this world. Consequently, a Christian must not be a part of any other types of entertainment which appeal to the fleshly nature and/or bring discredit to the Christian testimony (2 Corinthians 6:17; 1 Thessalonians 5:21, 22; 1 John 2:15-17).

### **III. Personal Integrity**

*We will live in a manner that inspires trust and confidence, bearing the fruit of the Spirit, and seeking to manifest the character of Christ in all our behavior.*

#### **A. Trust and Confidence**

A Christian should be trustworthy, dependable, and a person of his word (Matthew 5:37; 1 Peter 2:11, 12). Therefore, the swearing of oaths is contrary to a Christian's trustworthiness and should be avoided (Matthew 5:34-37; James 5:12). Christ, by precept and example, taught that we love our enemy and prefer our brother (Matthew 5:43-48; Romans 12:10; Philippians 2:3; 1 John 3:16). We should behave in a way that will point others to Christ (Matthew 5:16; 1 Corinthians 11:1).

#### **B. Fruit of the Spirit**

If we live in the Spirit, we will manifest the fruit (attitudes and actions) of the Spirit and will not fulfill the lusts of the flesh (Galatians 5:16, 22-25; 1 John 1:7). Trustful relationships with others are a natural outgrowth of our positive relationship with the Lord (Psalm 1:1-3; Matthew 22:37-40). A lack of fruit-bearing in our lives will be judged (Matthew 7:16-20; Luke 13:6-9; John 15:1-8).

#### **C. Character of Christ**

Love for others is the hallmark of the Christ-life (John 13:34, 35; 15:9-13; 1 John 4:7-11). In His relationship with His Father, Jesus displayed submission (Luke 22:42; John 4:34; 5:30). In His relationship with others, He demonstrated acceptance (John 8:11), compassion (Matthew 9:36; Mark 6:34), and forgiveness (Matthew 9:2; Luke 5:20). We cannot bear the fruit of the Spirit and manifest the character of Christ without being spiritually joined to Christ (John 15:4, 5) and

without having the seed of the Word planted in our heart (John 15:3; 1 Peter 1:22, 23).

#### **IV. Family Responsibility**

*We will give priority to fulfilling family responsibilities, to preserving the sanctity of marriage, and to maintaining divine order in the home.*

##### **A. Priority of the Family**

The family is the basic unit of human relationship and as such is foundational to both society and the church (Genesis 2:18-24). The divine origin of the family, along with its foundational character, makes it imperative that we give priority to ministry to the family, both from a personal and corporate standpoint. The practice of Christian disciplines and virtues should begin in the home (Deuteronomy 6:6, 7). Therefore, our families should establish some pattern for family devotions and should endeavor to provide a Christian environment in the home (1 Timothy 3:3, 4; 5:8).

##### **B. Sanctity of Marriage**

Marriage is ordained of God and is a spiritual union in which a man and a woman are joined by God to live together as one (Genesis 2:24; Mark 10:7). Because of the divine character of marriage, it is a lifelong commitment with the only clear biblical allowance for divorce being fornication (Matthew 5:32; 19:9).

Sexual involvement either before marriage or with someone other than the marriage partner is strictly forbidden in Scripture (Exodus 20:14; 1 Corinthians 6:15-18). Understanding the sanctity of marriage, partners should strive to maintain a happy, harmonious, and holy relationship. Should divorce occur, the church should be quick to provide love, understanding, and counsel to those involved. The remarriage of divorced persons should be undertaken only after a thorough understanding of and submission to the scriptural instructions concerning this issue (Matthew 19:7-9; Mark 10:2-12; Luke 16:18; Romans 7:2, 3; 1 Corinthians 7:2, 10, 11). Should a Christian desire to remain single, this decision should be respected and should be seen as a viable scriptural alternative (1 Corinthians 7:8, 32-34).

##### **C. Divine Order in the Home**

When God created man, He created them male and female (Genesis 1:27). He gave them distinctly different characteristics (1 Corinthians 11:14, 15; 1 Peter 3:7) as well as different responsibili-

ties (Genesis 3:16-19; 1 Peter 3:1-7). In God's order the husband is head of the home (Ephesians 5:22-31; Colossians 3:18, 19), parents are to nurture and admonish their children (Ephesians 6:4, Colossians 3:21), and children are to obey and honor their parents (Exodus 20:12; Ephesians 6:1-3; Colossians 3:20). In order for harmony to exist in the home, God's order of responsibility must be observed.

## **V. Behavioral Temperance**

*We will practice temperance in behavior and will abstain from activities and attitudes which are offensive to our fellowman or which lead to addiction or enslavement.*

### **A. Temperance**

One of the cardinal Christian virtues is temperance or self-control (1 Corinthians 9:25; Titus 1:8; 2:2). It is listed as fruit of the Spirit (Galatians 5:23). We are admonished to practice moderation and balance in our behavior (Philippians 4:5). The Scripture indicates that it is within our prerogative to control our thinking (Philippians 4:8), our anger (Ephesians 4:26), and our communication (Ephesians 4:29; Colossians 3:8). To exercise self-discipline reflects the power of God in our life (1 Corinthians 9:27; 2 Peter 1:5-11).

### **B. Offensive Behavior**

The Bible speaks clearly that we are to be sensitive to the needs and feelings of others as a demonstration of our love for them (Matthew 22:39; Romans 12:9-21, 13:10; Philippians 2:3-5). At times it is necessary for us to control our behavior so as not to bring offense to others (Romans 14:13-21; 1 Corinthians 8:9-13). As we know Christ after the Spirit, we are also to know others in the same manner so we will not judge them after their outward behavior alone (2 Corinthians 5:16). A respect and tolerance for differences in others should characterize our relationships (Romans 14:2, 3; 1 Corinthians 8:8; Ephesians 4:2; Colossians 3:13; 1 Timothy 4:1-5).

### **C. Addiction and Enslavement**

One of the primary benefits of our liberty in Christ is freedom from the domination of negative forces (John 8:32, 36; Romans 6:14; 8:2). We are counseled not to put ourselves again under bondage (Galatians 5:1). Therefore, a Christian must totally abstain from all alcoholic beverages and other habit-forming and mood-altering chemical substances and refrain from the use of tobacco in any form,

marijuana, and all other addictive substances and, further, must refrain from any activity (such as gambling or gluttony) which defiles the body as the temple of God or which dominates and enslaves the spirit that has been made free in Christ (Proverbs 20:1; 23:20-35; Isaiah 28:7; 1 Corinthians 3:17; 5:11; 6:10; 2 Corinthians 7:1; James 1:21).

## **VI. Modest Appearance**

*We will demonstrate the scriptural principle of modesty by appearing and dressing in a manner that will enhance our Christian testimony and will avoid pride, elaborateness, or sensuality.*

### **A. Modesty**

According to the biblical idea, modesty is an inner spiritual grace that recoils from anything unseemly and impure, is chaste in thought and conduct, and is free of crudeness and indecency in dress and behavior (Ephesians 4:25, 29, 31; 5:1-8; 1 Timothy 2:9, 10). Therefore, modesty includes our appearance, dress, speech, and conduct and can be applied to all situations. The essential issue is, does our style of life please or displease God?

### **B. Appearance and Dress**

Our life, character, and self-image are reflected by our apparel and mode of dress. The admonition of Scripture, "Be not conformed to this world," reminds us that our manner of dress must be modest and decent (Romans 12:2; 1 Thessalonians 5:22, 23). It is not displeasing to God for us to dress well and be well groomed. However, above all we must seek spiritual beauty, which does not come from outward adornment with jewelry, expensive clothes, or cosmetics, but from good works, chaste conversation, and a meek and quiet spirit (Philippians 4:8; 1 Peter 3:3-5).

### **C. Pride, Elaborateness, Sensuality**

As godly people we are to abstain from all lusts of the flesh and avoid dressing in a manner that encourages immoral thoughts, attitudes, and lifestyles (Galatians 5:13-21; 1 Peter 2:11; 2 Peter 1:4). Our beauty does not depend on elaborate, showy dress; extravagant, costly attire; or on the use of jewelry or cosmetics but on our relationship with Christ. External adornment, whether clothing or jewelry, as an outward display of personal worth is contrary to a spiritual attitude (James 2:1-4).

## **VII. Social Obligation**

*It should be our objective to fulfill our obligations to society by being good citizens, by correcting social injustices, and by protecting the sanctity of life.*

### **A. Being Good Citizens**

As Christians we are members of the kingdom of God as well as a social order of this world. Obedience to God requires us to act in a responsible manner as citizens of our country (Mark 12:13-17; Romans 13:1-7; 1 Peter 2:13-17). Therefore, we should support civil law and order; hold our leaders in respect and pray for them; participate in school, community, and governmental activities; exercise our voting rights; and speak out on clear-cut moral issues. God's law is supreme, but we are to obey the laws of our country insofar as they are not in conflict with obedience to God (Acts 5:29). When it becomes necessary to disagree with practices and requirements of government, we should do so out of a concern for the promotion of righteousness and not out of delight in discord and controversy.

### **B. Correcting Social Injustices**

Love for others and the recognition of the equal worth of all people in the sight of God (Acts 10:34; 17:26) should compel us to take steps to improve the situation of those who are underprivileged, neglected, hungry, homeless, and victimized by prejudice, persecution, and oppression (Matthew 22:39; Romans 13:8-10; 1 John 3:17). In all of our dealings, we must be sensitive to human needs (Luke 10:30-37; James 1:17) and guard against racial and economic discrimination. Every person should have freedom to worship and participate in the life of the church regardless of race, color, sex, social class, or nationality.

### **C. Protecting the Sanctity of Life**

God alone confers life (Genesis 1:1-31); therefore, we are responsible to God to care for our physical life and that of others. If the circumstances require, we must be prepared to risk our life in the service of our neighbor (John 15:13); but the general rule is that we must respect our physical life and employ every worthy means to maintain it. Since God alone confers life, God alone must decide when it is to be ended (Psalm 31:14, 15). Because a human fetus is sacred and blessed of God, we believe we have the responsibility to protect the life of the unborn (Jeremiah 1:5; Luke 1:41). It is our firm conviction

tion that abortion and euthanasia of the aged, mentally incompetent, terminally ill, and otherwise handicapped, for reasons of personal convenience, social adjustment, or economic advantage, are morally wrong. Furthermore, we believe it is our Christian responsibility to care for the earth and its resources. In the beginning God gave man dominion over the earth (Genesis 1:26-30). This does not, however, give us license to pollute our natural environment or to waste the resources of the earth.

## EXPLANATORY NOTES

### I. New Birth

1. "Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God" (John 3:5).

2. Is being born of water a natural or a spiritual birth? Natural, "that which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (John 3:6) (20th A., 1925, p. 39; DF 5, 6; CT 4).

### II. Ordinances of the Church

#### A. Water Baptism

1. Water baptism is to plunge or dip, or a burial beneath the surface of the water and a lifting out again (6th A., 1911, p. 6).

2. Water baptism is not a door into the church, but an act of obedience after one has been converted (7th A., 1912, p. 19).

3. We recognize immersion as the scriptural mode of water baptism. We recommend that our disciples be baptized by a minister who is baptized in the Holy Ghost. However, inasmuch as the apostles baptized before and after Pentecost, we leave this matter with the conscience of the individual, and we should not exclude them if they are satisfied with their baptism, provided they have been baptized in the name of the Father, and of the Son, and of the Holy Ghost (10th A., 1914, p. 26; 28th A., 1933, p. 43).

4. That water baptism be administered by ordained or licensed ministers, and that it be in accordance with the commission given by Jesus in Matthew 28:19: "Baptizing them in the name of the Father, and of the Son, and of the Holy Ghost" (39th A., 1944, p. 30; DF 10; CT 7).

5. That we authorize the printing of certificates of baptism and recommend that they be issued to those baptized by the officiating minister (41st A., 1946, p. 26).

## B. Lord's Supper and Feet Washing

The subject of Communion and Feet Washing was considered, and the Assembly decided that both are taught in the New Testament and may be engaged in at the same service or at different times at the option of the local churches. In order to preserve the unity of the body, and to obey the sacred Word, it was recommended that every member engage in these sacred services, which should be observed one or more times each year (1st A., 1906, Bk. M., p. 15; DF 12).

## III. Family Worship

Family worship was considered, and the Assembly recommended and urged that the families of all the churches engage in this very sacred and important service at least once a day, and at a time most convenient to the household, and that the parents should see that every child is taught as early as possible to reverence God and his parents, by listening quietly and attentively to the reading of God's Word and getting down on his knees during the prayer. The pastor and deacons of each church were advised to use their influence and make special efforts to encourage every family in the church to engage in this devotional exercise every day (1st A., 1906, Bk. M., p. 17).

## IV. Divorce and Remarriage

1. That all former rulings on divorce and remarriage be revised to read as follows: All parties who have put their companions away for the cause of fornication, having been divorced and remarried, provided they are otherwise qualified, are eligible for membership in the Church of God (28th A., 1933, pp. 43, 44; Amended 33rd A., 1938, p. 50).

2. Inasmuch as the divorce evil has grown to such alarming proportions and since the Church of God is a holiness institution divinely ordained to serve the best interests of the human race, therefore, be it resolved that we reaffirm our traditional position regarding the sanctity of the home and the sacredness of marriage vows, both of which should be held inviolate for the protection of our national security. Inasmuch as we also consider such present social trends to be detrimental to the home, the church, and the nation, be it further resolved that the minister be an example of Christian chastity and that his marital status be above question. The Church of God must have the highest type ministry—a ministry whose moral and spiritual experiences provide the incentive to develop the Christian character indispensable to the national honor of our republic and the

preservation of our Christian principles (43rd A., 1950, p. 18).

## V. Labor Unions

That the restriction concerning labor unions be lifted where it is necessary for our members to belong to them in order to obtain employment (23rd A., 1928, p. 25).

However, we want it understood that in the event of labor trouble, they are to refrain from acts of violence (29th A., 1934, p. 49).

## VI. Lodges and Fraternal Orders

1. The Church of God teaches against members belonging to lodges.

2. Should anyone unite with the church who has insurance with a fraternal or secret order, he may continue his insurance with said order, provided he does not attend their secret meetings (35th A., 1940, pp. 31, 32).

## VII. Divine Healing

We recommend that our people in testifying to divine healing refrain from using expressions making thrusts at physicians or the use of medicine. Preach and testify to divine healing as a privilege, giving God the glory (24th A., 1929, p. 35).

## VIII. Combatant Military Service

The Church of God believes that nations can and should settle their differences without going to war; however, in the event of war, if a member engages in combatant service, it will not affect his status with the church. In case a member is called into military service who has conscientious objections to combatant service, the church will support him in his constitutional rights (23rd A., 1928, p. 24; 40th A., 1945, p. 31).

## IX. Tobacco

This Assembly agreed to stand with one accord in opposition to the use of tobacco in any form (1st A., 1906, Bk. M., p. 16; 56th A., 1976, p. 48).

## X. Questions and Answers

1. Q. When one is born of God or regenerated, is he holy?

A. He that is born of God doth not commit sin, 1 John 3:9; he is therefore holy to that extent (22nd A., 1927, p. 32; 29th A., 1934, p. 49).

2. Q. Does a regenerated person sin?
  - A. No (22nd A., 1927, p. 32).
3. Q. Is it improper to say, "Open the doors of the church" when giving opportunity for membership?
  - A. It might be better to say, "Give opportunity for membership" (22nd A., 1927, p. 32).
4. Q. Should those who do not pay tithes have a voice in the church?
  - A. If a member does not have enough interest in the church to support it with his tithes, he should have respect enough for the church to keep quiet in business meetings (22nd A., 1927, p. 32).
5. Q. Should we preach that those who do not pay tithes are robbers, and yet retain them in the church?
  - A. We should be very careful and preach with love and tenderness and advise them that it is their privilege to pay tithes and that they should do so because they love the Lord and His church, yet paying tithes has never been made compulsory or a test of fellowship by the governing body the church, yet at the same time it is one of the principles of the church of long standing, but our members should pay tithes because of the love they have for God and His church and not because they are compelled to, and advise them that they may be the happy recipients of the uncontainable blessings provided for those who willingly comply with the Bible teaching (19th A., 1924, p. 47).
6. Q. Can any member of the Church of God be an officer of the law, with or without a gun?
  - A. That he be governed by his own conscience (20th A., 1925, p. 40).
7. We should obey laws as long as said laws do not conflict with Christ's laws (3rd A., 1908, Bk. M., p. 26).
8. The church should appreciate the laws that protect public worship and should recognize the officers of the law as God's ministers. Romans 13:1-6 (3rd A., 1908, Bk. M., p. 27).
9. Q. Is age to be considered as to our members having bobbed hair?
  - A. If they are mature enough to become members of the

church, they should be required to conform to its ruling and teaching on this matter (22nd A., 1927, p. 31).

10. [Item 10, formerly located in this place, was not part of a question and answer series. This item is a ruling. It was recommended by the Council of Ordained Ministers and approved by the General Assembly in 1933. Item 10 is, therefore, listed under IV. Requirements (for membership), C. Various Rulings, item 5, p. 194.]

## RESOLUTION RELATIVE TO PRINCIPLES OF HOLINESS OF CHURCH OF GOD

(48th A., 1960, pp. 51, 52; 56th A., 1976; DF 7; CT 6)

The foundation of the Church of God is laid upon the principles of biblical holiness. Even before the church experienced the outpouring of the Holy Ghost, its roots were set in the holiness revival of the past century. It was, and is, a holiness church—holiness in fact and holiness in name.

The passing of 90 years has not diminished our holiness position or convictions. The years have, instead, strengthened our knowledge that without holiness it is impossible to please God.

We hereby remind ourselves that the Scriptures enjoin us at all times to examine our own hearts. The continuing and consistent life of holiness requires this. Conditions of our day desperately require it. The subtle encroachment of worldliness is a very real and unrelenting threat to the church. We must therefore beware lest we become conformed to the world, or lest a love for the world take root in our hearts to manifest itself as lust of the flesh, lust of the eye, or the pride of life.

For these reasons, we present the following:

WHEREAS, the Church of God is historically a holiness church; and

WHEREAS, we are enjoined by the Scriptures to be so, and

WHEREAS, a tide of worldliness threatens the spirituality of the church;

BE IT RESOLVED that we, the Church of God, reaffirm our standard of holiness, in stated doctrine, in principles of conduct, and as a living reality in our hearts;

BE IT FURTHER RESOLVED that we, the Church of God, believe a life of holiness is a balanced life in spirit, mind, and body, and that it places the believer in a Christlike relationship to God and fellowmen;

BE IT FURTHER RESOLVED that we, as ministers, maintain this standard in our own lives, in our homes, and in our pulpits;

BE IT FURTHER RESOLVED that we, as ministers and members, rededicate ourselves to this purpose, and guard our lives against conformity to the world in appearance, in selfish ambition, in carnal attitudes, and in evil associations;

BE IT FURTHER RESOLVED that we, as ministers and members, seek to conform to the positive virtues of love, mercy, and forgiveness as taught by Jesus Christ.

## PROJECT 2000

**CHURCH GOVERNMENT—  
GENERAL**

## Church of God General Level

Note: This is a suggested working instrument in assigning executive portfolios by the Executive Council and the general overseer.

## **S1. GENERAL CHURCH**

### **I. Name of Church**

1. Decision harmoniously made, CHURCH OF GOD, 1 Corinthians 1:2; 2 Corinthians 1:1 (2nd A., 1907, Bk. M., p. 22).

2. We recommend that all of our churches be listed in phone directories and newspapers under the heading Church of God, that they display on their buildings the name Church of God, and that the denominational emblem be used for identification. Any identifying title used to designate a particular church shall include a prominent display of the name Church of God (45th A., 1954, p. 28; 60th A., 1984, p. 43).

### **II. Church—Local**

Whereas many members moving to other parts of the nation find it hard to locate our churches, we recommend that churches make use of all available advertising media, such as newspapers, highway signs, and listing in the yellow pages of telephone directories, hotel directories, and any other door available (48th A., 1960, p. 53).

### **III. Church Teachings**

The Church of God stands now, as it has always stood, for the whole Bible rightly divided, and for the New Testament as the only rule for government and discipline. It has been necessary at times for the General Assembly of the church to search the Scriptures and interpret the meaning of the Bible to arrive at what is the true and proper teaching of the church on various subjects, but always with the purpose and intention to base our teachings strictly upon the Bible.

### **IV. Form of Government**

#### **A. Governing Body**

After due consideration the Assembly adopted the following: We do not consider ourselves a legislative or executive body, but judicial only (1st A., 1906, Bk. M., p. 15).

#### **B. Church and State**

1. We are opposed to the union of church and state under any circumstances (3rd A., 1908, Bk. M., p. 27).

2. That the Church of God is definitely opposed to any form of

dictatorship in matters pertaining to state and civil government. We heartily endorse the democratic way of life and faithfully pledge ourselves to its support, maintenance, and progress (37th A., 1942, p. 36).

### C. Local Church Part of the Assembly

1. The local churches, the names of which are recorded [see the **General Directory** of this book of *Minutes*], are the result of the faithful services of the ministers and representatives of the General Assembly, and these churches, when thus received by the representatives of the General Assembly, then became and composed a part of the General Assembly. Therefore, the right of any local church as a whole to withdraw from the General Assembly is not recognized and does not exist, but those members who prove disloyal to the government and teachings as promulgated from time to time by the General Assembly, or who are otherwise disorderly, are to be dealt with as individuals (15th A., 1920, p. 50; 45th A., 1954, pp. 27, 28; 50th A., 1964, p. 54).

2. If a church is organized and they do not accept the teachings of the Assembly, they cannot be recognized by headquarters [at any level of church government] as a Church of God (15th A., 1920, p. 68).

### D. Incorporation of Churches

That steps be taken to dissolve the incorporation of states and local churches where practical, and that where it is necessary to incorporate states or local churches, that said action be first approved by the General Executive Committee (44th A., 1952, p. 30).

### E. Reception of Churches or Association of Churches

When a church or association of churches desires to become affiliated with the Church of God, thus becoming part of the General Assembly, the church or association must follow the established procedure for acceptance into the Church of God as set forth by the General Assembly. Appropriate forms of organization, with resolutions to unite with the church, must be processed in a legal business meeting to show acceptance of the faith, government, polity, and practices of the Church of God, and the willingness to abide by the actions of the General Assembly (63rd A., 1990, p. 78).

### F. Cooperation With PFNA

That the Church of God cooperate with the Pentecostal Fellow-

ship of North America in their endeavors (42nd A., 1946, p. 32).

### **G. Church Suffering Under Reproach**

Whereas, the Church of God is suffering undue reproach by the slanderous title "Holy Rollers" that is in common use before the public in referring to its members and work,

Be it known to all men everywhere and unto all nations that we, the Church of God, assembled in this the Eleventh Annual Assembly, at Cleveland, Tennessee, November 1-7, do hereby and hereafter disclaim and repudiate the title "Holy Rollers" in reference to the Church of God.

In consequence of this decision we herewith give general notice to the public that all reference to the Church of God by the use of the above title "Holy Rollers" by the public press or otherwise will be considered and treated as a slanderous and malignant offense.

This was accepted in full, and it was advised by the Assembly that it be published in the *Evangel* and other papers so as to give it wide circulation (11th A., 1915, p. 18).

### **V. Financial Structure**

#### **A. Church—Nonprofit Organization**

In order that there be no misunderstanding as to the objectives and purposes for which the affairs of the Church of God are conducted, it is hereby expressly declared that the Church of God shall continue to be as it has been heretofore, a religious, nonprofit organization, not operated for the financial gain or profit of any person or group, and that all net receipts of the Church of God shall be used for religious, charitable, and educational purposes (44th A., 1952, p. 35).

#### **B. General Financial Drive**

That no general project which would necessitate a financial drive among the local churches be undertaken without the approval of the General Assembly (38th A., 1943, p. 30).

posing said Assembly.

2. That one of the first principles accepted in the earliest history of its organization was that we accept the whole Bible rightly divided, which is today one of the most sacred principles; therefore, we meet in biennial conference with all ministers and laymen who wish to attend to search the Scriptures and put them into practice. Our teachings and faith are the same as originally accepted in its original organization, and all the changes in government and management have been duly authorized by the General Assembly in its various sessions, which adopts measures by a majority vote of all Church of God members present and registered at the General Assembly, being their privilege to vote on any and all propositions presented. Nominees by the General Council are declared elected to office on a majority vote of the General Assembly (15th A., 1920; 45th A., 1954, p. 33; 64th A., 1992, p. 73).

## II. Procedures

2. That the arrangements for the time and place of the General Assembly be left to the Executive Council (35th A., 1940, p. 31).

3. That the general overseer be authorized to call a General Assembly of ministers provided that travel and other conditions become such that the Executive Committee and the Council of Eighteen deem it wise to do so (40th A., 1945, p. 31).

4. Following our custom that has always governed our General Assembly in the past, we recommend that no books be sold on the grounds except through the bookstand [the official exhibit area]

**GOVERNMENT  
CHURCH—LOCAL**

## S34. RELATIONSHIP OF THE LOCAL CHURCH TO THE GENERAL ASSEMBLY

(58th A., 1980, pp. 38, 39)

1. The Church of God has a centralized form of church government. The local churches, the names of which are recorded [see the **General Directory** of this book of *Minutes*], are the results of the faithful services of the ministers and representatives of the General Assembly; and these churches, when thus received by the representatives of the General Assembly, then become and compose constituents of the General Assembly. Therefore, the right of any local church as a whole to withdraw from the General Assembly is not recognized and does not exist, but those members who prove disloyal to the government and teachings as promulgated from time to time by the General Assembly, or who are otherwise disorderly, are to be dealt with as individuals.

2. The General Assembly of the Church of God is that organized body with full power and authority to designate the teachings, principles, and practices of all the local churches composing said Assembly.

3. The General Assembly governs the operation of the Church of God at all structural levels: international, national, state, district, and local. The General Assembly has vested in the office of the state overseer authority over the local churches. Some of his powers, all of which are more fully explained elsewhere in the **Supplement** of this book of *Minutes*, can be exercised to remove pastors, to appoint pastors, or a special Board of Trustees, which may be the State Board of Trustees, to hold title to local property.

4. A Local Board of Trustees shall hold title to, manage, and control, pursuant to the direction of the local congregation, all real estate owned by the local congregation by which they are selected, provided that all such property shall be used, managed, and controlled for the sole and exclusive use and benefit of the Church of God, Cleveland, Tennessee, U.S.A. In the event that the majority or all of the local church depart from the faith or discontinue fellowship with the organization, the state overseer shall at any time have power to appoint other trustees to hold the property for the Church of God.

5. Local churches, when they have been accepted into the Church of God, are therefore bound by the decisions of the General Assembly in matters of doctrine, teaching, and polity.

## S35. MEMBERS

(Grh A., 1954, p. 27; 61st A., 1986, p. 54)

### I. Procedure for Receiving Members Into the Church

#### A. Church Membership

Church membership is scriptural, and any person presenting himself as a prospective member is making a serious and far-reaching decision. It is the responsibility of the pastor to see that all persons making themselves available for membership are fully informed of the doctrine, teachings, government, and heritage of the Church of God. In keeping with this responsibility, the pastor shall inform all persons presenting themselves for membership through one or more of the following ways:

1. Counsel with prospective members privately concerning the membership requirements and their responsibilities to them.
2. Conduct special membership classes where prospective members are taught membership requirements.
3. Read and explain the membership requirements in a public meeting.

#### B. Procedure

Following this [the foregoing] procedure, the minister shall invite prospective members to stand before the altar and face the congregation. The minister shall then proceed by giving the following charge to the applicants as he stands before them.

1. *You realize in presenting yourself for membership that you are assuming a solemn obligation, and it is expected that you will always be true to your promise and faithfully fulfill and discharge your obligation as a loyal member.*

2. *Do you publicly confess and testify that you know the Lord Jesus Christ as your personal Savior in the full pardon of your sins? (The applicant(s) will answer, I do.)*

3. *Are you willing to walk in the light of the Scripture as it shines upon your path? (I am.)*

4. *Are you willing to abide by and subscribe to the discipline of the Church of God as outlined by the Scripture and set forth in the Minutes of the General Assembly? (I am.)*

5. *Are you willing to support the church with your attendance and temporal means to the best of your ability as the Lord prospers you? (I am.)*

6. Do you agree to be subject to the counsel and admonition of those who are over you in the Lord? (I do.)

7. If there be any member who has a legal objection to any of these becoming members of the Church of God, the objector may now so state.

8. By the authority vested in me as a minister of the Church of God, I take great pleasure in welcoming you into this membership and extending to you the right hand of fellowship. May I encourage you to call for the services of your pastor when needed.

9. I have confidence that you will ever be a faithful member and a blessing to the church and that the church will be a blessing to you. I pray our fellowship will always be bound together with unbroken love. (The minister shall then pray.)

### C. Instructions

It would be well to have a musical background while the church gives the right hand of fellowship.

(It is believed that friends of the church should be extended the privilege of bidding the new members Godspeed in like manner (45th A., 1954, p. 27).

## II. Local Church Part of the Assembly

1. The local churches, the names of which are recorded [see the **General Directory** of this book of *Minutes*], are the result of the faithful services of the ministers and representatives of the General Assembly; and these churches, when thus received by the representatives of the General Assembly, then became and composed a part of the General Assembly. Therefore, the right of any local church as a whole to withdraw from the General Assembly is not recognized and does not exist, but those members who prove disloyal to the government and teachings as promulgated from time to time by the General Assembly, or who are otherwise disorderly, are to be dealt with as individuals (15th A., 1920, p. 50; 45th A., 1954, pp. 27, 28; 50th A., 1964, p. 54).

2. If a church is organized and they do not accept the teachings of the Assembly, they cannot be recognized by headquarters [at any level of church government] as a Church of God (15th A., 1920, p. 66).

## III. Incorporation of Churches

That steps be taken to dissolve the incorporation of states and local churches where practical, and that where it is necessary to incorporate states or local churches, that said action be first approved by the General Executive Committee (44th A., 1952, p. 30).

## IV. Requirements

### A. Exclusion for Nonattendance

Members should be excluded from the Church of God for non-attendance of the regular services of the church of which they are members, unless they have a good reason. Notice the question is only for continued nonattendance; this doesn't mean just for a few times missing service (20th A., 1925, p. 41).

### B. Stand Against Gambling

INASMUCH as the Church of God believes gambling to be contrary to Christian principle and practice; and

INASMUCH as there has been a tendency to compromise among some states and churches, teaching that state lotteries, bingo games, games of chance, and so forth, are not contrary to present Christian moral standards; be it therefore

RESOLVED that the Church of God continue its stated opposition to the evils of gambling and urge its people to exhibit by precept and example its belief in the high standards of holiness conduct required of all believers (50th A., 1964, p. 55).

### C. Various Rulings

1. That members of the Church of God who go into public bathing places with the opposite sex be warned; and after sufficient warning, if they continue to frequent such places, they should be disfellowshipped from the Church of God (20th A., 1925, p. 38; 29th A., 1934, p. 49).

2. That the bobbing of hair of our female members be discontinued but that mercy be shown those who already have their hair bobbed; but if after sufficient warning they disregard the advice given, they should be dealt with in the Church of God (20th A., 1925, p. 38).

3. That the wearing of unnecessary jewelry for ornament or decoration be made a test of membership in the church, in conformity with the teachings of the Bible (Isaiah 55:2; 1 Peter 3:3) (25th A., 1930, p. 22).

4. That our members dress according to the teachings of the New Testament:

"Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh,

and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" 1 John 2:15, 16.

"In like manner also, that women adorn themselves in modest apparel, with shamefacedness and sobriety; not with broided hair, or gold, or pearls, or costly array" 1 Timothy 2:9.

Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of gold, or of putting on of apparel; but let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of God of great price" 1 Peter 3:3, 4 (35th A., 1940, p. 31).

5. That parties operating moving picture shows be considered ineligible for membership in the Church of God (28th A., 1933, p. 42).

## S36. MEMBERSHIP

### I. Transfer of Membership

1. When a member in good standing moves from the vicinity of one church to another, a letter of recommendation should be given on request, in harmony with [the scripture] "I commend unto you Phebe our sister, which is a servant of the church which is at Cencrea: that ye receive her in the Lord, as becometh saints" (Romans 16:1, 2) (1st A., 1906, Bk. Min., p. 18).

2. Inasmuch as we live in a mobile society which affects many of the constituents of the church, it is important that pastors and leaders show care and concern in assisting members in relocating, by making available to them information relative to the churches in the area to which they are moving.

3. A member's name should remain on the membership roll until an official request for transfer is received (64th A., 1992, p. 77).

4. Requests for transfers should be granted within two weeks, when requested by the proper authorities, providing no charges are pending. Transfers may be granted or members' transfers may be received at any regular church service (66th A., 1956, p. 20).

5. That inasmuch as the Full Gospel Church of God in South Africa is a part of the Church of God in America, it should be understood that the transfer of membership between local churches of the

respective countries is reciprocal; but in no case is it legal to retain local church membership in both countries (46th A., 1956, p. 23).

## II. Associate Membership

That inasmuch as the local Church of God membership is composed of Christians who have accepted the teachings, doctrines, and government of the Church of God, and who have been formally received into its fellowship; therefore, no local church has authority to set up or recognize an associate membership of Christians who, for some reason, have not been formally received into its fellowship

(45th A., 1954, p. 28).

## III. Membership Roll

The pastor and church clerk shall maintain an accurate, up-to-date membership roll, staying in contact with members who are unable to attend church regularly and members who are in the Armed Forces, encouraging them to attend and transfer their membership to a local Church of God or Ministry to the Military Center in the area where they are stationed (63rd A., 1990, p. 78).

## IV. Excluded Members

1. Individuals who have been excluded from any local church shall not be admitted to membership in any other local church until fellowship has been established in business session with the church from which they were excluded. And if the church has been disbanded where he was a member, his case must be passed on by the state overseer of the state where he was excluded and the district overseer where he now lives.

2. In case excluded members are put forward by those in authority, such as being used as Sunday school teachers, or otherwise given prominence in the church, especially over protest of the church that excluded them, that such action be considered disloyalty and all those who do such be dealt with accordingly (29th A., 1934, p. 56).

## V. Procedure in Dealing With Member

If a member who is not a minister shall be charged with any offense which makes it necessary to deal with the member, formal charges in writing shall be given to the member not less than three days (when practical) prior to the time and place of the conference.

The member shall have a right to be heard and offer corroborating testimony at the conference.

## VI. Right to Appeal

If the member is not satisfied with the decision of the conference, he may appeal. The complainant must, within ten (10) days, notify the state overseer (in writing) the reasons for dissatisfaction. In such case, the church clerk and pastor must furnish the state overseer the full information (in writing) of the business meeting in which the member was excluded.

The state overseer shall have power to make the final decision in the matter of the appeal. If in his judgment the case warrants calling a state board, he may do so. In either case there shall be no further appeal.

In the event the appeal is sustained, the state overseer shall notify the pastor and clerk in writing of the decision, and instructions shall be that the pastor or clerk read the letter to the male members in a council meeting. If the appeal hearing results in clearing the member of formal charges, he shall be reinstated in good standing without delay.

When a member wishes his membership dropped from the roll of a local church, his request shall be made in writing to the pastor, with a copy to the clerk. His request shall be granted by the church in conference, provided he has been a loyal member and there are no charges pending. Since the action has been instigated by the member himself, he needs no notification (31st A., 1936, p. 34; 38th A., 1943, p. 30; 42nd A., 1948, p. 29; 54th A., 1972, p. 53).

## S37. CONFERENCES

### I. Purpose

A church conference is a business meeting for the purpose of transacting any business necessary for the operation of the local church. (There are two kinds of conferences, regular and called.)

### II. Who May Conduct a Conference

1. No pastor has the right to hold a conference without permission from the district overseer (22nd A., 1927, p. 32; 46th A., 1956, p. 25; 54th A., 1972, p. 54).

2. No conference shall be held in the district except under the direction or supervision of the district overseer. This does not exclude the authority of the overseer of the state, which is fully explained in the *Minutes of the General Assembly* (13th A., 1917, p. 36).

3. In any instance where there is not a sufficient number of active members in the local church to assist in conducting a conference, the state or district overseer, and two or more ministers whom he may select, shall make full disposition of all matters that may demand attention.

4. The state and district overseers should see that quarterly conferences are conducted in each local church in their respective state or territory (37th A., 1942, p. 36).

5. The local church has a right to appoint a committee in conference to look after some affairs of the church. Such a committee, however, is to do nothing that would conflict with or violate the local, state, and general church program and government, or create confusion (46th A., 1956, pp. 25, 26).

### III. Regular Conference

1. The regular conference, consisting of the membership, is called or set for any regularly designated time by the pastor or district overseer. The purpose of the conference is to inform the church of its financial status. The church conference shall also consider any other business referred to it by the pastor and his church council. All major disbursements must be approved by the church in conference.

2. The regular conference should be announced at least ten (10) days before it is to occur.

### IV. Called Conference

1. The called conference consists of all male members of the local church who wish to attend, said conference to convene at a time set by the pastor to take care of business arising between the regular conferences. This does not exclude the rights of the state and district overseers to call or moderate conferences in local churches.

2. When it is necessary to have a called conference, all members of the local church should be notified if possible (45th A., 1954, p. 32).

## V. Order of Conferences

*Robert's Rules of Order Newly Revised* shall serve as the guide for conducting all business conferences.

Usual order of business:

1. Financial reports of various departments of the church
2. Other reports of committees, and so forth
3. Transfer of membership, if any
4. Unfinished business left from previous meeting
5. New business

## S38. PASTOR

### I. Appointment of Pastors

1. The authority for the appointment of pastors is vested in the state overseer (48th A., 1954, p. 34; 51st A., 1966, p. 59).

2. Local churches are to refrain from taking action on the selection of pastors until authorized to do so by the state overseer (28th A., 1933, p. 36).

3. The state overseer shall appoint the pastor subsequent to consultation with the district overseer, and after having given members of the local church an opportunity to express themselves regarding their desire for pastor of their choice (61st A., 1986, p. 53).

4. The state overseer may call for an expression from the membership (at least 16 years of age) when there is an apparent decline in the spiritual health and well-being of the local church (61st A., 1986, p. 53).

5. The signature [of the individual expressing a pastoral preference] is required on the local church uniform pastoral preference ballot (49th A., 1962, p. 53).

## III. Procedure for Laity Contacting State Overseer

The state overseer serves both the ministry and laity; therefore, when loyal, tithing members of a local church have a legitimate concern as it relates to the welfare of their church, they have the right and privilege to contact their state overseer, after they have contacted their pastor and district overseer. All concerns expressed to the state overseer should be communicated to the pastor and district overseer, with the names of the individuals expressing such concerns. These concerns should be preferably in writing—not as part of a petition (63rd A., 1990, p. 76).

## IV. Assistant Pastor

1. Where assistant pastors are needed, they are to be nominated by the local church and pastor, subject to the approval and appointment of the state overseer.

2. This council is to be elected biennially and by ballot.

3. A system of rotation may be used whereby council members will serve a designated length of time.

4. In the event the office of one of the council members is vacated between elections because the incumbent dies, becomes disabled, or is in any other way disqualified, the pastor is to submit to the gov-

erning body of the local church the names of the two men who received the next highest number of votes in the last election, so that one may be selected to fill the vacancy. Or alternates may be elected during the regular election to fill any vacancies.

2. That all members and ministers of the Church of God shall pay tithes into the church where they are members .

3. Local church treasurers shall send five percent (5%) of all tithes paid into the treasury to the general secretary-treasurer, Cleveland, Tennessee, with their monthly report, and an equal amount (5%) to their state treasurer with their monthly report. ### **S43. LOCAL BOARD OF TRUSTEES**

1. Each local church or congregation that owns any real estate, such as a church building or parsonage, shall appoint a Local Board of Trustees, to consist of not less than three (3) members, said board to be selected by the local congregation in a business meeting.

2. Members of the Local Board of Trustees shall hold office until their successors are appointed. The Local Board of Trustees shall hold title to, manage, and control, pursuant to the direction of the local congregation, all real estate owned by the local congregation by which they are selected, provided that all such property shall be used, managed, and controlled for the sole and exclusive use and benefit of the Church of God.

3. The said Local Board of Trustees shall have full right, power, and authority to buy property for the use or benefit of the local congregation; sell, hypothecate, exchange, transfer and convey any of the local property held by it, or to borrow money and pledge the said property for the repayment of the same; and to execute all necessary deeds, conveyances, and so forth, provided that the proposition shall first be presented to a regular or called conference of the local church presided over by the state overseer, or one whom he may appoint, and approved by a two-thirds majority vote, and provided further that the board have a certification from the state overseer, or one whom he may appoint, that the proposition is not adverse to the interest of the Church of God (53rd A., 1970, pp. 46, 47).

5. If the Local Board of Trustees has ceased to exist or to perform its duties, then the state overseer shall have the right to declare all offices thereon vacant and to appoint a special board of successor trustees, which may be the State Board of Trustees for that state, who shall thereupon automatically hold title.

6. Furthermore, in the event of dissension within a local church of the Church of God, the state overseer of the Church of God for the state in which such local church is located shall have power to declare the offices on the Local Board of Trustees vacant and to appoint a special Board of Trustees, which may be the State Board of Trustees, as successors to the Local Board of Trustees, and such special board so appointed shall automatically then hold title to such local property (53rd A., 1970, pp. 46, 47).

7. If a sufficient number of qualified male members are not available in any local church to constitute the Board of Trustees, another or others may be selected from another church (35th A., 1940, pp. 32-34).

8. Any person appointed to said Board of Trustees shall be a male member in good standing of the Church of God. Further, they are to raise funds to be disbursed in behalf of the local church, state, and general work, after consulting with and having the approval of their pastor.

## **S47. SUNDAY SCHOOL**

(63rd A., 1990, pp. 76, 77)

The Sunday school represents the primary disciple-making agency in the local church. Its potential contribution to the lives of the people cannot be overestimated. Because of this, it deserves the best that can be provided in planning, organizing, coordinating, and supervising a quality program.

Therefore we recommend

That each local church sponsor a Sunday school for the purpose of helping individuals grow in the knowledge and grace of God through regular and balanced study of the Scriptures.

That all Sunday schools function according to the guidelines established by the Department of Youth and Christian Education.

That each Sunday school be characterized by the following elements: (1) an environment of true Christian fellowship, (2) meaningful interaction with the Word of God, (3) a continual pointing of people toward worship and Christian service, and (4) a consistent outreach to the lost.

That each pastor be active in the promotion and execution of an aggressive Sunday school ministry.

That all Sunday school staff members be involved in the Church Training Course program on an ongoing basis.

That Sunday school outreach and extension attendance be reported according to the instructions given on the local church clerk's report form.

That all Sunday schools use Church of God curricula, where practical.

(63rd A., 1990, pp. 77, 78)

1. The acronym *YPE* (Young People's Endeavor) shall not be deleted from the **Supplement** to the *Minutes of the General Assembly*, and that each time the term *Family Training Hour* is used in the *Minutes*, that "and/or YPE" be included.

2. The Church of God Family Training Hour and/or YPE is a midweek evangelistic and educational program sponsored by the local church to provide personalized, age-level training for each member of the family. The Family Training Hour and/or YPE sets forth a structure to provide each member of the family with a sense of belonging, to help develop talents, to channel the desire to serve, to promote spiritual growth, and to train for Christian service.

Therefore we recommend

That each local church establish a weekly Family Training Hour and/or YPE program designed to fulfill the following objectives: (1) to motivate a sense of mission—both spiritual and secular—in each member of the family, (2) to mobilize the family for New Testament service and worship, (3) to magnify the importance of God's Word in family life, (4) to maintain a fresh emphasis on the work of the Holy Spirit in directing family affairs, and (5) to minister to family needs and relationships.

That each Family Training Hour and/or YPE function according to the guidelines established by the Department of Youth and Christian Education.

## **S55. MINISTERIAL REPORTING**

### **I. Forms for Monthly Reporting**

In keeping with the financial system of the Church of God, it has been decided by the General Assembly to furnish Report Forms, in triplicate, to all ministers, for reporting to international and state

headquarters on the first of each month.

## II. Recording of Monthly Reports

The general secretary-treasurer [his office] shall maintain the following record system for all ministers' reports.

1. Each report shall be recorded monthly on an individual record and summarized annually. A copy of said annual summary shall be placed in each minister's file and a duplicate copy mailed to the minister.

2. A permanent record shall also be maintained and filed in the vault [at International Offices].

3. All reports shall be microfilmed for permanent record before being destroyed.

## III. Delinquent Reporting

1. When a minister becomes delinquent in reporting to international and state headquarters as much as three (3) months, he [or she] shall be urgently admonished by the state overseer of the state where he [or she] is ministering to bring his [or her] reports up to date.

2. Further, he [or she] shall be notified in writing that if he [or she] fails to report for a period of six (6) months, his [or her] license will be subject to revocation, after due disciplinary process

55th A., 1974, pp. 56, 57).

## S56. GENERAL INSTRUCTIONS FOR MINISTERS

1. Ministers who do not report or who are not actively engaged in preaching and other ministerial work for as much as six (6) months, provided such inactivity is not caused by illness or age, shall have their ministry revoked (35th A., 1940, p. 35).

2. All ministers having had their ministry revoked for the cause of failure to pay tithes shall be required to show a record of at least six (6) months of loyalty in tithing before being reinstated to the ministry (33rd A., 1938, p. 49; 56th A., 1976, p. 55).

3. All ministers are expected to take care of their financial obligations promptly. Ministers who fail to maintain proper credit will be warned by the state overseer, and if satisfactory disposition is not made regarding financial obligations, the state overseer will refer the case to a state board for proper action (63rd A., 1990, p. 81).

4. All Church of God ministers should remain within the bounds of the decisions of the General Assembly, and they are not to teach anything contrary to the Teachings authorized by this body (10th A., 1914, p. 31).

5. When a minister moves to another state without assignment, he [or she] is to notify his [or her] former and present state overseers at once. Further, he [or she] is to give his [or her] present state overseer information about himself [or herself] and family, previous ministerial work, what he [or she] would like to do, and how long he [or she] plans to remain in that state (45th A. 1954, p. 28).

6. Inasmuch as our ministers are expected to pledge full allegiance to the Church of God and its program, and inasmuch as we do not accept ministerial credentials from other organizations, licensing associations, or any other, we recommend that where our ministers hold such credentials they be required to surrender same; and where applicants to the ministry hold such credentials, they be required to surrender same before being approved for licensing (46th A., 1956, p. 25).

7. Believing a centralized form of government to be the biblical standard for our churches, the Church of God early adopted such a form of government and has consistently practiced a centralized form of government.

8. Be it therefore resolved that the General Assembly does not recognize or approve the practice of our ministers setting up independent congregations who do not subscribe to the doctrines, faith, practices, teachings, and government of the Church of God.

9. Be it further resolved that we do not approve our ministers pastoring or otherwise assisting such independent congregations, and declare that ministers who persist in doing so are out of harmony with our stated policy of centralized government; and appropriate action should be initiated by proper authorities against offending ministers (46th A., 1956, p. 27).

10. Our ministers should be very careful to give no occasion of suspicion of offense in their association with the opposite sex (15th A., 1920, p. 69).

11. When a minister has been tried by a state board and his [or her] license ordered revoked, and the local church where his [or her] membership is instructed to withdraw fellowship, the local church shall be required to carry out the decision of the state board

36th A., 1941, p. 48).

12. It is not good for ministers to beg money for themselves in their meetings (22nd A., 1927, p. 32).

13. No Church of God minister shall be required to violate a confidence, when such has been entrusted to him [or her] in the performance of his [or her] professional duties or in the course of his [or her] care of souls, except with the express permission of the person who has confided in him [or her] or in order to prevent a crime (51st A., 1966, p. 77).

## S57. DISORDERLY MINISTERS

1. The license of a minister must be revoked when found guilty of adultery or fornication. He [or she] shall not be permitted to conduct revivals, preach, or teach for a period of at least three years from the date found guilty. [In the case of a male minister] he shall never be ordained in the Church of God.

2. Should he [or she] desire to be restored to the ministry, a record as a faithful lay member of the Church of God for three years must be shown (36th A., 1941, p. 47; 41st A., 1946, p. 27; 45th A., 1954, p. 26; 46th A., 1956, p. 27; 53rd A., 1970, p. 38).

3. The license of a minister must be revoked when found guilty of a homosexual offense, and he [or she] must be disfellowshipped from the church. He [or she] is never to be reinstated to the ministry (43rd A., 1950, pp. 18, 19; 46th A., 1958, p. 27; 50th A., 1964, p. 54).

4. A minister who is found guilty of unbecoming conduct with the opposite sex, and/or other moral failures, shall be disciplined for the purpose of restoration. He [or she] shall submit to a program of restoration designed or approved by the Office of Ministerial Care, in conjunction with a pastoral mentor, for a minimum period of one year, after which he [or she] shall be reinstated, provided his [or her] life shows evidence of renewed spiritual health. Upon completion of this restoration process, and with the approval of the Executive Council, the minister shall be restored to his [or her] former rank of ministry (63rd A., 1990, p. 70).

5. Ministers' licenses having been revoked for the cause of improper conduct with the opposite sex, or same sex, shall not be restored to them until approved by a three-fourths majority vote of the Executive Council (42nd A., 1948, p. 29).

6. The overseer of the minister in difficulty shall offer the minister and his [or her] family a plan of regular counseling and assistance in an effort to restore him [or her] to a successful ministry. The overseer may be the counselor or designate someone else. The recommendation of the counselor may be considered in the restoration process (46th A., 1156, p. 27; 56th A., 1976, pp. 54, 55).

7. That the past record of ministers who present themselves to the Church of God be investigated; and where there have been accusations of immoral conduct, said ministers shall not be eligible for license or ordination until endorsed by three-fourths of the Executive Council (36th A., 1341, p. 47).

8. A minister whose license is revoked and who goes into open sin shall be required to be baptized in water before his [or her] ministry is restored, and we further recommend that this apply to any and all ministers who shall apply for membership in the Church of God (37th A., 1942, p. 35).

9. Ministers who have been disfellowshipped from the ministry and the church, but later repent, shall be required to take the same course as at first, by examination, to be restored to the ministry. In no case shall a minister be given a higher position than he [or she] first held, until he [or she] proves worthy (21st A., 1926, p. 3).

10. Any minister whose license has been revoked or surrendered, shall be required to go through the regular ministerial examination before being relicensed (42nd A., 1948, p. 29).

11. That where a minister's work has been generally known, either before or after he [or she] surrendered his [or her] license, his [or her] application for reinstatement to the ministry shall be approved by a two-thirds vote of the Executive Council, and the general overseer shall determine whether or not his [or her] case should come before the [Executive] Council (43rd A., 1950, p. 16).

12. The minister who [allegedly] walks disorderly, while in another state, should be tried by a state board in the state where the [alleged] offense was committed, and [if found guilty] his [or her] ministry should be revoked by the overseer of the state where his [or her] membership is (23rd A., 1928, p. 41).

13. Ministers who resign their ministry to evade charges instituted, or being instituted against them as a result of offending conduct, shall be considered guilty (46th A., 1956, p. 23).

14. Where ministers have had their ministry revoked for any cause and engage in ministerial activities in opposition to the Church of God, our ministers and members shall be considered disloyal in promoting their ministerial activities (44th A., 1952, p. 31).

## **S58. OFFENDING MINISTERS**

### **I. Ministerial Discipline**

(63rd A., 1990, pp. 70-75)

#### ***Trial Procedures and Appeals for Church of God Ministers:***

Inasmuch as Church of God hearings and/or trials of its ministers or members are ecclesiastical rather than civil in nature, and concern matters within the Christian brotherhood, to be judged by the guidelines of Holy Scripture rather than civil law, the ministers and members of the Church of God do hereby agree that defense attorneys may not attend or participate in those proceedings.

#### **A. Guidelines for State Overseers**

1. Warn ministers who are delinquent in reporting.
2. Revoke the license of ministers who have not reported for as much as six (6) months.
3. Arrange for trial of accused ministers, notifying the accused of charges, time, and place of trial.
4. Terminate the license of a convicted minister by signing a revocation which is sent to the general overseer.
5. Revoke the ministry of one who is a member of his state when his [or her] trial, conviction, and offense were in another state.
6. In rare instances involving church and pastor estrangement, a board of three (3) ministers appointed by the state overseer might be of some help to the overseer. Such a board could listen to problems and render an advisory opinion. This type of procedure, in acute cases, furnishes a broader base of strength for the overseer.
7. In instances of increasing rumor and/or question, the state overseer could appoint a board of investigation to separate fact from rumor, provide a clearer conception of the problem at hand, and possibly indicate a proper course of action.

## **B. Trial Procedures**

### **1. Filing of Charges**

Any charge brought against a minister must be in writing and signed by the individual bringing the said charge. Prior to any formal trial or hearing, the state overseer shall, where possible, arrange a face-to-face meeting between the accused and the accuser, in keeping with the commands of Jesus in Matthew 18:15-17. Said meeting to be moderated by the state overseer, or one whom he shall appoint.

- a. The burden of proof rests upon the individual making the charge.
- b. Refuting said charge rests upon the one charged.
- c. Any charge should be presented to the state overseer of the state in which the alleged offense is committed.
- d. After a charge is brought in writing, the burden of handling said charge rests with the state overseer, who is considered the pastor of any minister serving under his charge.

### **2. Selection of Trial Board**

The state overseer shall appoint all trial boards.

- a. He should avoid using the state council as a trial board.
- b. All members of a trial board should be individuals of experience, such as a pastor or evangelist.
- c. The trial board should consist of not less than three (3) ordained ministers.
- d. Conflicts of interest, such as relatives, those taking sides, or those connected in any way which would hinder a fair trial or cast a shadow upon the system of the church to deal ethically or fairly with all men should be avoided.
- e. Any minister appointed to a trial board who feels he cannot render an impartial decision should so state and be replaced.
- f. Any officer in the trial procedure who feels there is a conflict of interest should have the right to call said conflict to the attention of the state overseer or the general overseer and expect it to be corrected before proceeding with consummation of the trial.
- g. Any ministerial liaison or advocate who is subjectively involved, or whose family is involved, should have the

right not to participate in any decisions related to the case, absent himself voluntarily, and request to be replaced for any given trial.

- h. The accused minister shall be given the option of inviting another duly credentialed Church of God minister to appear with him [or her] during hearings, trials, and appeals, for the purpose of personal support. (Since this is an ecclesiastical matter in the brotherhood of the church, no legal counsel may be present.)

### *3. Notification of Defendant*

The state overseer shall set the date of trial and notify defendant of charges, time and place of trial, at least seven (7) days prior to trial. Notification shall be given by certified mail with a return receipt, where possible. If defendant waives the time limit in favor of an earlier trial, he [or she] should sign a statement to that effect which will become a part of the trial record. The defendant may, with the consent of the state overseer, waive trial by the state board to a board appointed by the general overseer and his assistants, in which case there shall be no appeal.

### *4. Consideration for Person Making Charge*

- a. The right of fair and courteous treatment
- b. The right to be instructed concerning all procedures
- c. The right to produce witnesses with corroborating testimony and evidence
- d. The right of notification of trial, procedures, and the right of appeal
- e. The right to appeal any conflict of interest which might occur
- f. The right to be heard, to face the one being charged, and to face those hearing said charge

### *5. Consideration for Person Charged*

- a. The right to be considered innocent until proven guilty, in accordance with our trial system
- b. The right to know what he [or she] is charged with and the person(s) bringing the charge (in writing)
- c. The right of fair and courteous treatment

- d. The right to be instructed concerning all procedures
- e. The right to plead "guilty" or "not guilty"
- f. The right to refute said charges and to produce witnesses, testimony, and other evidence
- g. The right to be heard, to face the accuser and those hearing said charges, and to be present in the hearing room while evidence is being heard
- h. The right of appeal concerning any conflict of interest which might occur
- i. No defendant can avoid a trial by board by confessing to a lesser charge. Trial by board can be avoided only by confessing to the greater charge. For example: any confession of "unbecoming conduct with the opposite sex" must be tried by board to determine that indeed the individual is not guilty of the greater charge of "adultery."

#### 6. Trial Procedures

- a. Secretary of Record—the state overseer shall appoint a secretary to keep a record of trial proceedings.
- b. Register of Witnesses—both the defense and prosecution shall furnish a list of witnesses prior to the trial. Testimony should then be limited to these witnesses, unless one comes forward during the trial with new evidence.
- c. The Trial—the state overseer shall moderate the trial unless the defendant is related to him, in which case he shall disqualify himself and the moderator shall be appointed by the general overseer. The trial should be opened with prayer, followed by appropriate remarks by the chairman. The charges should be read to the defendant in the presence of the person(s) who signed the charges. The charges shall then become a part of the trial record.
- d. When a group of individuals has preferred charges, they may testify individually or they may select a spokesman from their number to represent them, provided the defendant is so notified and offers no objection. However, in morals cases each witness must testify individually. In all cases, individual testimony must be given if the defendant so desires.
- e. After all prosecution witnesses have testified, the defendant shall be given an opportunity to face each witness

individually and to defend himself [or herself]. After the defendant has had opportunity to face his accusers, defense witnesses will then be called and heard individually. Character witnesses may be heard individually or collectively at the discretion of the board.

- f. The board shall retain the prerogative to recall any witness on either side at any time during the trial. The board may go into executive session at any time in order to clarify testimony, discuss possible changes in procedure, or determine what action present circumstances may dictate.

### *7. Notification of Decision*

- a. When all testimony has concluded, the defendant shall be excused and told that he [or she] will be notified of the board's decision. In most instances, the defendant can be notified in person or by telephone, and the decision confirmed by certified mail, where possible. After deliberation, the board shall present its decision in writing, signed by each member, to the state overseer, who in turn will notify the defendant and the complainant and take appropriate action.
- b. The trial board's decision will become a part of the defendant's or complainant's record at the state office. In case of conviction, the record will also be filed at International Offices.
- c. In the event the trial board renders a decision of guilt, said decision must be in agreement with the ruling of the General Assembly listed under caption S57. **DISORDERLY MINISTERS.**
- d. Both the one charging and the one being charged should be notified of the decision of the trial board, and (a) recommendations for conforming to said decision and/or (b) a record of this follow-up should be kept in the individual's file.

## **II. APPEALS**

A. Any appeal from a decision of a state trial board must be presented to the general overseer in writing and signed within ten (10) days after the defendant has received written notification of the decision from the state overseer.

B. An appeal may be granted when requested in writing within the prescribed time limit for one or more of the following reasons:

1. The trial was conducted improperly.
2. New evidence which was not available at the time of the trial becomes available.
3. There is a conflict of interest in those conducting the trial.
4. The Executive Committee deems such advisable for other reasons.

*Note:* Every minister has a right to expect courteous treatment and fair dealing from his [or her] superiors in all matters relating to his [or her] position or field of labor in keeping with the dignity of a minister of the gospel. In the event these rights are apparently denied, and by this denial his [or her] ministry shall be greatly curtailed and damaged, he [or she] shall have the right to appeal to the general overseer, in writing, who, with the Executive Committee, shall take whatever steps are necessary to effect a possible solution, if in their opinion the appeal warrants such action. The purpose of the right of appeal is to open channels whereby differences between the concerned parties may be resolved (54th A., 1972, pp. 54, 55).

## **PERSONNEL**

## **S59. EMPLOYMENT OF FAMILY MEMBERS**

(44th A., 1952, p. 31)

The general officials and all other department heads of the church shall refrain from employing members of their immediate family if said employees are to work under their personal supervision.

Where the state overseer receives the limit in salary and expenses, no member of his immediate family shall be employed as state secretary and treasurer.

## **S61. COMPENSATION FOR PASTORS**

64th A., 1992, pp. 81-84)

### **I. Basic Compensation**

“Do ye not know that they which minister about holy things live of the things of the temple? and they which wait at the altar are partakers with the altar? Even so hath the Lord ordained that they which preach the gospel should live of the gospel” (1 Corinthians 9:13, 14).

The basic pastoral compensation shall consist of the following, based on the availability of appropriate tithe funds in the local church:

1. The compensation as designated for the appropriate membership category in **S62. Pastor’s Minimum Compensation Scale**
2. One-half of the pastor’s Social Security tax (which is to be reported as taxable income according to the information of federal income tax consultants)
3. Premiums for health insurance coverage
4. Contribution by the local church to the Church of God Ministers’ Retirement Plan for the pastor of an amount equal to at least 5 percent of the cash compensation received by the pastor
5. Adequate housing accommodations, including utilities

These guidelines are ecclesiastical in application and are not a basis for any involvement outside the process of the Church of God.

### **II. Underpaid Pastors**

Pastors of churches where the tithe income is not sufficient to meet the Pastor’s Minimum Compensation Scale shall receive 90 percent of the gross tithe. Further, that churches where the tithe income is not sufficient to pay the pastor’s salary according to the minimum scale should endeavor to increase the pastor’s income in an amount equal or more through freewill offerings or other means.

### **III. Expenses and Other Benefits**

There is clear instruction in the Scripture which admonishes the members of the church to recognize effective and fruitful spiritual leadership. “Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine. . . .

The labourer is worthy of his reward" (1 Timothy 5:17, 18).

Therefore, all churches are encouraged to provide automobile travel expense allowances and to provide incentives such as higher percentages of retirement, annuity and insurance plans, and so forth, based on increases in finances, pastoral responsibility, pastoral effectiveness, and longevity.

The church to which the pastor has been appointed should pay reasonable moving expenses.

#### IV. Cost-of-Living Adjustment

Annually, after the Executive Council has made a study of the United States government cost-of-living index, an announcement shall be made of the authorized cost-of-living adjustment in the pastor's compensation. The Pastor's Minimum Compensation Scale shall be adjusted accordingly and become effective on September 1 of each year.

### S62. Pastor's Minimum Compensation Scale

(Effective September 1, 1992)

(This scale includes the 3% cost-of-living increase which became effective on September 1, 1992.)

1201-1250	1,051	1951-2000	1,360

Churches with more than 2,000 members should follow the process of \$20 per week increase in minimum salary for each increase of 50 members, in continuing this scale.

Presently established churches whose pastor's salary structure is adversely affected by the schedule [the new Pastor's Minimum Compensation Scale, effective September 1, 1992] should maintain their pastor's present compensation [based on the old scale] (observing annual cost-of-living adjustments) until membership has increased to a higher compensation bracket.

However, if a Member's ministerial standing in the Church is revoked prior to the commencement of an Annuity, the only election available to the Member is to receive a lump sum payment of his or her entire Member Accumulations.

#### 4. Benefits at Death While an Active Member:

(a) Upon the death of a Member who has not received any benefits under the Plan, the entire Member accumulations of the Member at that time shall be paid in lump sum or be converted into an Annuity for the surviving spouse of the Member in an amount determined in accordance with Article VI. Further, if there is no surviving spouse, the Member Accumulations shall be paid in a lump sum to a beneficiary designated by the Member, or to the Member's estate.

(b) Lump sum death benefit: \$1,000 paid in the following order of priority; spouse, children, dependent parent, beneficiary designated by the Member or the Member's estate.

(c) Child benefits: Each child shall receive a pension of \$10 per month to age 21; a total of \$30 per month will be divided among the children. That in case of an underage child the payment of the pension shall be directed to those individuals or institutions assigned legal custody of the child.

(d) Educational benefits: Each child under age 23 shall receive \$250 for each of the first four years of higher education beyond high school.

5. Rollovers and Transfers: To the extent permitted by applicable laws and by rules and regulations prescribed by the Board, a Member may roll over or transfer to another plan his or her Member Accumulations; and the Board may accept rollovers or transfers from other plans to be credited to the Member Accumulations.

## H. Annuities

1. Annuity Options: At a Member's Retirement, Disability, or attainment of his or her 60th birthday after termination of service under the provisions of Articles 5.1, 5.2, and 5.3, respectively, or at a Member's death under the provisions of Articles 5.4 and 5.5, the Member may (or the Member's surviving spouse shall, in the case of

the Member's death) convert any Member Accumulations of the Member, not previously paid, into an Annuity under one of the Annuity options, specified under Article VI of the Plan Document, Items 6.1 and 6.2.

2. **Application for Benefits:** A benefit will not be paid until the Board receives an application therefore in writing on a form designated by the Board and completed by the individual eligible for the benefit payment. However, no application need be submitted by a contingent Annuitant or a Beneficiary entitled to a continuation of the Annuity previously initiated under Article 6.1, since a previous application would have already been implemented.

3. **Small Accumulations:** If, at commencement, an Annuity would amount to less than \$50 per month; or if, at termination of service under Article 5.3, the Member Accumulations of a Member are less than \$1,750, the Board has the right in its sole discretion to pay the Member Accumulations to the Member (or surviving spouse or Beneficiary, if the Member has died) in a lump sum in Lieu of all other Plan benefits.

4. **Calculation of Amount Annuity:** Member Accumulations shall be converted into an actuarially equivalent level monthly Annuity to the Annuitant using mortality and interest assumptions that are (a) recommended by an actuary appointed by the Board, (b) adopted by the Board, and (c) in force at the time the Annuity commences.

5. **Right of Appeal:** If any individual is dissatisfied with the decision of the Board, he or she shall have the right to appeal the decision to the Executive Committee in accordance with the appeal procedure set forth in Church of God Polity.

6. **Nonforfeitability of Annuities:** Except as provided in Articles 6.8 and 6.9 of the Plan Document, once an Annuity is commenced it cannot be forfeited or suspended, even if a Member's ministerial standing in the Church is revoked.

## **I. Beneficiary**

1. **Designation, Revocation, or Change of Beneficiary:** The Beneficiary eligible to receive any amount payable under the Plan to a Beneficiary may be designated, revoked, or changed by a Member, or by a surviving spouse, Beneficiary, or contingent Annuitant who had become an Annuitant after the death of a Member, except that only a Member may designate, revoke or change a Beneficiary while such Beneficiary is still alive. Such designation, revocation, or change must be in writing on a form received and designated by the

Board and completed by the individual eligible to take such action. The Board and all other parties may rely on the latest designation, revocation, or change on file with the Board at the time a payment is due under the Plan, shall be fully protected in doing so, and shall have no liability whatsoever to any person making claim for any payment under a subsequently filed designation, revocation, or change in Beneficiary, or for any other reason.

2. No Valid Designation: If there is no valid designation of Beneficiary on file with the Board when a payment is due under the Plan to a Beneficiary, the Beneficiary shall be determined by the Board to be the estate of the Member, except that if an Annuity is being paid and the last previous payment under the Plan was on behalf of an Annuitant other than the Member, the payment shall be made to the estate of such Annuitant. If an estate is due any Annuity payments as a result of the remainder of a 120-month guarantee under the Plan, the Board reserves the right to pay the estate the present value of such Annuity, based on the interest assumption in force under Article 6.7, at the time the present value is calculated.

## **S65. AGED MINISTERS' PENSIONING PLAN**

(41st A., 1946, pp. 27-29)

*[Enrollments in the Aged Ministers' Pensioning Plan ceased as of December 31, 1982. Applications for benefits from this plan ceased as of August 31, 1992. As of that date, the contributions of eligible ministers enrolled in the plan, who had not as yet applied for a pension, were either (1) applied toward the purchase of a guaranteed annuity for the minister, or (2) rolled over into the Church of God Ministers' Retirement Plan in the name of the minister.]*

### **A. Pensioning Policies**

1. The Aged Ministers' Pensioning Plan is intended for the purpose of guiding the Executive Council in pensioning aged ministers. It is agreed by all ministers who have contributed or subscribed to the Aged Ministers' Pensioning Plan to be subject to and governed by any changes that may be made in the Plan, and that one is entitled to benefits from said Plan only when he has, in the judgment of the duly constituted authority of the church, complied with the stipulations herein outlined, and only so long as funds are available. It is further understood and agreed that the Church of God shall not be held liable upon default of payment in the event funds become depleted by panic, depression, or any other unforeseen circum-

stance. This plan may be changed at any time by a majority vote of the General Assembly.

Insufficient funds or conditions over which the Executive Council has no control may reduce or eliminate one's pension. It is to be understood that the Executive Council is the proper authority to determine the qualifying status of each applicant and his allotment

(43rd A., 1960, p. 16).

2. In the event a minister has failed to make proper contributions to the Plan, he shall be required to meet the following:

a. Bring the arrears up to date, with a charge of 7 percent (7%) simple interest on arrears through 1967.

b. A charge of 7 percent (7%) interest shall be imposed on arrears each year thereafter.

c. All ministers who are in arrears more than twelve (12) consecutive months must be approved by the Executive Council before they are permitted to reenter the Program in order to qualify for pension benefits (53rd A., 1970, Item 10, p. 42).

3. Any minister who has been licensed by the Church of God and in active service in the church for the consecutive past twenty (20) years of his life, at the age of sixty and upon the option of either his part or the part of those officials of the church to whom he is answerable, or at the superannuating age of sixty-five, shall be eligible to receive an aged minister's pension, provided that he has for those consecutive past years subscribed to the Aged Ministers' Pensioning Plan.

4. The term active service shall be construed to mean that the minister's principal occupation shall have been preaching the gospel, either pastoring a church or being regularly engaged in evangelistic work, serving in some official capacity of the church, or in some other employment of the church, which positions are approved by the Executive Council (41st A., 1946, p. 28; 52nd A., 1968, p. 53).

5. At his retirement, the aged minister shall receive monthly \$2.30 for each consecutive year of service he has rendered the church, plus one percent (1%) of his monthly average income—average income not to exceed \$200 per month from the church for each consecutive year of service according to his record, beginning September 1, 1974. No further annuity should be built up after the age of superannuation. Example: If a man had been preaching 30 years and his average income is the maximum (\$200 per month) his total pension is \$169, which is determined as follows:

\$2.30 per month	
(for each year of service—30 years)	\$ 69.00
\$2 (1% average monthly income)	
x 30 years of service	\$ 60.00
Increases granted (\$10 per month)	
for years 1956; 1966; 1968; 1971	\$ 40.00
	\$169.00

(41st A., 1946, p. 28; 44th A., 1952, p. 34; 45th A., 1954, p. 28; 46th A., 1956, p. 27; 51st A., 1966, p. 80; 52nd A., 1968, p. 39; Executive Council Action, January 28, 1971, effective February 1, 1971; 55th A., 1974, p. 52; 56th A., 1976, pp. 48, 49)

6. The Executive Council is empowered to grant future raises as needs arise and funds are available, and these raises will be announced periodically and included in each subsequent issue of the Supplement to the Minutes (55th A., 1974, p. 52).

7. Those who are receiving a pension from the Aged Ministers' Fund were granted an increase of 6%, effective September 1, 1976, by the Executive Council in the meeting of September 15, 1976.

8. A further increase of \$.20 per year of service for those who are eligible for pension benefits up to 37 1/2 years, effective September 1, 1977, was granted by the Executive Council in the meeting of September 20, 1977.

9. An increase of 10%, retroactive to September 1, 1978, was granted by the Executive Council in the meeting of January 15, 1979.

10. A further increase of 10%, effective September 1, 1980, was granted by the Executive Council in the meeting of May 17, 1980.

11. A further increase of 7%, effective September 1, 1982, was granted by the Executive Council in the meeting of May 20, 1982.

12. A further increase of \$10 per month, effective September 1, 1984, was granted by the Executive Council in the meeting of September 25, 1984.

13. A further increase of \$10 per month, effective September 1, 1986, was granted by the Executive Council in the meeting of May 13, 1986.

14. A further increase of 6%, effective September 1, 1988, was granted by the Executive Council in the meeting of September 28, 1988.

15. If a minister ceases to be actively engaged in the ministry, he

shall forfeit all claims to accrued benefit or assistance from the Aged Ministers' Fund and he must, upon taking up his active ministry again, start to accrue future annuity from the date his ministry is reactivated. In no case shall a minister who has ceased to be actively engaged in the ministry either voluntarily or otherwise, be given a rebate of any money he has paid into the Aged Ministers' Fund.

16. Any aged minister receiving benefit from the Aged Ministers' Fund whose ministry has been revoked shall cease to draw compensation from the fund. Any minister drawing benefits from the Aged Ministers' Fund whose ministry has been held in abeyance shall have his compensation withheld from him during the time he is in question. If the minister in question shall be found innocent, his compensation shall be restored and all back payments paid in full.

17. It is understood that no one is eligible for a full pension until he is either sixty-five years of age or retired from the ministry (43rd A., 1950, p. 17; 44th A., 1952, p. 30; 39th A., 1982, p. 43).

18. That state overseers refrain from appointing pensioned ministers as full-time pastors except in cases where active ministers are not available. There is no objection, however, to a retired minister serving as supply pastor (42nd A., 1948, p. 28).

19. That a female minister whose family has not depended on her income from the ministry as a principal means of support shall be entitled to only one-half the amount of pension as that of a male minister who has supported his family from his ministerial income.

20. As has always been our custom in the case of a man and wife both being licensed ministers in the church, only one is entitled to a pension (43rd A., 1950, p. 17).

21. The aged widow of an aged minister who is in good standing with the church shall receive one-half of the amount of her husband's compensation at the time of his death, provided she has lived with him during the last twenty (20) years of his ministry.

22. The widow with full twenty (20) years' eligibility shall receive one-half of her deceased husband's pension.

23. The widow with fifteen (15) years' eligibility shall receive three-fourths of the maximum widow's pension.

24. The widow with ten (10) years' eligibility shall receive one-half of the maximum widow's pension.

25. There shall be no intermediate steps between the amounts listed. For example, a widow of eighteen (18) years' eligibility would receive the amount scheduled for fifteen (15) years; a widow of

twelve (12) years would receive the amount scheduled for ten (10) years, and so forth.

26. In the event a minister's widow lacks sufficient years to qualify for a pension, but she has been previously married to and widowed by the death of a minister who was eligible for a pension, the accrued time she has spent as a minister's wife shall be computed in the consideration of a pension (55th A., 1974, pp. 53, 54).

27. If a minister's wife dies before he reaches retirement age, and if he remarries before retirement and his present companion has not lived with him twenty (20) years prior to retirement, upon the death of the minister his widow shall be eligible for one-half of his rightful pension upon reaching age sixty-two, provided she remains a widow in good standing (54th A., 1972, p. 45).

28. That when determining pensions, due consideration be given to underpaid American missionaries who are eligible for pension; said pension to be equal to that of a home minister of equal status (44th A., 1952, p. 34).

## **B. Funds for Pensioning Aged Ministers**

1. The contributions made are not held in reserve for that particular minister's pension and do not guarantee him any certain amount of pension at the time of his retirement, but are used to supplement pensions to aged ministers who are now being retired (43rd A., 1950, pp. 16, 17; 49th A., 1962, p. 32; 55th A., 1974, p. 52).

2. The pastor of each local church shall set aside Reformation Sunday (the last Sunday in October) annually in honor of aged ministers for the purpose of raising a special love offering, said receipts to be sent to the Church of God General Secretary-Treasurer.

3. That twelve percent (12%) of tithes coming to [international] headquarters be used as supplement to the present Aged Ministers' Fund (51st A., 1966, p. 81; 52nd A., 1968, p. 51; 55th A., 1974, p. 52).

## **C. Application for Pension**

1. All applicants for pensioning shall be investigated by the state board of the state wherein they reside. The findings of the state board, together with the application of the candidate, shall be passed upon by the Executive Council. Said Council shall determine the pension allotment each aged minister is to receive (41st A., 1946, p. 29).

2. That ministers who become totally and permanently disabled while in the service of the church may receive assistance from the

Aged Ministers' Pension Fund, provided that they have had twenty (20) years of unbroken service at the time of such disability. In no case shall they receive help from this Fund until they have been thoroughly examined and declared totally and permanently disabled by a duly appointed representative of the church. Disabled ministers shall receive assistance on the same basis as aged ministers. (Death is also construed as disability) (42nd A., 1948, p. 28; 45th A., 1954, p. 26)

3. If a minister has had twenty (20) years of unbroken service in the church at the time of his death, and was otherwise eligible for an aged minister's or disabled minister's pension, but had not claimed it, his wife may claim one-half of his rightful pension, provided she has lived with him for the last twenty (20) years of his ministry and remains a widow in good standing with the church (43rd A., 1950, p. 16; 44th A., 1952, p. 30).

4. The widow with full twenty (20) years' eligibility shall receive one-half of her deceased husband's pension.

5. The widow with fifteen (15) years' eligibility shall receive three-fourths of the maximum widow's pension.

6. The widow with ten (10) years' eligibility shall receive one-half of the maximum widow's pension.

7. There shall be no intermediate steps between the amounts listed. For example, a widow of eighteen (18) years' eligibility would receive the amount scheduled for fifteen (15) years; a widow of twelve (12) years would receive the amount scheduled for ten (10) years, and so forth.

8. In the event a minister's widow lacks sufficient years to qualify for a pension, but she has been previously married to and widowed by the death of a minister who was eligible for a pension, the accrued time she has spent as a minister's wife shall be computed in the consideration of a pension (55th A., 1974, pp. 53, 54).

#### D. Disabled Minister

1. That a Disabled Ministers' Emergency Fund be created to care for disabled ministers who become disabled while in service, but are ineligible to receive assistance from the Aged Ministers' Pension Fund. Further, that two percent (2%) of the tithes coming to [international] headquarters be appropriated for this purpose. Disbursement of said fund shall be in the hands of the Executive Council.

2. Any balance above operational funds in said fund shall be transferred, at the end of each church year, to the Aged Ministers'

**Fund by the Executive Council** (42nd A., 1948, p. 28; 43rd A., 1950, p. 15; 52nd A., 1968, p. 51; 55th A., 1974, p. 52).

3. The allotments to beneficiaries shall be determined by the need of the applicant, service rendered, and money available (42nd A., 1948, p. 28; 43rd A., 1950, p. 15; 52nd A., 1968, p. 51).

## E. Ministers' Widows

1. An emergency fund has been created from the tithe of tithes fund at [international] headquarters, to assist widows of our deceased ministers. Said fund is not to exceed two percent (2%) of the [general] tithe fund, and is to be administered by the Executive Council.

2. Any balance above operational funds in said fund shall be transferred, at the end of each church year, to the Aged Ministers' Fund by the Executive Council (59th A., 1974, p. 52).

3. The allotments to beneficiaries shall be determined by the need of the applicant, faithfulness, and money available.

4. All applicants are to be approved by the state board (30th A., 1935, p. 39; 53rd A., 1970, pp. 42, 43).

## S66. INSURANCE

### I. Ministerial Insurance

#### *Life Insurance—General*

1. Any minister or member may carry insurance with any regular life insurance company.

2. Should anyone unite with the church who has insurance with a fraternal or secret order, he may continue his insurance with said order, provided he does not attend their secret meetings (38th A., 1940, pp. 31, 32).

#### **Group Life**

On August 30, 1928, the Church of God provided a group life insurance policy for its ministers.

#### **Dividends**

All dividends from the ministerial group insurance shall be paid to the general church treasury and credited to the general tithe fund (32nd A., 1937, p. 35; 35th A., 1940, p. 31; 46th A., 1958, p. 26).

## II. Personnel Insurance

Employees of the Church of God working in the various state offices shall be permitted to secure group life insurance, provided they pay the full premium at the prevailing rate (30th A., 1964, p. 66).

## GENERAL INDEX

### Note for Use of This Index

When the reference beside or beneath an entry in this Index is (See) or (See also) that means to see another heading in this Index.

When page numbers are given for a department of the Church, or for some governing body (such as the Executive Committee or Executive Council), the smaller page numbers refer to rulings of the General Assembly, while the larger page numbers (255-269) tell where the names of the leaders, board or committee members, and other personnel for that department or governing body are to be found.
